Public comment is allowed in relation to each agenda item, and the Secretary of the Health Commission will indicate when public comment is to occur for each item when not listed on the agenda below. Each member of the public, whether attending remotely or in person, may address the committee for up to three minutes. Members of the public attending the meeting in person will have an opportunity to provide public comment on every item. In addition to in-person public comment, the LHH JCC will hear up to 20 minutes of remote public comment on each agenda item. Requests to include a maximum of 150 word written public comment in the meeting minutes can be made at healthcommission.dph@sfdph.org. Remote public comment from people who have received an accommodation due to disability, as explained on page 5, will not count toward the 20-minute limit. Instructions for providing remote public comment can be viewed on page 6 of this meeting agenda.

Committees of the Health Commission consist of three members of the Commission. If a quorum of the Health Commission is present, it constitutes a Special Meeting of the Commission. If additional commissioners attend the meeting of a committee creating a quorum of the full Health Commission, they may participate in the discussion on an item on the agenda but may not vote with the members of the committee. The committee's recommendations shall be reported to the full Health Commission for discussion and possible action. The Health Commission Secretary shall make a note of the presence of the additional commissioners in the minutes, and discussion shall be limited to items noticed on this agenda.
