Lt. O'Connor,

Just checking in about DPA's records request highlighted below. As a gentle reminder, the production of these records is mandated by City Charter. Please let me know status and when I can expect a response as it has been almost a month since DPA made its request.

Thank you,

Hi Janelle:

On Wed I sent the extension request email and on Friday after the Concurrence meeting I was told by Director McGuire that WDU, Captain Toomer will handle. I was told that all extensions/docs are tracked by them and they will send over a formal extension request to the Commissioner.

I also reminded them the Audit Response Letter from Paul Henderson is separate and that a separate extension request should be sent over for the DGO development. I'm also following up again with Lt. O'Connor this week to see if he needs anything from me.

Hi Dennis,

Thanks for sharing. The 8.10 audit is different from the 8.10 DGO development process. On 12/6/22, the Department (DC Vaswani and Lt. O'Connor) missed a deadline to respond to DPA's Recommendation Grid which has nothing to do with the Audit. On Wednesday 12/14, DC Vaswani forwarded the email from Lt. O'Connor who requested an extension. That email thread needs to get to the Commission office for VP Carter-Oberstone. I don't believe you need to write a letter. You just need to forward that threat to Sgt. Youngblood and ask them to get it to President Elias and VP Carter-Oberstone, copying me.

Feel free to call me with any questions.

Hi Lt O'Connor,

I see you are on this thread already, however WDU sends these types of updates to the DC as well.

Commissioner Carter-Oberstone is overseeing the development of this DGO.

WDU is tracking a 12/6/22 due date to return the attached Rec. Grid to DPA.

Sincerely,
