SUBJECT: Police Commission Approval Request for 2023 Oracle CloudWorld
Technology Division Staff Conference Donor Disclosures

Issue:

Request approval for the following staff members to accept the complimentary pass for the 2023 Oracle CloudWorld training event occurring September 18–21, 2023, at the Venetian Conference and Expo Center in Las Vegas, Nevada:

- Director William Sanson-Mosier, CIO
- Joshua Raphael, Business Intelligence and GIS Manager
- Anubha Kumar, Business Intelligence and GIS Principal Business Analyst

The value of each complimentary pass is \$1,299 for a total value of \$3,897.

Discussion:

The 2023 Oracle CloudWorld training event occurs on September 18–21, 2023, at the Venetian Conference and Expo Center in Las Vegas, Nevada.

Our SFPD Technology Division is being asked to speak and present about our Oracle Business Intelligence (BI) solution and how we are designing a dashboard available on the Oracle Cloud Infrastructure for the public.

In this session, SFPD will outline their vision and journey publishing data publicly using Oracle Cloud Analytics (OAC). Through OAC we will demonstrate near real-time analytics of Part 1 crime statistics in the City and County of San Francisco (CCSF). We will review SFPD's overall data vision by demonstrating our technical solutions and providing data transparency through the cloud.

As the premier Oracle professional event dedicated to discussing Oracle BI technology, attendees gain quality presentations, professional development, and networking covering a broad array of new and emerging technologies on, but not limited to, the following:

- Cloud Architecture
- Dashboard Solutions
- Data management techniques
- Machine Learning
- Hands on labs
- Best modern Practices
- Strategic Enterprise Solutions

By accepting these complimentary full access passes and attending Oracle CloudWorld 2023 as speakers and presenters, SFPD will be able to showcase and highlight its strategic outcomes utilizing and advancing information technology from our journey of continuous improvement to becoming a 21st century state-of-art police department.

Recommendation:

I humbly request Chief Scott approve and submit to the Police Commission for their approval of the three complimentary passes.

I spoke with Police Commission Secretary Sgt. Stacy Youngblood, and he advised if they receive these documents no later than July 13th, it can be placed on the consent calendar for the July 19, 2023 meeting.
