MEMORANDUM

DATE: Monday, July 24, 2023

TO: President Dan Bernal, and Honorable
Members of the Health Commission

THROUGH: Dr. Grant Colfax, Director of Health, Department of Public Health

FROM: Drew Murrell, Controller, Department of Public Health 

RE: **Annual Report of Gifts Received in FY 2022-23**

As required by section 10.100-201 of the San Francisco Administrative Code and consistent with the policy and procedure for the acceptance of gifts adopted by the Health Commission in October 1995, this is the annual report of gifts received in FY 22-23.

During FY23, DPH received approximately \$3.5M in gifts from 44 separate donors. Of these 44, 35 were small donors to Laguna Honda Hospital. The remaining 9 donors were donations made on behalf of central (non-hospital) DPH functions. These donations were driven by two main factors: (1) continuing donations of COVID-19 test kits from state and federal sources, and (2) new reporting of disbursements to DPH or on behalf of the department made by the Public Health Foundation (PHF).

These new reporting requirements are consistent with requirements in the revised Memorandum of Understanding (MOU) between DPH and PHF that was approved by the Health Commission on May 2, 2023 and approved by the San Francisco Board of Supervisors on July 18, 2023.
