Bill ID/Topic	Location	Summary
AB 1214 Waldron R Medi-Cal eligibility.	SENATE 2 YEAR 7/14/2021 - Failed Deadline pursuant to Rule 61(a)(11). (Last location was HEALTH on 6/16/2021)(M ay be acted upon Jan 2022)	<p>Existing law provides for the Medi-Cal program, which is administered by the State Department of Health Care Services, under which qualified low-income individuals receive health care services. The Medi-Cal program is, in part, governed and funded by federal Medicaid program provisions. Existing law provides for the suspension of Medi-Cal benefits to an inmate of a public institution, which ends on the date they are no longer an inmate of a public institution or one year from the date they become an inmate of a public institution, whichever is sooner. Existing law generally requires a county to redetermine a Medi-Cal beneficiary's eligibility to receive Medi-Cal benefits every 12 months and whenever the county receives information about changes in a beneficiary's circumstances that may affect their eligibility for Medi-Cal benefits. This bill would make an individual who is incarcerated in a state prison or county jail eligible for the Medi-Cal program for 30 days before the date they are released from that correctional facility if they otherwise meet Medi-Cal eligibility criteria but for their commitment in a correctional facility. The bill would require the department to send an annual report to the Legislature on the implementation of these provisions, would authorize the department to implement these provisions by various means, including provider bulletins, and, by January 1, 2026, would require the department to promulgate regulations. The bill would require the department to seek federal approvals, including amendments to the state plan, necessary to implement these provisions, and would condition the implementation of these provisions on the department obtaining necessary federal approvals, and to the extent that federal matching funds are obtained. Because counties are required to make Medi-Cal eligibility determinations, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. Last Amended on 6/23/2021</p>
AB 1241 Jones-Sawyer D Rental housing unlawful housing practices: applications: criminal records.	ASSEMBLY PUB. S. 1/4/2022 - Re- referred to Com. on PUB. S. ASSEMBLY JUD. 1/12/2022 - In committee: Set, first hearing. Hearing canceled at the request of author.	<p>The California Fair Employment and Housing Act generally prohibits housing discrimination with respect to the personal characteristics of race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, marital status, national origin, ancestry, familial status, source of income, disability, veteran or military status, or genetic information. This bill would make it an unlawful housing practice for the owner of a rental housing accommodation to inquire about, or require an applicant for a rental housing accommodation to disclose, a criminal record during the initial application assessment phase, as defined, unless otherwise required by state or federal law. Last Amended on 1/3/2022</p>

AB 1599 Kiley, Gallagher, & Patterson Proposition 47: Repeal	Introduced in the Assembly 2022	<p>The Safe Neighborhoods and Schools Act, enacted as an initiative statute by Proposition 47, as approved by the electors at the November 4, 2014, statewide general election, made various changes relating to theft and the possession of controlled substances, including by, among other things, generally reducing the penalty for those crimes, including reducing the penalty for possession of concentrated cannabis, establishing a procedure by which individuals convicted of those crimes prior to the passage of the act may petition for resentencing under the act, and creating the crime of shoplifting. The act also requires the Director of Finance to calculate the savings accruing to the state as a result of the implementation of the act and requires the Controller to transfer that sum from the General Fund to the Safe Neighborhoods and Schools Fund, which was created by the act. The act specifies the manner of distribution of those funds and the purposes for which they may be used. This bill would repeal the changes and additions made by Proposition 47, except those related to reducing the penalty for possession of concentrated cannabis. This bill would provide that it would become effective only upon approval of the voters, and would provide for the submission of this measure to the voters for approval at the next statewide general election. Vote: majority Appropriation: no Fiscal Committee: yes Local Program: no</p>
AB 1662 Gipson Licensing boards: disqualificatio n from licensure: criminal conviction	Introduced in the Assembly 1/18/2022	<p>Existing law provides for the licensure and regulation of various professions and vocations by boards within the Department of Consumer Affairs. Existing law authorizes a board to deny, suspend, or revoke a license on the grounds that the applicant or licensee has been subject to formal discipline, as specified, or convicted of a crime substantially related to the qualifications, functions, or duties of the business or profession for which the application is made, as specified. This bill would authorize a prospective applicant that has been convicted of a crime to submit to a board a request for a preapplication determination that includes information provided by the prospective applicant regarding their criminal conviction. The bill would require a board that receives that request to determine if the prospective applicant would be disqualified from licensure by the board based on the information submitted with the request, and deliver that determination to the prospective applicant. Vote: majority Appropriation: no Fiscal Committee: yes Local Program: no</p>

<p>AB 328 Bryan D Reentry Housing and Workforce Development Program.</p>	<p>ASSEMBLY APPR. 1/13/2022 - From committee chair, with author's amendments: Amend, and re-refer to Com. on APPR. Read second time and amended.</p>	<p>Existing law establishes the Department of Housing and Community Development in the Business, Consumer Services, and Housing Agency and makes the department responsible for administering various housing programs throughout the state, including, among others, the Multifamily Housing Program, the Housing for a Healthy California Program, and the California Emergency Solutions Grants Program. This bill would establish the Reentry Housing and Workforce Development Program. The bill would require the department, on or before July 1, 2022, to take specified actions to, upon appropriation by the Legislature, provide grants to applicants, as defined, for innovative or evidence-based housing, housing-based services, and employment interventions to allow people with recent histories of incarceration to exit homelessness and remain stably housed. The bill would require the department to establish a process, in collaboration with the Department of Corrections and Rehabilitation and with counties in which recipients are operating, for referral of participants, in accordance with certain guidelines and procedures. This bill contains other related provisions. Last Amended on 1/13/2022</p>
<p>AB 329 Bonta Bail</p>	<p>ASSEMBLY 2 YEAR 5/25/2021 - Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. on 3/24/2021)(May be acted upon Jan 2022)</p>	<p>Existing law provides for the procedure of approving and accepting bail, and issuing an order for the appearance and release of an arrested person. Existing law authorizes specified sheriff, police, and court employees to approve and accept bail in the amount fixed by the warrant of arrest, schedule of bail, or order admitting to bail. Existing law requires the superior court judges in each county to prepare, adopt, and annually revise a uniform countywide schedule of bail, as specified. This bill would require bail to be set at \$0 for all offenses except, among others, serious or violent felonies, violations of specified protective orders, battery against a spouse, sex offenses, and driving under the influence. The bill would require the Judicial Council to prepare, adopt, and annually revise a bail schedule for the exempt offenses. The bill would state the intent of the Legislature to enact further changes to current law to ensure that a defendant is not detained pending trial simply due to an inability to pay for the amount of bail in the statewide schedule. The bill would prohibit costs relating to conditions of release on bail from being imposed on persons released on bail or on their own recognizance. The bill would require the sheriff, police, and court employees above to approve and accept bail in the amount fixed by the bail schedule. This bill contains other related provisions.</p>

<p>AB 717 Stone D</p> <p>Prisoners: identification cards.</p>	<p>SENATE 2 YEAR 8/27/2021 - Failed Deadline pursuant to Rule 61(a)(12). (Last location was APPR. on 7/6/2021)(May be acted upon Jan 2022)</p>	<p>Existing law requires the Department of Corrections and Rehabilitation and the Department of Motor Vehicles to ensure that all eligible inmates released from state prison have valid identification cards. Existing law also establishes requirements for the Department of Corrections and Rehabilitation for persons in state prison who are exonerated, including transitional services and financial support, as specified. Existing law establishes an \$8 fee for a replacement identification card issued to an eligible inmate upon release from a state or federal correctional facility or a county jail, as specified. This bill would require the Department of Corrections and Rehabilitation to make all reasonable efforts to ensure that all inmates released from state prison are released with a valid California identification card or a duplicate or renewal driver's license, unless an inmate willfully chooses to not obtain a California identification card or driver's license. The bill would require the Department of Corrections and Rehabilitation, where a valid California identification card or driver's license is not obtained before release, to provide the inmate with a photo prison identification card. The bill would require, among other things, that the California Department of Corrections and Rehabilitation obtain Department of Motor Vehicles-approved cameras, determine the documentation inmates require for California identification cards and driver's licenses and provide inmates with the opportunity and means to obtain those documents, provide inmates with the opportunity and means to work with the Department of Motor Vehicles to obtain a California identification card or driver's license, and to make licensing examinations available to inmates. The bill would require the Department of Corrections and Rehabilitation to prepare an annual report for the Legislature regarding this program that includes information about the number of inmates assisted, the number of facilities providing services, and impediments to program implementation. This bill would extend the \$8 fee to an original or duplicate identification card as well as to an original, duplicate, or renewal driver's license issued to an inmate upon release, as specified. This bill contains other related provisions. Last Amended on 6/24/2021</p>
<p>AB 741 Bennett D</p> <p>Jails: discharge plan.</p>	<p>ASSEMBLY PUB. S. 1/4/2022 - Re- referred to Com. on PUB. S.</p>	<p>The California Community Corrections Performance Incentives Act of 2009 authorizes each county to establish a Community Corrections Performance Incentives Fund, and authorizes the state to annually allocate moneys into the State Community Corrections Performance Incentives Fund to be used for specified purposes relating to improving local probation supervision practices and capacities. Current law establishes a local Community Corrections Partnership (CCP) in each county and requires the CCP to recommend a local plan to the county board of supervisors for the implementation of the 2011 public safety realignment. This bill would require each local CCP to recommend a local plan to the county board of supervisors for the implementation of discharge plans for individuals with mental illness, as specified. Last Amended on 1/3/2022</p>

<p>AB 960 Ting Medical Parole</p>	<p>2 year bill</p>	<p>Existing law requires that a prisoner who is found to be permanently medically incapacitated, as specified, be granted medical parole if the Board of Parole Hearings determines that the conditions under which the prisoner would be released would not reasonably pose a threat to public safety. Existing law authorizes a prisoner on medical parole to be returned to the custody of the Department of Corrections and Rehabilitation upon a finding that the prisoner no longer meets the criteria for medical parole. Existing law, the Victim’s Bill of Rights Act of 2008 (Marsy’s Law), added by Proposition 9 at the November 4, 2008, statewide general election, establishes the Board of Parole Hearings as the state’s parole authority and requires the board to be responsible for protecting victims’ rights in the parole process. The act allows these duties to be assumed by a successor in interest. This bill would create a medical parole panel, comprised of a department psychologist, a primary care provider, and a representative from California Correctional Health Care Services, at each institution to act as the state’s parole authority for the purpose of medical parole decisions. The bill would require the panel to protect victims’ rights in the medical parole process. The bill would expand the qualifying criteria for medical parole and establish a new medical parole consideration process, as specified. The bill would remove the department’s authority to return an individual to custody upon a finding that the individual no longer meets the criteria for medical parole. The bill would also require the department to make a publicly accessible information page on its internet website regarding the medical parole process. Vote: majority Appropriation: no Fiscal Committee: yes Local Program: no</p>
<p>SB 262 Hertzberg D Bail</p>	<p>ASSEMBLY 2 YEAR 9/10/2021 - Failed Deadline pursuant to Rule 61(a)(15). (Last location was INACTIVE FILE on 9/9/2021)(May be acted upon Jan 2022)</p>	<p>Existing law provides for the procedure of approving and accepting bail, and issuing an order for the appearance and release of an arrested person. Existing law requires the superior court judges in each county to prepare, adopt, and annually revise a uniform countywide schedule of bail, as specified, and requires the superior court judges, when adopting that schedule, to consider the seriousness of the offense charged and assign an additional amount of required bail for each aggravating or enhancing factor chargeable in the complaint, as specified. This bill would instead require the Judicial Council to, starting January 1, 2023, prepare, adopt, and annually revise a statewide bail schedule. The bill would require the Judicial Council, when adopting that schedule, to consider the seriousness of the offense charged and input from stakeholders, experts, and other interested parties. The bill would require the court, prior to setting bail, to consider whether nonfinancial conditions will reasonably protect the public and the victim and reasonably assure the arrestee’s presence at trial. The bill would, if the court concludes that money bail is necessary, require the court to conduct an inquiry into the arrestee’s ability to pay, as specified. The bill would prohibit costs relating to conditions of release on bail from being imposed on persons released on bail or on their own recognizance. This bill contains other related provisions. Last Amended on 9/2/2021</p>
<p>SB 731 Durazo D Criminal Records Relief</p>	<p>Asm Motion to Reconsider 1-24-2022 – file date</p>	<p>Existing law authorizes a defendant who was sentenced to a county jail for the commission of a felony and who has met specified criteria to petition to withdraw their plea of guilty or nolo contendere and enter a plea of not guilty after the completion of their sentence, as specified. Existing law requires the court to dismiss the accusations or information against the defendant and release them from all penalties and disabilities resulting from the offense, except as specified. This bill would make this relief available to a defendant who has been convicted of any felony.</p>
