Unity Group Statement on the Conviction of Derek Chauvin

While the Unity Group believes that the jury hearing the trial of police officer Derek Chauvin did the right thing in convicting him of all three counts, the conviction serves only as a reminder of the blatant racism that exists in America and the seemingly unrestrained brutalizing of minority people that far too many police officers in our country have engaged in far too often. We are only...

Honoring Mattie Scott - Recipient of the 2021 Brady Organization Action Award

We are very proud to report that unity group member, **Mattie Scott of San Francisco, was one of several well-known Americans who were honored by the Brady Organization on April 29 as a recipient of their 2021 Action Award.**

In recognizing Mattie Scott's contribution to gun violence prevention, Brady lavished praise on her courage, bravery, resilience, and enormous strength in being such a strong advocate for gun safety and so supportive of victims of gun violence. They also mentioned Mattie Scott's strong bonds with Speaker of the House Nancy Pelosi and Vice President Kamala Harris and how Mattie has worked to gain their support for gun violence prevention.

Civic Engagement Defined

-  Seek to influence
-  Try to persuade
-  Bring pressure to bear
-  Consistent and persistent

Our Civic Engagement Committee would like to share a training held by the [Center for Common Ground](#). View the training recording [here](#). View the presentation slides [here](#).

This is what "civic engagement" looks like. The advice in this Powerpoint, created by Andrea Miller of the Center for Common Ground who was a professional Congressional lobbyist, could apply to a petition, a call or write-in campaign, or to an in-person, or virtual, office meeting. **Civic engagement is an exciting opportunity to reach out to those who make policy decisions that directly relate to racial justice.**

Discussion with Linda Connelly:

Recommendations for the Re-Entry Process

At the latest meeting on April 27, our guest speaker, Linda Connelly, an expert in the reentry process, advocated for some improvements in the reentry process. Linda said Governor Newsom is seeking to improve reentry so that far fewer people discharged from prison return to prison (currently well over 50% within 3 years). Among Linda's recommendations were:

- Need to **address root causes of crime**, including more community programs for substance abuse.
- **Make reentry a priority.** Start the reentry process a year early. NC does this.
- **Education.** Goal would be to get all incarcerated people a HS diploma, vocational training where possible, and expand college courses with online learning available in every prison.
- Create **smooth transitions** from...

No Amount of Training Can Prevent Police Brutality

Written by [Akerah Mackey-Watkins](#) and [Marvin Slaughter](#)

#Thirteen

"The killing of 13-year-old Adam Toledo by officers of the Chicago Police Department (CPD) has led to renewed calls for improved police training. **But no amount of training can fix the institution of policing; we need an entirely new system and organization to build on.**

The CPD [Education and Training Division](#) already provides over 900 hours of basic training to all recruits. They claim to provide “progressive and comprehensive training to develop policing skills, enhance leadership abilities, and promote a solid ethical foundation to all CPD recruits” so they can maintain their stature among “the nation’s premier law enforcement organizations.”

Office of Racial Equity

A division of the Human Rights Commission

Racial equity is a set of social justice practices, rooted in a solid understanding and analysis of historical and present-day oppression, aiming towards a goal of fairness for all. As an outcome, achieving racial equity would mean living in a world where race is no longer a factor in the distribution of opportunity. As a process, we apply racial equity when those most impacted by the structural racial inequities are meaningfully involved in the creation and implementation of the institutional policies and practices that impact their lives.

- adapted from Anti-Oppression Resource and Training Alliance (AORTA)

ORE Legislative Mandates

1. The **creation of an Office of Racial Equity** and staff to oversee the following:
2. Development of **Citywide Racial Equity Framework and related policy priorities**—a frame and specific recommendations made to the Mayor and Board of Supervisors about changes to the city’s laws, programs, policies, budget and focus areas to address and repair racial disparities; and
3. **Racial Equity Action Plans** for city departments, with recommendations for budget reductions should benchmarks not be met; and
4. The formation of **Racial Equity Leaders** and Core Teams per city department/agency, which are committed to coordinating and designing equitable systems change with respective city departments, and;
5. **Capacity-building and technical assistance** to city departments to advance racial equity strategies; and
6. A **Racial Equity Policy Analysis Tool** for Legislation at the Board of Supervisors to illuminate the impact of policy on communities of color-- before a public vote on policy; and
7. A **Budget Equity Tool** to assess how the City budget decisions and priorities benefit and/or burden communities, specifically communities of color; and
8. The formation of **Racial Reconciliation processes** to publicly address the specific needs of a racial group and its community and culture to 1) repair historical harm done by structural racism and

government-sanctioned actions and 2) inform the process of government service delivery.

9. An **annual release of data about the City's workforce by race** including but not limited to compensation, hires, promotions, disciplinary actions, complaints made (and whether they were investigated); and
10. **Reporting on data regarding City's contracting by race**; and
11. A **biennial report card or 'Racial Equity Index' on how San Francisco as a whole is faring** (cross-sector) with regards to indicators by race, including housing, income/wealth, transit, health, environment, policing/criminal justice and other factors; and
12. **Evaluation** of ORE in five years to determine whether staffing and structures are sufficient to most effectively achieve its mission and objectives.

Office of Racial Equity Director: Shakirah Simley

Our Vision and Values

OFFICE *of* **RACIAL EQUITY**

A DIVISION OF THE SAN FRANCISCO HUMAN RIGHTS COMMISSION

Shakirah M. Simley, Director

VISION

The North Star

Transforming systems to support the collective liberation of Black, Indigenous, and People of Color in San Francisco.

The Pathway

The Office of Racial Equity (ORE) will:

- **Demand and hold San Francisco institutions accountable** to dismantle racism.
- **Ensure that the City becomes a place that feels like home for everyone**, from the newly arrived to legacy Black, Indigenous, People of Color (BIPOC) families in San Francisco.
- **Ensure the City respects and trusts** community agency, wisdom, and expertise.
- **Convene and coalition-build** to support the movement for racial equity.
- **Prioritize our communities of color** so they are safe, nourished, housed, joyful, and economically secure so that they may unlock all of their potential.
- **Reconcile historic wounds to repair** government-sanctioned racial harm.
- **Daylight racial disparities and monitor progress** towards collective liberation.
- **Advocate for successful policies** that provide tangible and immediate gains for historically oppressed people.
- **We nurture and help make communities whole.**

COMMUNITY LISTENING

The Spirit

These are messages and feedback we've received from community members and leaders from multiple places, including: Office of Racial Equity legislative committee hearings, SF Board of Supervisors' hearings addressing workplace discrimination for Black city workers, comments from SF Human Rights Commission meetings and various neighborhood and community-based meetings.

Black lives matter.
Black homes matter.

We need to **acknowledge** the indigenous people of this land —we are still here.

*I don't want to feel **invisible** in the city that is my home.*

I shouldn't be afraid to go to the doctor because of how they treat me.

One job should be enough.

I want to be treated with dignity and respect.

I want to be valued at work.

I just want people to leave me alone, let me **do my thing** like everyone else.

I want to move and live freely.

GUIDING PRINCIPLES

The Looking Glass

TO RESTORE THE SOUL OF THE CITY:

- We act with integrity and center humanity.
- We shift power paradigms whenever necessary.
- We dig for root causes and look upstream for solutions.
- We ground-truth from people closest to the problem and pain.
- We lead with solid, thoughtful, quality data, and analysis.
- We are nimble, adaptive, and proactive.
- We drive individual and institutional self-examination for continuous improvement.

PILLARS

The Focus Areas

ASPIRATION

The Future

What are the outcomes we envision for the Office of Racial Equity? How would we describe the City after the ordinance has been fully implemented in the future?

- **San Francisco is a City where Black, indigenous and communities of color**, whether they're newly arrived or multi-generational natives, feel like this is their home and can thrive for future generations.
- **We've closed racial disparities** that have most critically impacted/caused the most harm to our Black and indigenous communities.
- **We can name and root out anti-Blackness.**

- **We have a standard, recognized, prioritized and deeply felt definition of racial equity** within San Francisco (both within the City and community) — why it’s important, and the individual and collective responsibilities necessary to advance towards racial equity.
- **We have institutionalized a racial equity lens** within the functions, policy-making, budget-decisions, capital and strategic planning, service delivery of City and County of San Francisco. We have led with community to institutionalize and affirm this lens.
- **We have successfully created, distributed, and seen full adoption of the spirit, actions and the content of the ORE mandate.** When possible, these tools and products are visually represented physically and digitally, accessible to community and multilingual.

- **The ORE has pushed for structural changes within the City Budget** process leading towards more financial resources, capacity and support going towards racial equity work and communities of color and historically under-served communities.
- **The ORE has pushed for meaningful policies and legislation** that has provided tangible and immediate gains for racial equity and historically oppressed peoples. These policies are successfully enacted locally and serve as a model for state and federal change.
