239 Clayton St

Up to \$5,960,000 Permanent Financing Request

Evaluation of Request for: Permanent Financing

Loan Committee Date: May 12, 2023

Prepared By: Sophie Rubin, Project Manager

Sources and Amounts of New Funds

Recommended:

Up to \$360,000 AHF Inclusionary Small Sites

Fund

Up to \$4,420,000 Housing Stability Fund

Up to \$1,700,000 2016 GO Bond PASS

(Series 2019A)

Up to \$5,960,000 total

Total Funds Committed Up to \$5,960,000

NOFA/PROGRAM/RFP: Small Sites Program and Preservation and

Seismic Safety Program

Applicant/Sponsor(s) Name: Mission Economic Development Agency

Project Summary:

- Located in District 5, 239 Clayton Street is a three-story, eight unit building that consists of six 1-bedroom units, one 1-bedroom ADU and one studio ADU.
- The Project completed its acquisition and rehabilitation through the San Francisco
 Housing Accelerator Fund, completing a residential rehabilitation of the six existing
 units, a soft story retrofit, and the addition of two accessory dwelling units (ADU).
- The Project experienced construction and permitting delays adding to the cost of ADU construction; however, the addition of two street-level units provides the Project an opportunity to stabilize operation costs through economies of scale, maximizing the site's unit potential, and adding to the City's affordable housing stock.
- The Project will lease two units with direct referrals from MOHCD's Plus Housing Program, providing vital housing for our community members living with HIV/AIDS. The Project has one vacant ADU that will be leased up by the loan closing date.
- The Project is requesting up to \$4,260,000 in soft debt, with up to \$360,000 in AHF Inclusionary Small Sites funds and up to \$4,420,000 in Housing Stability Funds, and up to \$1,700,000 in 2016 GO Bond PASS (Series 2019A) funds.
- MOHCD staff is recommending Loan Committee approval for 239 Clayton Street's
 permanent financing, which will provide eight affordable units in the City's Haight
 Ashbury neighborhood and provide permanent housing for vulnerable populations
 including seniors and those living with HIV/AIDS.

1. SUMMARY/BRIEF PROJECT UPDATE

Mission Economic Development Agency ("MEDA," "MEDA Small Properties, LLC," or the "Sponsor") requests up to \$1,700,000 in Preservation and Seismic Safety ("PASS") Program funding and up to \$4,260,000 in Small Sites Program ("SSP") funding from the Mayor's Office of Housing and Community Development ("MOHCD") for the permanent financing of the property located at 239 Clayton Street in the Haight Ashbury neighborhood of San Francisco (the "Project"). MEDA acquired the Project after being approached by the Without Walls Community Development Corporation ("WOWCDC"), a local nonprofit helping build affordable housing in the Western Addition and Fillmore neighborhoods, to prevent the displacement of existing long-term residents. The close of escrow was December 23, 2019.

Applicant: Project Name and Address:

On December 18, 2019, MOHCD issued a soft commitment letter for the Project, which went through the San Francisco Housing Accelerator Fund ("SFHAF") for its acquisition and rehabilitation. The project required one extension and upsize during the SFHAF period, which required an updated soft commitment letter from MOHCD, issued on December 13, 2022. The SFHAF provided approximately \$5,250,000 in acquisition and rehabilitation financing. The requested loan will pay off the existing SFHAF loan, fund replacement and operating reserves, and pay for additional closing costs. The Sponsor will record an amended Declaration of Restrictions that will permanently restrict the units for low to moderate income households for the life of the Project, surviving expiration of the Loan Term, default, foreclosure, and/or loan repayment.

Background

Built in 1909, 239 Clayton Street was a three-story, six (6) unit building with a soft story in below-average condition at the time of purchase. The rehabilitation scope included the addition of two ADUs, a soft story retrofit, life safety improvements, electrical upgrade, plumbing upgrade, and unit and common area improvements including new balconies, new windows and a new roof. The building now totals 8,513 square feet. For more on the completed rehabilitation scope, please see **Section 6.5**.

In Fall 2019, MEDA was notified that the Project was being sold under COPA. It was fully leased with longtime San Francisco residents, seniors and former educators. The property was sold to a private developer with a track record of Ellis Act evictions. WOWCDC, with the support of the Mayor, approached MEDA to acquire and rehabilitate the property with a loan from SFHAF.

The six existing households have income certified, and the new move-in household has completed the income certification. The newly-leased ADU was filled through a Plus Housing direct referral. Currently the second ADU is unoccupied. MEDA's asset management and leasing team will provide income certification with executed leases once the tenant is approved. The vacant unit will be filled, and executed lease and income certification will be provided as a condition for closing. For closing conditions, see **Section 8.3**.

At Project acquisition, the average household AMI was 68%, and the average rent AMI was 57.6%. Current residents average 50% AMI and the average rent AMI is 67%.

Total Project Costs and Sources

| | Initial Soft Commitment Amount | December 2022 Soft Commitment Amount | May 2023 Funding Request |
|-------------------|--------------------------------------|--|-----------------------------|
| PASS | \$1,895,000 | \$1,800,000 | Up to \$1,700,000 |
| | (\$236,875/unit) | (\$225,000/unit) | (\$212,500/unit) |
| SSP | \$3,180,000 | \$4,200,000 | Up to \$4,260,000 |
| | (\$397,500/unit) | (\$425,000/unit) | (\$532,500/unit) |
| Total Development | \$5,075,000 | \$6,000,000 | Up to \$5,960,000 |
| Cost | (\$634,375/unit) | (\$750,000/unit) | (\$745,000/unit) |

The total development cost ("TDC") of the Project is up to \$5,960,000 (\$745,000/unit). This is higher than the initial project cost estimates in 2019, but slightly lower than commitments provided in the December 2022 soft commitment update. Cost increases resulted primarily from permitting delays for the two ADUs, which extended the timeline and increased SFHAF loan interest. Construction cost increases due to the high inflation rates and product cost escalation in 2022 also contributed. The project is supporting slightly less PASS debt that earlier commitment, which results in an increased SSP subsidy request. However, the project does not exceed the per-unit subsidy under current SSP guidelines. While the addition of the two ADUs increased project cost, they also allow the Project to charge higher rents and stabilize operation costs through economies of scale.

Please see Appendix A for Maximum Allowable SSP Subsidy Per November 2022 Guidelines

2. PRINCIPAL DEVELOPMENT ISSUES

ADU Permit Delays. The Project created two new ADUs as part of the rehabilitation scope. The Project was anticipated to be completed within 24 months of the December 2019 acquisition date, with the existing issued ADU permit revised over-the counter. However, pandemic conditions in 2020 did not allow for in-person review, and DBI's permitting was backlogged and further impacted by staff turnover, resulting in the ADU permits not being approved until June 2022, significantly delaying project completion. This led to two loan extensions with the SFHAF, which included additional hard costs (post-pandemic material prices increases), operating reserves, insurance costs, fees, and interest. In total the delays cost the Project \$529,132. ADU approval delays are common with preservation projects that are adding ADUs to their rehabilitation scope of work. MEDA has two additional properties with the SFHAF that experienced ADU permitting delays and have needed loan extensions as a result. The Small Sites program will use experience gained from these projects to carefully consider projects with an ADU component moving forward.

Applicant:
Project Name and Address:

Vacant Units. The Project currently has one vacant studio unit. MEDA and MOHCD have agreed that the unit will receive two Plus Housing direct referrals to expedite the lease-up process, support the Project's cash flow, and add to the number of affordable units available for direct referrals. Plus Housing is a MOHCD housing program that provides support for low-income people living with HIV. It is federally funded by Housing Opportunities for Persons with AIDS ("HOPWA") and locally by the San Francisco General Fund. The program provides a deep subsidy in which tenants pay 30% of their income towards rent and Plus Housing makes up the difference between the market rate rental amount and the tenant's contribution. Plus Housing direct referrals will be used at 239 Clayton Street upon initial occupancy and will be an ongoing referral source for the both ADUs at the project. MOHCD and the Sponsor believe that the location and size of the units make them desirable units that will be easy to fill with referrals in the future.

Tenant Rent Burden. One household is currently rent burdened. At acquisition, this household was 43.3% rent burdened. When the household income certified in November 2022, income had gone down, and the tenant is currently behind in rent. MEDA is working with the tenant to verify their income and bring the unit's rent burden to 50%, and annual rent increases will be contingent upon the unit being under the 50% rent burden threshold. Household being brought to below-50% rent burden will be a condition of loan closing.

3. BORROWER/GRANTEE PROFILE

MEDA's mission is to strengthen low- and moderate-income Latino families by promoting economic equity and social justice through asset building and community development. Inspired by and rooted in the Mission District of San Francisco, MEDA envisions generations of Latino families that are part of vibrant, diverse, proud, and forward-thinking communities in which residents own their homes and businesses and are rooted and actively engaged in the civic and political life of their neighborhoods, and the institutions that affect their lives. MEDA's integrated services include affordable housing development; policy, advocacy, and community leadership development; early learning and K-12 educational services and supports; financial capability coaching; business technical assistance; affordable housing and homeownership counseling; business and real estate lending; workforce development training and career placement; and free tax preparation. In 2022, MEDA engaged 16,814 community members via direct services and impacted 89,493 people through their health outreach work. 92% of client households are low-to-moderate-income and 85% identify as Latino.

Board of Directors

An eleven-person Board of Directors, composed of community members, non-profit, and corporate professionals with relevant experience, governs MEDA. The Chairperson is Rafael Yaquian, Partner, Goldfarb & Lipman LLC; the Vice Chair is M. Teresa García, Family Resource Center Program Associate, First 5 San Francisco; the Treasurer is Whitney Jones, Director of Housing Development, Chinatown CDC; and the Secretary is Marco Chavarin, Senior Vice President, Financial Access Partnership Manager at Citi. Additional board members include Ed Cabrera, Regional Public Affairs Officer at the U.S. Department of Housing and Urban Development; Ysabel Duron, Founder/President of Latino Cancer Institute; Jabari Herbert, Managing Member, The Herbert Enterprises Group; Dr. Carina Marquez, Assistant Professor of Medicine at the University of California, San Francisco (UCSF); Rebeca Patino, Managing Director at First Republic Bank; and Kevin Stein, Associate Director with the California Reinvestment Coalition.

Experience of Key Staff, see Appendix A.

For Recent Activity, see Appendix B.

3.1 Asset Management Performance & Capacity. See Appendix A.

3.2 Development Experience.

In addition to MEDA's experience in commercial real estate development and management, it now has a number of residential real estate projects in its portfolio. For more on recent activity, see Appendix B.

| | Developed | Owned |
|-----------------|-----------|-------|
| No. Projects | 49 | 46 |
| No. Units/Bdrms | 1,281 | 1,248 |

3.3 <u>Selection Process.</u>

Small Sites Program Funding

A Notice of Funding Availability ("NOFA") was published on July 24, 2014 to provide acquisition and rehabilitation financing for multi-family rental buildings of 5 to 25 units. The NOFA established a fund to help stabilize buildings occupied by low- to moderate-income tenants throughout San Francisco that are particularly susceptible to market pressure resulting in property sales, evictions, and rising tenant rents.

Revised guidelines for the SSP program were published in early November 2022. While the SSP scoring rubric was not in use when the Project was underwritten in 2019, the Project would receive a score of 85 if it were underwritten today, meeting the minimum threshold of 70 points and indicating that it meets the core goals of the SSP Program, principally community stabilization and housing affordability goals.

SSP Scoring Rubric: 239 Clayton Street

| Category | Points |
|-------------------------|--------|
| Housing Affordability | 35/35 |
| Community Stabilization | 35/35 |
| Geographic Equity (D3) | 15/30 |
| Total | 85/100 |

In 2023, MOHCD will reissue an updated NOFA based on the new program guidelines.

Preservation and Seismic Safety Program (PASS)

The Preservation and Seismic Safety Program (PASS) provides low-cost and long-term financing to fund seismic retrofits, as well as the acquisition, rehabilitation, and preservation of affordable multi-family housing. The Program was created to complement the City's anti-displacement and preservation strategy, including the Small Sites Program. PASS was initially funded by repurposing \$261 million in underutilized bond authority funds from the 1992 Seismic Safety Loan Program. \$72 million was funded in the first issuance of the PASS program in February 2019. The second issuance of \$103 million closed in December 2020. The third issuance is scheduled for Summer 2023. The Project is considered an eligible property under Section 2.1 of the PASS Program Regulations, and the Sponsor is considered an eligible borrower under Section 2.2 of the PASS Program Regulations.

4. SITE

4.1 Brief Site Description.

Located in the Panhandle neighborhood between Fell and Hayes Streets, 239 Clayton Street is a three-story, eight-unit building. Pre-acquisition, the Project had six (6) one-bedroom units and one garage. During rehabilitation, MEDA converted the garage into one (1) 1-bedroom unit and one (1) studio unit. Built in 1909, the Project includes a total of 8,513 square feet.

4.2 <u>Site Characteristics.</u>

1. Address, Lot/Block: 239 Clayton Street, San Francisco, CA 94117; 007/1211

2. Lot Square footage: 2,652 sf3. Building age: 114 years old

4. Number of buildings: 15. Number of floors: 3

6. Building typology: Residential (Apartment 5-14 units)

7. Unusual characteristics (including surrounding uses): n/a

8. Recently completed rehab work: See Section 6.5

4.3 Article 34 Authority.

The MOHCD approval letter is pending and will be issued prior to close.

5. DEVELOPMENT PLAN

5.1 <u>Site Control.</u>

Purchase Price: \$3,000,000

Status of Purchase & Sale Contract: Executed

P & S Contingencies: N/A

Hard Closing Date and other deadlines: December 23, 2019

5.2 Appraisal.

239 Clayton Street was appraised by WATTS, COHN and PARTNER INC. on November 19, 2019. The value conclusions were:

Market Value As Is: \$1,950,000

Hypothetical As Stabilized at Market Rents: \$3,380,000

Hypothetical As Stabilized at MOHCD Restricted Rents: \$3,230,000

5.3 <u>Title Issues</u>.

No title issues were identified.

5.4 **Proposed Property Ownership Structure.**

MEDA Small Sites, LLC owns fee title to the land and the improvements of the subject property.

5.5 Completed Rehab Scope.

At the time of purchase, the building was in below-average condition. The rehabilitation scope was determined by a CNA completed by Association Reserves on November 22, 2019 that evaluated the existing conditions, proposed to keep the building sustainable for at least 20 years, and incorporated the addition of two new ADUs.

The residential rehab included main roof repair, metal roofing replacement and both bay window and non-street-facing window replacement. The rehabilitation of the existing six (6) upstairs units included a full fire alarm upgrade, a new intercom system, a full electrical upgrade (including service upgrade), full kitchen refurbishment including new tiled floor, HVAC systems replacement, new water heaters, bathroom and plumbing replacement/repairs, interior paint, and interior hardwood floor refinish. The egress stairs were repaired and the unit's balconies were replaced, both with new pressure-treated wood.

The second category consisted of a soft story retrofit and the conversion of the garage into two (2) fully electric ADUs, one (1) studio, and one (1) one-bedroom. The common areas were updated with new mechanical and gas meter rooms, and sprinkler system on the ground floor.

- 1. ADU: Constructed two ADUs in the garage space.
- 2. Foundations/Structural: Underwent full soft story retrofit.
- 3. Electrical system: Upgraded electrical system.
- 4. Roof: Replaced/repaired roof.
- 5. Exterior: Repaired and painted the facade and replaced non-street-facing windows and mailboxes.
- 6. Flooring: Carpet removed, installed vinyl plank and ceramic tile, refinished hardwood floors.
- 7. Common Area: New interior stair railing and exterior wood stairs were repaired.
- 8. Unit Upgrades: New kitchens and bathrooms, and wall patching.
- 9. HVAC: Kitchen hoods, bathroom exhaust fans, and wall gas heaters all replaced
- 10. Other: Lead-based paint (LBP) was identified in the residential units, common areas, garages, and the building exterior. For more on LBP testing and environmental issues, please see **Appendix C, Section 1**. The project underwent

renovation, repair, and painting activities (RRP), performed as an interim control to minimize lead hazards and according to EPA standards. An Operations and Maintenance (O&M) Program will be required as a condition of this loan.

5.6 Population to Be Served

The six existing households are long-term San Francisco residents that were at a high risk of displacement at acquisition. Six tenants are retired senior educators and one household is Latinx and part of the LGBTQ community. A majority of the tenants are African American tenants. The two prospective direct referrals will be San Franciscans living from Plus Housing will be an ongoing referral source for the Project. Referred tenants will make less than 50% of AMI and will have an unsubsidized rent burden of 50% or greater.

5.7 Proposed Unit Mix & Affordability

| | | | Acquisition (2019) | | | | Curren | t (2022) | | |
|-----------|---------|---------|--------------------|--------------------------------|---------------|-----------------|--------------------------|------------------|-----------------|-------------|
| Unit Type | Unit SF | HH Size | Rent (\$) | HH Annual Income (\$) | HH AMI (%) | Rent AMI (%) | Rent Increase* (%) | New Rent (\$) | Rent AMI (%) | Rent Burden |
| 1 BR | 610 | 1 | \$2400 | \$75,996 | 88% | 100.4% | 6.1% | \$2546 | 95% | 47.5% |
| 1 BR | 973 | 1 | \$893 | \$58,524 | 68% | 39.2% | 78.2% | \$1591 | 60.6% | 53% |
| 1 BR | 973 | 1 | \$549 | \$55,200 | 64% | 25.2% | 67.6% | \$920 | 36.4% | 20% |
| 1 BR | 973 | 1 | \$1062 | \$30,000 | 35% | 46.1% | 6.1% | \$1127 | 43.4% | TBD |
| 1 BR | 973 | 1 | \$576 | \$68,847 | 80% | 26.3% | 74.5% | \$1005 | 39.4% | 28.7% |
| 1 BR | 973 | 1 | \$781 | \$62,784 | 73% | 34.6% | 113.3% | \$1666 | 63.3% | 46.3% |
| Studio | 456 | | N/A | N/A | N/A | N/A | N/A | \$1900 | 81.4% | |
| 1 BR | 642 | | N/A | N/A | N/A | N/A | N/A | \$2771 | 89.8% | 39.9% |
| Averages | 859 | 1 | \$1044 | \$58,559 | 68% | 57.6% | 57.6% | \$1719 | 66.8% | 39.1% |
| Medians | 973 | 1 | \$837 | \$60,654 | 71% | 71.1% | 71.1% | \$1629 | 62% | 46.3% |

The average AMI for households at the Project is 68%. The project currently has one vacancy. Except for the one new unit, other units are occupied by the tenants that occupied the units at acquisition. The Project qualifies for the SSP program with at least 66% of the Project (ie. three of four households) earning an average income at or below 80% AMI.

5.8 <u>Marketing & Occupancy Preferences.</u>

The Project is subject to MOHCD's marketing procedures and vacant units will be marketed according to multifamily marketing procedures. These units will be subject to the Certificate of Preference Program, the Displaced Tenant Housing

Preference Program, the Neighborhood Resident Preference, if the Project has more than five lottery units in the future, and the Live/Work in San Francisco preference. The project's two Plus Housing units will be leased through direct referrals and will not require marketing through DAHLIA.

6. FINANCING PLAN

6.1 Sources and Uses: see Exhibit A

SSP Funds Requested: up to \$4,260,000 (\$532,500/unit)

Leveraged Financing Amount and Terms

1. Lender **MOHCD PASS Program**

2. Loan Amount

Up to \$1,700,000 (\$212,500/unit)

Up to \$970,700 (\$121,338/unit) (Market-rate loan)

Up to \$627,300 (\$78,413/unit) (Below-rate loan)

Up to \$102,000 (\$12,750/unit) (Deferred loan)

3. Interest Rate

Market-rate loan: 5.16725%

Below market-rate loan: 1.38908%

Deferred loan: 1.38908%

4. Term 40 years

5. DCR At least 1.15 throughout the first 20 years of the Project

6. Refinancing Assumptions: Replacement and operating reserves are projected to be funded through Year 20 of the Project's lifecycle, to ensure that refinancing will not be required until at least that time. SSP Guidelines, of a 1.15 DSCR and a 10% vacancy loss assumption, have been incorporated to avoid having to refinance the Project before Year 20.

6.2 **Development Budget**

Development Budget Analysis/Comments. All fees are sized based on the November 2022 update to the SSP Guidelines.

Replacement Reserves: Capitalized replacement reserves in the amount of \$155,000 satisfy the SSP Guidelines that require the higher of \$2,000 per unit or the amount necessary to pay replacement costs for the next 10 years, as specified in an approved CNA.

Operating Reserves: Capitalized operating reserves in the amount of \$34,553 (25% of the first-year operating budget) are budgeted to support unanticipated operating costs for at least 20 years. This cost is in line with SSP Guidelines.

2. Developer Fee

Developer fee in the amount of \$166,000 meets the SSP guidelines of \$80,000, paid at acquisition by the SFHAF, and \$10,000 per unit and \$13,000 per ADU, payable at the end of rehabilitation, up to 5% of the total development cost (excluding developer fee).

6.3 <u>Disbursement</u>

Acquisition, predevelopment, and construction funds will be released at escrow in the form of a payoff of the SFHAF loan. Additionally, the MOHCD SSP loan will fund operating and replacement reserves, PASS loan fees, the remainder of MEDA's developer fee, and closing costs. Legal costs may be drawn down after the closing draw.

7. PROJECT OPERATIONS

7.1 Annual Operating Budget: see Exhibit B

7.2 Annual Operating Budget Analysis/Comments.

- 1. PUPY Operating Expense: (w/out reserves): \$8,815
- 2. Annual Reserve Deposits: \$3,200 per SSP Underwriting Guidelines of \$400/PUPY for a building with >10 units.
- 3. Property Taxes: The Project will qualify for the full welfare tax exemption for all units. MEDA is budgeting \$948 for direct charges and special assessments. The Welfare Tax Exemption has already been approved.
- 4. Surplus Cash: \$10,192 in Year 1.

- 5. Annual Monitoring Fees: \$5,000 (\$2,500 for loan servicing and \$2,500 for monitoring) per PASS Program Regulations.
- 7.3 <u>20-year Cash Flow</u>: see Exhibit C
 - 1. Does Cash Flow Remain Positive for 20 years: Yes
 - 2. Income Assumptions: 2.5% escalation per year
 - 3. Expense Assumptions: 3.5% escalation per year
 - 4. Replacement Reserve Analysis: Replacement reserves are funded through Year 20.
 - 5. DSCR: DSCR starts at 1.15 in Year 1 and steadily rises, hitting its maximum DSCR in Year 20 at 1.515. The DSCR never dips below 1.15.

8. STAFF RECOMMENDATIONS

- 8.1 Proposed Acquisition/Rehabilitation Loan Terms.
 - 1. Amount of SSP: up to \$4,260,000 (\$532,500/unit)
 - 2. Amount of PASS:

Up to \$1,700,000 (\$212,500/unit)

Up to \$970,700 (\$121,338/unit) (Market-rate loan)

Up to \$627,300 (\$78,413/unit) (Below-rate loan)

Up to \$102,000 (\$12,750/unit) (Deferred loan)

- 3. Term: 40 years (SSP and PASS)
- 4. SSP Rate: 3% contingent interest in accordance with SSP Guidelines (which state that, in any given year, when the Project's cash flow is insufficient to repay all interest due, unpaid interest for that year shall be forgiven)
- 5. PASS Rate: 3.57271% blend, based on:

Market-rate loan: 5.16725%

Below market-rate loan: 1.38908%

Deferred loan: 1.38908%

- 6. SSP Repayment: Residual receipts
- 6. PASS Repayment: The market-rate and below-market rate loans require monthly payments and are fully amortizing over the term; the deferred loan requires a balloon payment at maturity.

- 7. SSP Priority: Subordinate to senior financing and the City's Declaration of Restrictions
- 8. PASS Priority: Senior, in first position, but will subordinate to the City's Declaration of Restrictions

8.2 Recommended Loan Conditions.

- 1. All reserve accounts must be separate interest-bearing accounts.
- 2. An O&M Program for management of lead-based paint must be delivered to MOHCD within 60 days of closing.

8.3 Recommended Closing Conditions

- 1. MEDA must provide executed leases for all vacant units prior to loan closing. Any additional costs related to a delay in lease up, extending the closing date, will be deducted from the remaining developer fee.
- 2. MEDA will income-certify tenant in unit 4 and ensure rent burden no greater than 50%.

Appendix B: Development Team.

Jose Garcia, Program Manager, Preservation. Jose attended Cal Poly San Luis Obispo, receiving a B.A. in Business Administration with a concentration in International Business. Before joining MEDA, Jose was a Relocation Consultant for Overland, Pacific, and Cutler LLC, where he worked alongside MEDA during the rehabbing of five former public housing developments under the Rental Assistance Demonstration (RAD) program (a total of 439 units for seniors and disabled San Franciscans). Jose has been involved in 28 out of the 38 SSP buildings in different phases. Jose has managed one new construction project: 681 Florida, a 130 unit building for formerly homeless individuals and families.

Lupe Mercado, Assistant Project Manager, Preservation. Lupe has an associate's degree in accounting. Lupe has been working with MEDA for 6 years as an ABP ERAP Housing Coordinator, Financial Capability Coach, HUD Certified Housing Counselor, Leasing Specialist, and now an Assistant Project Manager. She also has 1 year of experience working with title companies and currently possesses a certificate as a HUD Certified Housing Counselor, NeighborWorks Post Purchase Education Housing Counselor, Advanced Tax Credit Specialist, Foreign Student Tax Certificate, and COA IRS ITIN.

Luis Daniel Cruz, Assistant Project Manager, Preservation. Luis (Daniel) attended the University of California, Los Angeles, where he completed his undergraduate degree in Sociology and master's degree in Urban and Regional Planning with a focus on regional and housing development. Before joining MEDA, he worked for the Los Angeles Unified School District as a primary school educator.

Michelle Rolon, Assistant Project Manager, Preservation. Michelle attended the University of California, Los Angeles, where she completed her two undergraduate degrees in Chicana/o Studies and Spanish, and a master's degree in Urban and Regional Planning with a focus in Community Economic Development and Housing. Before joining MEDA, she worked as a program manager of the Mission SRO Collaborative (MSROC), where she supported in tenant rights advocacy, community programming, and city-wide coalition building. Her work revolves around affordable housing development, multi-ethnic coalition building, and grassroots frameworks in urban planning.

Sara Lope, Construction Consultant. Sara was the MEDA Construction Manager for over two years and has now transitioned to Construction Management Consultant. She holds a B.A. in Architecture from Newschool of Architecture and Design in San Diego, and a B.A. in Construction Management from Universidad Politecnica de Burgos, Spain. Her architectural background has helped MEDA with ADU's and commercial ADA improvements, and her construction management expertise has allowed her to assist in over 26 MEDA projects.

Appendix C. Asset Management Team.

Leslie Molina, Associate Director of Asset Management (100%FTE) Leslie was hired in November 2021. She is responsible for the overall physical and financial health of MEDA's residential and commercial property portfolio. She is a real estate professional with thirty (30) years of experience in the nonprofit, affordable-housing sector, and the San Francisco conventional market. She brings a wealth of knowledge and deep understanding of organizational management, financial management and asset management. She holds industry standard certifications from the National Center for Housing Managers (NCHM) and the San Francisco Apartment Association (SFAA). In addition, Leslie holds a real estate license from the California Department of Real Estate and has been a licensed real estate agent for eighteen (18) years. She specializes in single family residence (SFR), residential and commercial condominiums, mixed-use buildings and multi-family units. Leslie has successfully managed and executed real estate strategies that exceed organizational objectives.

Emmanuel Zuniga, Senior Asset Management (100%FTE) Emmanuel Zuniga was hired November 2021. He has over seventeen (17) years of experience in Affordable Housing Property Management with different nonprofit organizations. He has managed multi-family properties that include SRO, Family, TAY units, senior housing and more. Emmanuel holds the following industry certifications from the National Center for Housing Managers: Tax Credit Specialist; Certified Occupancy Specialist; Certified Manager of Housing; Certified Manager of Maintenance; and Certified Financial Specialist. Emmanuel holds an industry designation as an Accredited Residential Manager from the Institute of Real Estate Management and an industry designation of a Registered Housing Manager from the National Center for Housing Managers.

Joe Yu, Finance Asset Manager (100% FTE) Joe was hired in April 2022. Joe is an alumnus of the University of California, Davis and holds a bachelor's degree in Economics. He has over eight (8) years of real estate experience both in property management and asset management. Throughout his real estate career, Joe has managed the operations and finances of multifamily buildings in the private and non-profit sector, including but not limited to budgeting, project management and financial analysis. Joe is currently responsible for financial reporting, budgeting, and monitoring the financial health of MEDA's assets.

Karina Parraga, Asset Manager Small Sites Operations (100% FTE) Karina earned a bachelor's degree in Interior Design at the Vicente Rocafuerte University in Ecuador. San Francisco's Mission District is where she began to understand the United States system of operations and became immersed in the community. Karina worked at La Raza Information Center and was an active member of Mujeres Unidas -- their leadership training awarded her the opportunity to become involved in the Latino community. She worked for ten years as a Property Manager at Tenderloin Neighborhood Development Corporation (TNDC), serving San Francisco's most vulnerable populations. Karina has a deep understanding of San Francisco's low-income housing

programs, Tax Credit, RAD and HUD. She is a Tax Credit Specialist and has completed courses in computer technology at City College of San Francisco and UC Berkeley.

Brittany Burrows, Asset Manager of Leasing & Compliance (100% FTE)

Brittany holds a BA degree in Criminal Justice from SFSU. She also obtains the following certifications: Tax Credit Specialist, Certified Manager of Housing, Certified Occupancy Specialist, Certified Occupancy Specialist for Public Housing, Certified Manager of Maintenance; and Certified Financial Specialist. In addition, she has a five (5) year High Rise Fire Safety Director certificate with CCSF. Brittany has over 8 years of experience working with nonprofit housing organizations in San Francisco's Tenderloin neighborhood. She is responsible for the leasing and compliance of MEDA's Small Sites Portfolio as it relates to Compliance and Regulatory obligations, which include developing standard operating procedures, compliance policies and procedures to ensure compliance with program guidelines and local, Federal/State regulatory agreements. This includes reviewing partnership agreements, financing documents, regulatory agreements, and other sources to determine ownership objectives.

Luis Cruz, Affordable Housing Leasing Admin (100% FTE)

Luis has over two (2) years of office administration experience and is currently using his administrative experience to assist the leasing efforts and income certifications for asset management. Luis' role consists of maintaining a high occupancy rate across the portfolio and responding to potential tenant interest for rental properties in-person and via digital platforms. In addition, maintaining the buildings waitlist, unit showing, answering questions, and finalizing leases. Luis also prepares potential tenant background checks, including reference letters, rental history, income verification and lease application.

Appendix E: SFHAF Appendix.

1. Environmental Issues/Site Suitability.

Phase I/II Site Assessment Status and Results: A Phase I Environmental Site Assessment Report, prepared by Partner Engineering and Science, Inc. on November 7, 2019, did not identify any recognized, controlled, or historical environmental conditions. The Phase I report identified environmental concerns regarding the suspected presence of asbestos-containing materials ("ACMs") and lead-based paint ("LBP"), due to the age of the building.

Phoenix Environmental Consulting, LLC prepared an Environmental Assessment: Asbestos Survey Report on November 4, 2019. Twenty-seven bulk samples were taken from the Project to determine if asbestos was present in materials that might be impacted during renovations. The Kitchen and bathroom flooring in units 2, 4, 5, and 6 tested positive for asbestos, as well as the wallboard and joint compound in the garage area. These materials were removed following Cal-OSHA and local regulations by a licensed contractor.

Environmental Lead Detect Inc. prepared seven Lead Paint Inspection Reports on October 30, 2019. One report was prepared for each residential unit, and one report was prepared for the common areas and the building exterior. Reports showed that the tested areas contained readings that were registered at or above the LBP action level of 1.0mg/cm2.

As a condition of this loan, an O&M Program for management of any remaining asbestos or lead-based paint must be delivered to MOHCD within 60 days of closing.

2. **ENTITLEMENTS**

2.1 Zoning.

239 Clayton Street is zoned RH-3 -Residential Housing, Three Family. Rehabilitation scope did not change the use, height, or bulk of the building. The ADUs were permitted under Section 207 of Planning Code.

2.2 <u>Local/Federal Environmental Review.</u>

The Project fell into Categorical Exemption 1 - Existing Facilities under CEQA. MEDA was required to obtain formal Planning Department determinations and approvals for the construction of the two new ADUs.

Relocation. The Borrower spent \$27,175.00 in relocation funding for two households over three months.

4. <u>Performance Schedule.</u>

| No. | Performance Milestone | Estimated or Actual Date |
|-----|---------------------------------------|--------------------------|
| 1 | SSP Financing Commitment | <u>12/23/2019</u> |

MOHCD Proforma - Utilities Other Income

UTILITIES AND OTHER PROJECT INCOME

239 Clayton

UTILITY ALLOWANCE

Small Sites Project 4/14/2023

Application Date:

For each utility type below, select either "Tenant" or "Owner" and the type of utility source, as applicable. The selections will automatically calculate the total utility allowance by unit type, and will be used in the calculation of "Max Tenant Paid Rent" in the "New Devt - Rent & Unit Mix" and "Existing Devt - Rent Roll" worksheets.

If using a engineer calculated utility allowance, select "Owner" for all utility types, and enter in calculated utility allowance directly in the row "Other"
