Artist Biography (Please provide a short biography about yourself and your craft):

My name is Armella Pitteard and I received my BFA degree at the Academy of Art University. After college I worked in the industry as an animator and a lead artist then later as a freelance artist. Currently right now I have my own business doing art.

1. Describe your work in detail. How do you make it?

I work with different mediums such as charcoal, oil painting and digital art work. I preferably like to use charcoal. First I use vine charcoal to sketch out my drawing then I come in with my 2b med charcoal pencil. After that I then start my rendering process with soft charcoal and hard compress charcoal for contrast.

2. Where did you learn your craft?

I started drawing and doing art really young but when I attended college that's when I developed a style for my work.

3. Did you take a class or learn on your own?

I learned how to draw on my own but I did learn how to do animation.

Please provide up to five (5) images of the work, both in process and finalized.
