# PRIMARY TARGET POPULATIONS

Agreement's Primary Target Groups	Clients defined as those who experience homelessness on the streets of San Francisco; living with mental health conditions and have had multiple previous engagement with law enforcement or crisis teams, emergency room visits, hospitalizations, have a history of multiple recent substance use overdoses, unsheltered and require follow up support, assessment, wellness checks, medical/psychiatric care, linkage or accompaniment to services.
Agreement's Primary Target Neighborhood or Area	Location of services includes outside/on the streets and in other public spaces of San Francisco, as well in treatment, hospital, shelter, housing, and other indoor settings.

#### Purpose of Agreement:

Richmond Area Multi Services Inc is to hire, train and fully integrate clinical providers into the BEST Neighborhoods street-based behavioral health care teams, in partnership with San Francisco Department of Public Health and community providers providing street-based behavioral health care within San Francisco. BEST Neighborhoods clinical staff will be an integral part in engaging with individuals experiencing homelessness and living with chronic mental health conditions and will work collaboratively with team partners and street-based medical and psychiatric resources—along with the support of other city resources and agencies—to rapidly improve the quality of life for individuals living on the streets of San Francisco.

RAMS, Inc. is a non-profit mental health organization that is committed to advocating for and providing communitybased, culturally competent, and consumer-guided comprehensive services. Founded in San Francisco's Richmond

# SUMMARY OF <u>COMMUNITY-BASED ORGANIZATION AGREEMENTS</u> AND <u>OTHER DIRECT TREATMENT PROVIDERS</u> REQUEST TO THE HEALTH COMMISSION

This Agreement is for the provision of direct treatment/services that serves as an extension of DPH's service delivery system.

District in 1974, RAMS offers comprehensive services that aim to meet the behavioral health, social, vocational, and educational needs of the diverse community of the San Francisco Area with expertise in serving the Asian & Pacific Islander American and Russian-speaking populations.

The Department intends to conduct a Request for Grant Agreements (RFGA) for the services to occur during FY23-24. The solicitation will be the open process used to verify and objectively evaluate any interested entity which choses to submit a proposal to provide the solicited services which will fulfill the stated Public Purpose of the Scope of Services of the Request for Grant Agreement.

### Monitoring Report/Program Review & Follow-up:

This Agreement will receive annual monitoring through the DPH Business Office of Contract Compliance (BOCC), including for performance and fiscal stability.

### Health Equity and Inclusion Compliance:

The Vendor will provide the necessary information to comply with the Department's Office of Health Equity (OHE) requirements and will work collaboratively to remove systemic and operational barriers that impede providing appropriate levels of services to meet the needs of disadvantaged BIPOC stakeholders and communities.

### Listing of Executive Director and Board of Directors:

**Executive Director:** Angela Tang, President and Chief Executive Officer

Board of Directors: Anoshua Chaudhuri
