AGENDA

I. ROLL CALL

II. FINDINGS TO ALLOW TELECONFERENCE MEETINGS UNDER CALIFORNIA GOVERNMENT CODE SECTION 54953(e) (Action Item).

Discussion and possible adoption of a resolution setting forth findings required under Assembly Bill 361 (AB 361) that would allow the State Legislation Committee to hold meetings, or for members of the State Legislation Committee to attend meetings, when necessary, remotely according to the modified Brown Act teleconferencing set forth in AB 361.

III. APPROVAL OF MEETING MINUTES (Action Item). Discussion and possible action to approve the minutes from the meeting on May 18, 2022 and June 15, 2022.

IV. STATE LOBBYIST OVERVIEW AND UPDATE (Discussion Item). The City's state lobbyist will present to the Committee an update on State legislative matters.

V. PROPOSED LEGISLATION (Discussion and Action). Discussion and possible action item: the Committee with review and discuss state legislation affecting the City and County of San Francisco. Items are listed by Department, then by bill number.

New Business

San Francisco Municipal Transportation Agency and San Francisco Planning Department

Presenter: Kathryn Angotti & Aaron Starr

SB 932 (Portantino): General plans: circulation element: bicycle and pedestrian plans and traffic calming plans

Recommended Position: Oppose

This bill requires that the next update of the Transportation Element of the General Plan include bicycle plans, pedestrian plans and traffic calming plans. Failure to implement these plans within two years would create a cause of action for bicyclists, pedestrians and users of micromobility devices injured as a result of a collision with a vehicle within corridors with large pedestrian and bicycle volumes.

San Francisco Film Commission

Presenter: Manijeh Fata

SB 485 (Portantino): Tax Credit: Motion Picture Credit Extension

Recommended Position: Support If Amended

SB 485 would extend the California Film and Tax Credit Program 3.0 to 2030. We recommend supporting the bill if it is amended to include a 10% credit for filming in one of the nine Bay Area Counties (Alameda, Contra Costa, Marin, Napa, San Mateo, Santa Clara, Solano, Sonoma, and San Francisco).

San Francisco Public Utilities Commission

Presenter: Scott Ammon

SB 717 (Dodd): Broadband communications: report

Recommended Position: Oppose Unless Amended

This bill would require the California Department of Technology to do a report to the Legislature that reviews and identifies barriers to and opportunities for the buildout of broadband access points on public and private property as well

as access to mobile and fixed broadband infrastructure for low-income tribal, urban, and rural customers, and underserved communities.

Office of Small Business

Presenter: Kerry Birnbach

AB 2164 (Lee): Disability access: certified access specialist program

Recommended Position: Support

Current law requires that a City or a County include an additional four-dollar fee to any business license, instrument, permit, or building permit to support disability access education and improvements. Ten percent of that fee goes to the Division of the State Architect’s (DSA) Disability Access and Education Revolving Fund, to be used to support accessibility improvements in places of public accommodation. Local jurisdictions receive the other 90% of the fee. On January 1 2024, local jurisdictions will receive 70% of the fee, and the fee will decrease to one dollar. This bill would remove the sunset date of the four-dollar fee, and remove the sunset of the 90% fee allocation going to local jurisdictions, making the business license/permit fee of \$4 permanent, and the 90% allocation to local jurisdictions permanent. AB 2164 would also require cities or counties to annually report total fees collected, total number of small businesses who received financial assistance and the amount of financial assistance provided to the California Commission on Disability Access (CCDA).

Department of Environment

Presenter: Kyle Wehner

AB 2026 (Friedman): Recycling: plastic packaging

Recommended Position: Support

This bill would require online (e-commerce) retailers that ship purchased products in or into California to reduce from 2023 levels the total weight and number of units of single-use plastic shipping envelopes, cushioning, and void fill used to ship or transport products by an unspecified percentage set by CalRecycle by 2030. The bill would establish exemptions from these requirements.

Department on the Status of Women

Presenter: Daisy Prado

AB 1242 (Bauer-Kahan): Reproductive Rights

Recommended Position: Support

The purpose of AB 1242 is to prohibit third-party enforcement from arresting a person for performing or aiding in the performance of a lawful abortion or for obtaining an abortion and to prohibit law enforcement agencies from cooperating with or providing information to an individual or agency from another state regarding a lawful abortion.

AB 2091 (Bonta): Disclosure of information: reproductive health and foreign penal civil actions

Recommended Position: Support

AB 2091 enhances privacy protections in California for medical records related to abortion and pregnancy.

AB 2223 (Wicks): Reproductive Health

Recommended Position: Support

AB 2223 protects people from prosecutions and criminalization of abortion or pregnancy loss. It also protects patients that self-manage their abortion.

SB 1142 (Caballero): Abortion Services

Recommended Position: Support

Senate Bill 1142 would fund the work of abortion fund organizations, abortion providers, or other community-based organizations that secure practical support needs for patients. The bill would also require California Health and Human Services Agency (CHHS) to develop, implement, and update as necessary, a statewide educational and outreach campaign to inform the public on how to access abortion services in the state.

SB 1245 (Kamlager): LA County Abortion Access Safe Haven Pilot Program

Recommended Position: Support

SB 1245 establishes the Los Angeles County Abortion Access Safe Haven Pilot Program for the purpose of expanding and improving access to sexual and reproductive health care, including abortion, in Los Angeles County.

San Francisco Board of Supervisor Rafael Mandelman (District 8)

Presenter: Jacob Bintliff

AB 916 (Salas): Zoning: accessory dwelling units: bedroom addition

Recommended Position: Support If Amended

The bill is ostensibly intended to ease production of ADUs by increasing the height limits on ADUs provided under the existing State program. The bill additionally waives local hearing requirements for projects that add bedrooms to an existing dwelling unit.
