*A cumulative total of individual Public Records Act Requests received since January 1, 2019. A request may include multiple members and multiple categories outlined under SB 1421 which may result in a large number of documents per individual request.

**Release defined as a production of records and/or a determination letter. Determination letters generally are a response indicating the department has identified records or has no responsive records for one or more categories of disclosure for a specific officer.

***A single PRA may contain requests for multiple categories or multiple officers; therefore, this number is higher than the total number of PRAs.

****Case refers to the number of distinct incidents reviewed within the Department's tracking systems for use of force tracking and administrative investigation tracking.

*****Previous reporting number of 5,819 for 11/30/22 included Firearm Pointing Low Ready, which is a new category that was not filtered out. A filter is now in place to exclude cases with Firearm Pointing Low Ready, which accounts for the lower number of reported cases assessed for 12/30/22.
