

# TARAVAL

## Thriving During Construction.

The City of San Francisco recognizes the particular difficulties that arise for businesses during periods of construction and the challenge to maintain business as usual along our commercial corridors. The Office of Economic and Workforce Development (OEWD) leverages partnerships between City agencies and non-profits to enhance and strengthen neighborhood commercial corridors around San Francisco. By working closely with businesses and the varied City agencies managing construction projects across San Francisco, OEWD is committed to supporting you to strengthen your business, improve operations, and encourage foot traffic during construction.

### Simple steps you can take.

Take advantage of the services provided by the **San Francisco Small Business Development Center (SBDC)**. SBDC offers training and specialized one-on-one consulting, including in areas such as business strategy, marketing, financial management, capital sourcing, lease negotiation, and more.

Visit SBDC at [sfsbdc.org](https://www.sfsbdc.org) or schedule an appointment by calling **415-937-7232**.

Learn about all of the services that OEWD and our business teams have to offer by exploring our website at [oewd.org](https://www.oewd.org).

We're here to support you!

# We're here to support you.

The Office of Economic and Workforce Development (OEWD) supports businesses in San Francisco by providing one point of contact for a variety of essential programs and services. We encourage you to take advantage of the many business services OEWD offers. **For more information visit [oewd.org](http://oewd.org).**

**OFFICE OF SMALL BUSINESS** is San Francisco's central point of information for small businesses. Get one-on-one help with permitting, licensing, regulations, navigating accessibility laws, access to grants, and more.

Phone 415-554-6134 | Email [sfosb@sfgov.org](mailto:sfosb@sfgov.org) | Website [sfgov.org/osb](http://sfgov.org/osb)

**One-on-one help with business registrations**, including referrals to specialized advisors

**Support for meeting ADA requirements** and fixing accessibility issues

**Help recruiting employees** with personalized, no-cost recruiting services

**Where to go for City help** with vandalism, graffiti, street crises, and other issues

**A wide range of grants** are available for improving storefronts, encouraging entrepreneurship and women-owned businesses, as well as community-focused investments and the arts

## A LOOK AT THE TARAVAL IMPROVEMENT PROJECT

The second phase of the project is Segment B along the L Taraval line from Sunset Blvd. to 15th Ave., and on Ulloa St. near West Portal. The work is expected to last until the fall of 2024. Once completed, the corridor will boast new transit priority traffic signals, bulb-outs, high visibility crosswalks, safety boarding islands and increased accessibility which will make pedestrian crossing safer.

All of these upgrades will make Taraval St. a more inviting and attractive choice for visitors and San Franciscans to access shops, restaurants and services.
