Re: San Francisco Department of Police Accountability November 2022 Monthly Statistical Report

Dear President Cindy Elias and San Francisco Police Commissioners:

Summary of Complaints Received in November 2022

The Department of Police Accountability received **51** cases in **November 2022**, compared with **46** cases in the same period last year. The **November 2022** case total is **19%** higher than the five-year average and **11%** higher than the previous year.

From January through November, the DPA received a total of **624** new cases, compared with the **704** cases filed during the same period in 2021. The November year to date case total represents a **11%** decrease in new complaints over last year.

Year to Date Monthly Comparison of Cases Received

Most complaints were received over the phone and online.

Please find the attached table, which summarizes cases received in **November 2022**. The table is prepared in compliance with San Francisco City Charter section 4.136 and Police Commission Resolution number 97-04, which require the Department of Police Accountability (DPA) to provide the Police Commission with a monthly summary of cases received, including the number and type of complaints filed.

Sincerely,

Paul Henderson
Executive Director
