## **Redistricting Task Force Outreach Survey Results**

**January 22, 2022**

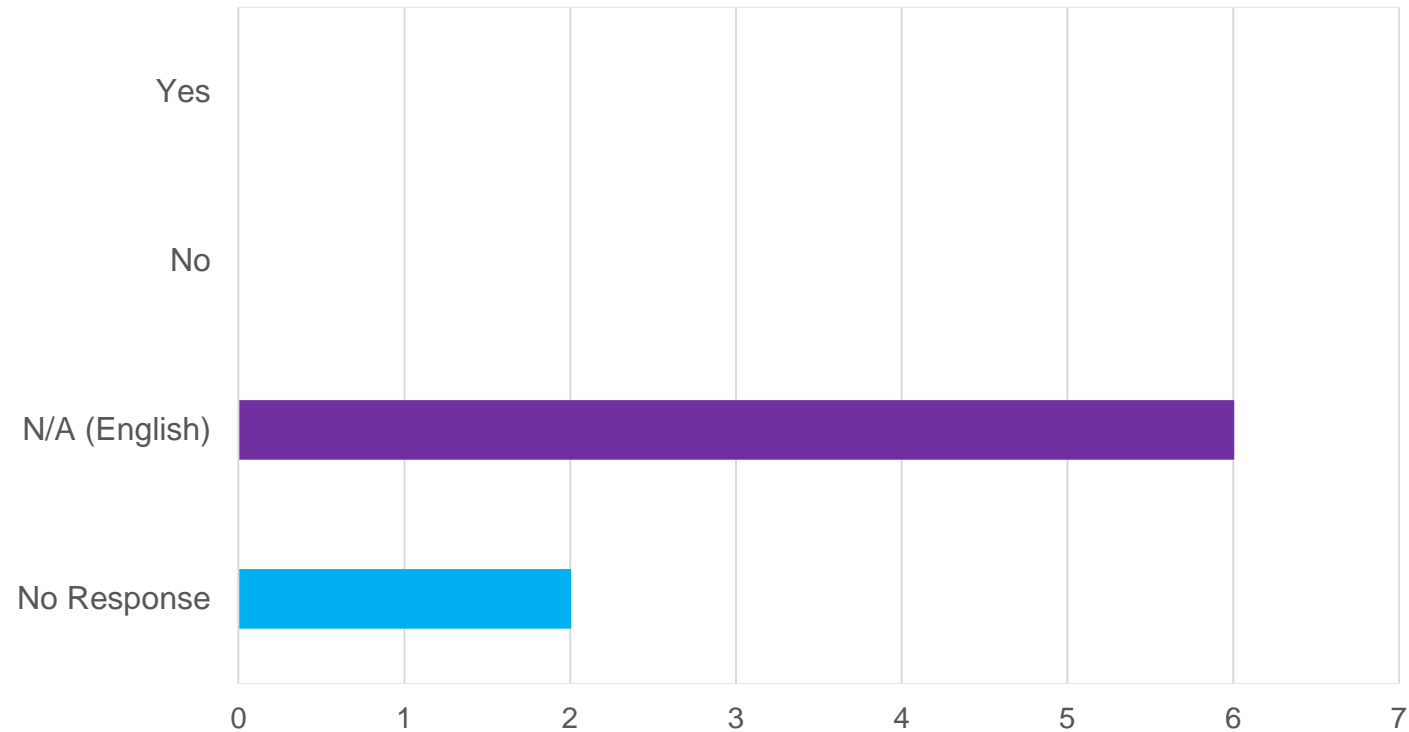

## Q1: How did you find out about this community redistricting meeting?

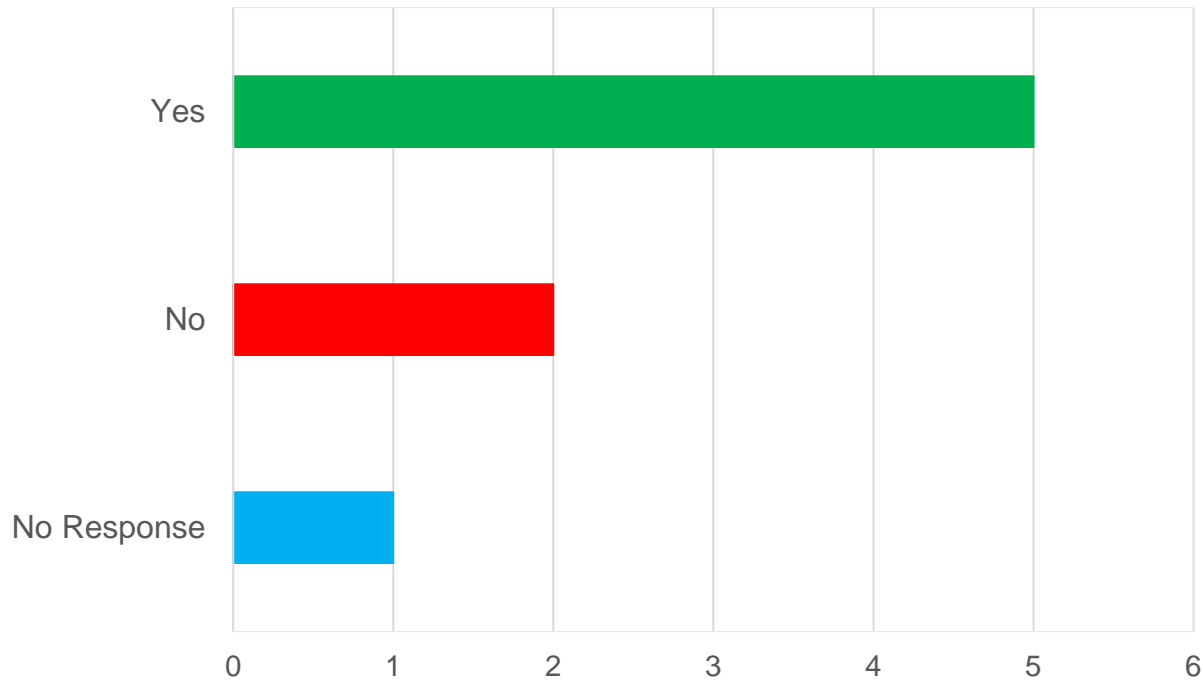

Q2: If your primary language is not English, were you able to find the redistricting information in your primary language?

Q3: Were you provided information on the Redistricting Task Force and timeline in an understandable and accessible way?

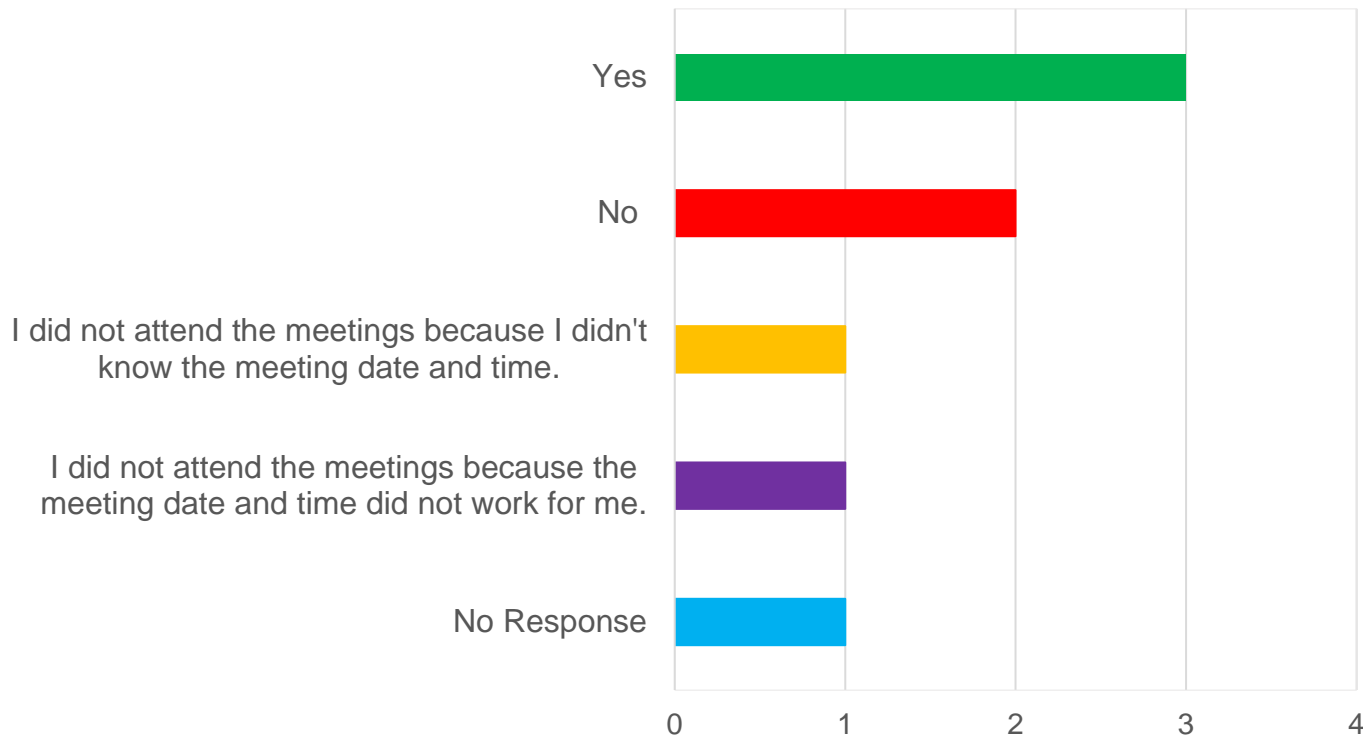

**Comments Received:**

- How can I email comments?
- RDTF website is confusing and information is hard to find
- Issues with WebEx login
- Can't use mapping tool

## Q4: Were you able to provide your feedback at the community redistricting meeting?

### Comments Received:

- Meetings have mostly been procedures and not related to district boundaries

Q5: Is there something you would like to know more information about, that you did not hear from the community district meeting?

**Comments Received:**

- What is the community outreach plan for people you may not have email information for?
- How is the Task Force going to evaluate and review all the information being offered?
- How do I use the mapping tool?
- I would like to know more about how to become a part of the redistricting process.

Q6: How would you improve community outreach in the redistricting process?

**Comments Received:**

- More targeted outreach as to why this matter for communities of color and the voting power for our communities
- Publicize meetings more and make the schedule visible.
- Mail voters about meetings, inform what changes must occur (i.e. D3 to be expanded, D6 to be reduced)
- Need information on how to use the mapping tool
