

SAN FRANCISCO REPARATIONS

HRC Community Engagement Update

August 14, 2023

Community Engagement

Background

- Committee leadership asked HRC to support a community engagement effort leading up to the rally and Board of Supervisors hearing on September 19
- HRC put out a call to community partners to host these sessions; the dates were determined by the host organization's availability
- We are asking Committee members to sign up to facilitate/participate in these sessions. More information, and a sign up link, will be circulated in the coming days.

Community Engagement

Objectives

- **Public education to raise community awareness** of the San Francisco Reparations Recommendations and Report.
- Providing community members with **another opportunity to be heard.**
- **Amplifying the Committee's visibility and ultimately generating support** for the September 19 rally and Board of Supervisors meeting.

Community Engagement

Next Steps

- HRC will make flyers advertising these upcoming sessions. Printed copies will be available for Committee members to distribute to their communities as well.
- HRC will continue to work with the Committee on the outreach plan for the meetings on September 14 and September 19.
