23	Bobby Jones-Hanley	SB 81	Sentence Enhancement Dismissals		Skinner	Judges currently have authority to dismiss sentence enhancements “in furtherance of justice,” but that standard has never been defined or clarified by the Legislature or courts and can be applied inconsistently. SB 81 with exceptions, will require a court to dismiss an enhancement in specified circumstances unless overcome by clear and convincing evidence that dismissal of the enhancement would endanger public safety.
24	Bobby Jones-Hanley	SB 82	Petty Theft Reform		Skinner	SB 82 reforms California’s 150-year-old statute to ensure that petty theft is no longer treated like armed robbery by doing the following: <ul style="list-style-type: none"> • Creates a new category of “petty theft in the first degree” for thefts under \$950 that may involve force or fear but did not cause serious injury or the use of a deadly weapon. This new category includes a higher penalty than simple petty theft and is punishable by up to one year of jail time and/or \$1,000 fine. • Categorizes petty theft that does not involve any force or fear as “petty theft in the second degree” which remains punishable by jail time for up to six months and/or \$1,000 fine. • Prohibits either category of petty theft from being charged as robbery or burglary. • Applies this change retroactively allowing individuals convicted of robbery to apply for resentencing if they meet the criteria.
25	Linda Connelly	SB 106	Mental Health Services Act: Homeless		Umberg	update MHSA to focus more on people with mental illness who are also homeless, in criminal justice system, and as early intervention for youth Existing law, the Mental Health Services Act (MHSA), an initiative measure enacted by the voters as Proposition 63 at the November 2, 2004, statewide general election, establishes the continuously appropriated Mental Health Services Fund to fund various county mental health programs and requires counties to spend those funds as specified. Existing law authorizes counties to spend 5% of MHSA money on innovative programs, upon approval of the Mental Health Services Oversight and Accountability Commission. This bill would amend the MHSA by authorizing counties to expend funds for their innovative programs without approval by the commission if the program is establishing or expanding a program implementing the full-service partnership model, as defined. This bill would state the finding and declaration of the Legislature that this change is consistent with, and furthers the intent of, the MHSA. This bill contains other existing laws.
