

STREET CRISIS RESPONSE TEAM (SCRT) PILOT
 SEPTEMBER 2021 UPDATE

The goal of the San Francisco Street Crisis Response Team is to provide rapid, trauma-informed response to calls for service about people experiencing crisis in public spaces to reduce law enforcement encounters and unnecessary emergency room use.

The SCRT now has six fully operational teams that provide full geographic coverage across San Francisco. These teams operate 7 days per week, 24 hours per day. As of April, all teams are supported by the Office of Coordinated Care staff who continue to provide follow-up and linkage support to clients within 24 hours of the initial encounter.

** 800-Bs are a type of call code from 911 emergency communications center which indicate an individual in behavioral health distress with no weapon involved. In 2019, SF 911 received over 10,000 of these calls. Percentage shown excludes "800-B On Views" and a small number of 800-Bs not dispatched to SCRT for other reasons.
