Dear San Francisco Police Commission/Mayor:

We believe it's wrong to end traffic enforcement and pretext stops for illegal turns, broken headlights/taillights/brake lights, littering, missing license plates, etc. Please hold hearings and collect feedback from citizens throughout the city, including the Westside, Marina, OMI and the Mission.

This unwarranted policy will lead to more traffic accidents, more shootings and more crime.

Am sick and tired of your policies and I am politically liberal.
