Instructions for providing remote public comment can be viewed on page 6 of this meeting agenda.

Committees of the Health Commission consist of three members of the Commission. If a quorum of the Health Commission is present, it constitutes a Special Meeting of the Commission. If additional commissioners attend the meeting of a committee creating a quorum of the full Health Commission, they may participate in the discussion on an item on the agenda but may not vote with the members of the committee. The committee's recommendations shall be reported to the full Health Commission for discussion and possible action. The Health Commission Secretary shall make a note of the presence of the additional commissioners in the minutes, and discussion shall be limited to items noticed on this agenda.
