

~~TRAFFIC ENFORCEMENT &~~ CURTAILING THE USE OF PRETEXT
STOPS

9.0107.01
PURPOSE

The San Francisco Police Department's traffic enforcement efforts shall focus on ensuring the safety of our sidewalks and roadways. To that end, the goal of this General Order is to curtail the practice of stopping vehicles for low-level traffic offenses as a pretext to investigate hunches that do not amount to reasonable suspicion that a crime occurred. Pretext stops are disproportionately carried out against people of color and return negligible public safety benefits. The fiscal, human, and societal costs they impose on our City are unjustified in light of more effective public safety tools at the Department's disposal.

Reducing the number of stops made for low-level offenses will allow the Department to redirect resources and time to more effective public safety strategies, including prioritizing traffic safety to reduce injuries and fatalities, while also helping to fulfill its obligation to accord every person equal treatment under the law.

9.0107.02
DEFINITIONS

~~The following terms are defined as follows for purposes of this General Order:~~

- A. **Pretext Stop.** A pretext stop occurs when a member conducts a traffic stop as a pretext to investigate whether the person stopped is engaged in criminal activity unrelated to the traffic violation.
- B. **Biased Stop.** A stop in which a member inappropriately considers characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, socio-economic status, age, cultural group, or disability, in deciding whether to initiate a stop. (See DGO 5.17 § II.B).
- C. **Reasonable Suspicion.** A set of specific facts and circumstances that would lead a reasonable ~~officer~~person to believe that a crime has occurred, is occurring, or is about to occur and the person to be stopped is involved in the crime. ~~Reasonable suspicion cannot be based solely on a hunch or instinct.~~ (See DGO 5.03.02(D)).
- D. **Probable Cause.** A set of specific facts that would lead a reasonable ~~officer~~person to objectively believe and strongly suspect that a person committed a crime. (See DGO 5.03.02(G)).
- E. **Investigatory Question.** A question or statement that is intended to elicit, or ~~would be~~is reasonably likely to elicit, information relevant to a criminal

investigation or criminal activity. Whether a question or statement is investigatory will depend on the specific facts and circumstances of each case. *Examples.* Questions such as “where are you coming from?” or “where are you going?” are generally investigatory. Conversely, asking “how is your day going?” or ~~“I noticed your Warriors license plate frame, did you happen to catch the game last night?”~~ ~~are~~ is not investigatory.

F. Criminal Offense. Any misdemeanor or felony.

~~9.0107.03~~ POLICY

- A. **Pretext Stops Limited.** Pretext stops produce little if any public safety benefits, while imposing substantial fiscal and societal costs. They may only be used in a manner that is consistent with this policy.
- B. **Biased Stops Banned.** Biased stops are illegal, unconstitutional, and contrary to the Department’s values. They are banned under all circumstances. (*See* DGO 5.17).
