Jay and team,

Below is our estimated annual contamination revenue calculation. We can discuss further if you have any questions. Thank you,

Commercial Customers		Percent of Customers Impacted		Customers Impacted		Average Contamination Revenue per Customer		Average Contamination Revenue per Month		Estimated Annual Contamination Revenue
13,536	%	2%	=	311	%	\$35	=	\$17,092	or	\$205,102
