The San Francisco EMS Agency fees for Fiscal Year 2025-2026 (FY26) have been approved for July 1 implementation. Attached is a Fee Schedule for your reference outlining the description of services and the new fees that begin in FY26. The new fees will be reflected on future invoices, EMT and Paramedic applications, and will be posted on the EMS Agency Website. Annual invoicing will begin in early July 2025.

For future fiscal years (July 1 – June 30), a fee increase is continued to be anticipated for all fee types.
