

SFO West Field Development Program Supplier Diversity Outreach Event

SAN FRANCISCO

In partnership with SFO, Austin Webcor, Clark, Nibbi, and Skanska invite you to join us for an in-person supplier diversity event in support of four major construction projects comprising the SFO West Field Development Program.

WEDNESDAY, JUNE 5, 2024
11:00 AM – 1:00 PM

(Light refreshments provided.)

SAN FRANCISCO INTERNATIONAL AIRPORT
LOUIS A. TURPEN AVIATION MUSEUM

(Located pre-security on the Departures Level of the International Terminal Main Hall. [Click for Google Map Directions.](#))

We are seeking regional LBE design partners and union-affiliated subcontractors interested in contracting opportunities at SFO. LBE, SBE, DVBE, MBE, DBE, WBE, and LGBTBEs are strongly encouraged to attend.

At the event you will meet and network with personnel from each of the project teams, learn more about all four projects and their timelines, potential bid opportunities, access internal and external resources, and more.

Click or scan the QR code below to complete the required event pre-registration form.
