# **Rule 107**

## **Rules Related to the Employee Relations Ordinance**

### **Article I: Authority**

Applicability: Unless otherwise noted, Rule 107 shall apply to employees in all classes; except the Uniformed Ranks of the Police and Fire Departments and MTA Service-Critical classes.

#### **Sec. 107.1     Authority**

- 107.1.1** Pursuant to the Meyers-Milias-Brown Act, Government Code Section 3500, et seq. (MMBA) and the San Francisco Charter, the City and County of San Francisco has enacted an Employer-Employee Relations Ordinance (Ordinance), Administrative Code, Chapter 16, Article XI.A. The Ordinance is intended to facilitate the administration of employer-employee relations under MMBA and the Charter. It establishes the right of employees to join employee organizations of their own choice through representation proceedings and the duty of both the employee organization and the City and County to meet and confer in good faith on matters within the scope of representation.
- 107.1.2** The State of California has enacted amendments to MMBA which place local agencies, including the City and County of San Francisco, under the jurisdiction of the California Public Employment Relations Board (PERB). MMBA delegates jurisdiction to PERB to resolve disputes and enforce the statutory rights and duties of local public agency employers and certain employees as set forth in MMBA and the rules and regulations adopted by local agencies pursuant to MMBA. With regard to representational issues, MMBA permits a local agency to establish its own Rules and share concurrent jurisdiction with PERB.
- 107.1.3** The Civil Service Commission, by virtue of the authority vested in it by the San Francisco Charter and the Ordinance, hereby issues the following rules governing representation proceedings. In recognition of PERB's superseding authority to investigate and adjudicate unfair labor practice charges, except for peace officers and management employees; the Civil Service Commission defers to PERB's rules and regulations for the filing and processing of such charges.
- 107.1.4** These Rules are intended to comport with the Charter and the Ordinance and should be interpreted and applied to harmonize with such laws,

**Sec. 107.1**     **Authority (cont.)****107.1.4**     **(cont.)**

reserving the broadest legal measure of authority to the Civil Service Commission. These rules are not to be in conflict with MMBA. The Civil Service Commission shall take such action as it may deem necessary to effectuate the policies of the Ordinance.

**107.1.5**     Disputes over representation proceedings not expressly provided herein shall be resolved by the Civil Service Commission or designated Election Agent in a manner consistent with MMBA.

**107.1.6**     In the event that PERB or a court of competent jurisdiction determines that some provision of these Rules is inconsistent with applicable and binding law, then that provision shall be severed and all remaining portions of these Rules shall continue in full force and effect. The Commission reserves its right to amend these Rules or interpretations of the law that impact these Rules, or otherwise to effectuate the purposes of the Ordinance.

## **Rule 107**

### **Rules Related to the Employee Relations Ordinance**

#### **Article II: Employee Representation Proceedings**

Applicability: Unless otherwise noted, Rule 107 shall apply to employees in all classes; except the Uniformed Ranks of the Police and Fire Departments and MTA Service-Critical classes.

In accordance with Section 16.211 of the Ordinance and these Rules, a registered employee organization may file with the Civil Service Commission a Request for Recognition accompanied by appropriate verification or proof of employees' support as provided in Section 107.5 of this Rule. (SF Administrative Code Section 16.211) Thereafter, in accordance with Section 16.211 of the Ordinance, another employee organization may file a Challenging Petition accompanied by appropriate verification or proof of employees' support. Requests for Recognition and Challenging Petitions shall be in writing on the form prescribed by the Civil Service Commission, and an original and four (4) copies shall be filed with the Civil Service Commission. - 107.5.2** Any proof of support must be validly obtained within six (6) months immediately prior to the date of the petition filed and shall remain valid and may be used as proof of support to qualify for appearance on the ballot in an election, provided the employee's job classification is included in the unit in which the election is to be conducted and the employee's name appears on the last payroll prior to submission of the petition.

- 107.5.4** Upon receipt of a petition accompanied by employees' support, the Civil Service Commission or its designated Election Agent will schedule a conference involving all parties of interest, including the affected employee organizations and the Department of Human Resources.

Such list shall be furnished no more than twenty (20) calendar days following the filing of the petition.

**Sec. 107.5**      **Proof and Verification of Employee's Support (cont.)**

- 107.5.7** Consistent with Govt. Code §3507.1(c) if there is no existing exclusive representative, and if it is verified that more than 50% of the eligible employees have submitted proof of support of the petitioned action, then the Civil Service Commission shall certify that all conditions for representation have been satisfied; unless another labor organization has previously been recognized as exclusive or majority representative of all or part of the same unit.
- 107.5.8** If there is an existing exclusive representative and there is verification that at least 30% of the eligible employees support the petitioned action, the Civil Service Commission or designee will proceed to conduct an election.
- 107.5.9** If verification of 30% employee support cannot be demonstrated, the Civil Service Commission will so inform all parties of interest and will take no further action.
- 107.5.10** Determination whether such verification or proof is satisfactory shall be made administratively by the Civil Service Commission or designated Election Agent in a manner consistent with MMBA, the Ordinance and these Rules and shall not be subject to challenge at any stage of the proceedings.

**Sec. 107.6**      **Designation of Election Agent**

- 107.6.1** The Civil Service Commission may designate an Election Agent from the California Department of Industrial Relations, State Mediation and Conciliation Service (SMCS), or successor agency to conduct an election pursuant to the provisions of the MMBA, the Ordinance and these Rules.

**Sec. 107.7**      **Pre-Election Conference**

**107.7.1**      Prior to each election, the Civil Service Commission and/or the Election Agent shall arrange for at least one pre-election conference. The parties shall be notified at least five (5) calendar days in advance of this conference. Parties shall be defined as the City and County of San Francisco as represented by the Human Resources Director or designee and representatives from the employee organization(s). Subject to the approval of the Civil Service Commission and/or the Election Agent, the eligible voters, the date(s), time(s), and location(s) of said election shall be determined at the conference.

**107.7.2**      At this time, and for good cause, the parties shall have the opportunity, subject to the approval of the Civil Service Commission or the Election Agent, to prescribe additional rules and procedures for conducting said election. These additional rules and procedures shall be binding and effective for said election as if made a part of the Civil Service Commission Election Rules. Subsequent to the Pre-Election Conference, the parties shall sign an election agreement before any further action may be taken with regard to said election.

**Sec. 107.8**      **Elections**

Employees entitled to vote in any election shall be those employees within a representation unit, as set forth in the Ordinance, including those employees who did not work during such period because of illness, vacation or authorized leaves of absence. The employees so entitled shall be those employees whose names appear on the last payroll which shall bear a date no less than thirty (30) calendar days prior to the date on which the election is to be held or such other date within the discretion of the Civil Service Commission as may be practicable under the circumstances.

Any employee organization(s) qualified to be included on the ballot shall be afforded an opportunity to examine said list at the office of the Civil Service Commission, and to file any protest as to any inaccuracies in said list at that time. The Civil Service Commission will endeavor to seek agreement upon a list of eligible voters by and between the Human

Resources Director or Designee and the organizations qualified to be included on the ballot. If such agreement is not reached, the Civil Service Commission shall make the determination of eligible voters and shall immediately notify all affected parties of its determination. This list shall then become the official list of eligible voters.

**Sec. 107.11**    **Ballot Content**

Pursuant to the Ordinance, every ballot in an election shall contain a choice of "no organization" in addition to the names of the employee organization(s) which the Civil Service Commission or Election Agent has directed to be placed on the ballot. The Civil Service Commission or Election Agent shall determine by lot the order in which the names of the employee organizations will appear on the ballot. The ballot shall be in the form prescribed by the Civil Service Commission.

**Sec. 107.12**    **Amendment of Ballot**

**107.12.1** Any employee organization(s) may request that its name be removed from the ballot or as it is to appear on the ballot, be amended or modified. Such request shall be filed with the Civil Service Commission or designated Election Agent in writing no less than fourteen (14) calendar days before the date of election. Upon such request the Civil Service Commission shall change the ballot accordingly.

**107.12.2** Where a proceeding involves a Decertification Petition, the certified organization may not have its name removed from the ballot unless it gives notice in writing no less than twenty (20) calendar days before the date scheduled for the election. Such notice shall constitute a disclaimer of interest on the part of the certified representative to represent the employees of the unit in question.

**107.12.3** Upon such request the Civil Service Commission shall change the ballot accordingly.

**Sec. 107.13**    **Mail Ballot**

The Civil Service Commission may order an election, in whole or in part, by mail ballot, as the Civil Service Commission, in its discretion, may deem to be desirable. If an election by mail ballot is ordered, in whole or in part, or if the Civil Service Commission determines that absentee ballots shall be used, the Civil Service Commission will establish rules and procedures at the pre-election conference.

**Sec. 107.14 Election Notice**

Upon determining that an election is to be held pursuant to the Ordinance, the Civil Service Commission or designated Election Agent will cause to be prepared a Notice of Election specifying the type of election (mail ballot or on-site); the unit in which the election is to be conducted; rules concerning eligibility to vote; a sample ballot; and such additional information and instructions as the Civil Service Commission may determine to be appropriate. Copies of the Notice of Election will be sent to all employee organizations appearing on the ballot and to the Department of Human Resources.

**Sec. 107.15 Posting of Election Notices**

Appointing officers and/or their designee shall, at the direction of the Civil Service Commission, post the Notice of Election at work locations where notices are normally posted for the benefit of employees in the unit. - 3) persons not then employed by the City and County of San Francisco.

**Sec. 107.17 Challenged Ballots**

**107.17.1** Any party, the Election Agent or authorized observers may challenge the eligibility of a voter for good cause. Any ballot so challenged shall be impounded by the Civil Service Commission or Election Agent. By mutual agreement at the ballot counting, the parties may, with the approval of the Civil Service Commission or the Election Agent, attest to the

validity of the challenged ballots and such ballots may then be counted.

**107.17.2**    Unresolved challenged ballots shall remain impounded by the Civil Service Commission or the Election Agent. The Civil Service Commission or the Election Agent shall determine whether such challenged ballots are of sufficient number to affect the results of the election. If the number of challenged ballots are insufficient to affect the results of the election, the challenged ballots need not be resolved. It shall be the responsibility of the challenging party to set forth, in writing, reasons for such challenge within seven (7) calendar days from the date of the election. Any other party involved in the election shall have the right to set forth, in writing, its reply thereto within seven (7) calendar days thereafter. Subsequently, the Civil Service Commission or the Election Agent shall determine the validity of the challenge or challenges unless disposed of by mutual agreement of the parties with the approval of the Civil Service Commission or the Election Agent. Such disposition shall be made with or without a hearing or investigation as the Civil Service Commission or Election Agent deems appropriate.

**Sec. 107.18**    **Custody and Control of Challenged Ballots**

Ballots which are the subject of dispute as the result of challenges will remain in the custody and control of the Civil Service Commission until such objections have been either determined or resolved.

**Sec. 107.19**    **Report of Election Results**

The Civil Service Commission or the Election Agent shall furnish to the parties an unofficial tally immediately following the election. Election materials concerning the election, including ballots shall be preserved by the Civil Service Commission for ninety (90) calendar days following the date of that election or for such longer period as may be deemed necessary in the discretion of the Civil Service Commission.

**Sec. 107.20**    **Filing of Objections**

Within seven (7) calendar days after the date of the election, any interested party may file with the Civil Service Commission an original and four (4) copies of objections to the election. Such objections shall contain a short statement of the reasons therefor, and the Civil Service Commission shall conduct an investigation to determine whether such objections have sufficient merit to warrant action.

**Sec. 107.21**    **Recognition**

**107.21.1** If no objections are filed within the time limits set forth above, or if the challenged ballots are insufficient in number to affect the results of the election, or if no run-off election is to be held, the Civil Service Commission shall forthwith declare the official results of the election and notify the affected employee organization(s) and the Department of Human Resources of the results and, where appropriate, issue a certificate of recognition pursuant to the Ordinance. The Department of Human Resources shall notify the appropriate appointing officer(s) of the official election results.

**107.21.2** It shall be the responsibility of the exclusive representative organization to notify the Civil Service Commission whenever such organization ceases to represent the employees of the City and County.

The Civil Service Commission may conduct investigations in connection with elections or any matters arising therefrom pursuant to the provisions of the Ordinance.

**Sec. 107.23**    **Unit Designation**

The Human Resources Director shall designate new classes and reclassifications to the proper unit in a manner consistent with MMBA and the Ordinance.
