 = Requires mobile IT infrastructure solution to support hybrid meetings (both in-person and remote public participation), as required under the Mayor's 45th Supplement to the COVID-19 emergency declaration. Note that all off-site in-district meetings will require mobile IT infrastructure solution to provide and maintain consistent service levels.

 = Confirmed that existing IT infrastructure is fully outfitted and ready to support hybrid meetings (both in-person and remote public participation)

Meeting Location 1 = Located in neighborhoods that are the subject of district focus

Meeting Location 2 = Location of mapping focused meetings absent of district focus, or available as an alternate location
