

Working Group Recommendation and Department Response

#	DPA Recommendations for DGO 3.05	Date recommendation received	SFPD response	SFPD explanation
R1	DPA recommends that SFPD include a "Notification" section under "Procedures" in the interest of transparency and accountability. Notification: "The Department shall notify the Police Commission and the DPA of the circumstances for which a weapon has been removed from, or returned to, an officer.	7/1/20	3) Recommendation will not be included in draft DGO	There are instances in which the removal of a firearm from an officer is due to medical reasons. Neither the Police Commission nor DPA are privy to this medical information. This information should also be considered personnel file related. Additionally, as DPA and the Police Commission are not currently or slated to be members of the Department Weapon Return Panel, they do not have the authority to receive this information. Once this information becomes reportable as a notification as outlined by this DPA recommendation, this information becomes public and subject to PRA requests. The Police Commission will be briefed on relevant information related to the disarming of an officer through the standing disciplinary procedures.
