Re: San Francisco Department of Police Accountability April 2022 Monthly Statistical Report

Dear Vice President Cindy Elias and San Francisco Police Commissioners:

Summary of Complaints Received in April 2022

The Department of Police Accountability received **64** cases in April **2022**, compared with **66** cases in the same period last year. The **April 2022** case total is **8%** higher than the five-year average and **3%** lower than the previous year.

From January through April, the DPA received a total of **223** new cases, compared with the **266** cases filed during the same period in 2021. The April year to date case total represents a **16%** decrease in new complaints over last year.

Most complaints were received over the phone and online.

Please find the attached table, which summarizes cases received in **April 2022**. The table is prepared in compliance with San Francisco City Charter section 4.136 and Police Commission Resolution number 97-04, which require the Department of Police Accountability (DPA) to provide the Police Commission with a monthly summary of cases received, including the number and type of complaints filed.

Sincerely,

Paul Henderson
Executive Director
