

Working Group Recommendation and Department Response

2.06	DPA Recommendations	Date recommendation received	SFPD response	SFPD explanation	Open/Closed
R1	DPA recommends that SFPD include "check for injuries and render first aid," and "locate and secure witnesses to give statements to a collision trained Member." This recommendation comes from Baltimore PD Policy 908 "Departmental Vehicle Crashes" and Seattle PD 13.010 TSK checklist.	3/2/21	Recommendation has been included in draft DGO		
R2	DPA recommends that SFPD add to 2.06.02.E. "intentionally striking a vehicle (deflecting) is a reportable use of force, and that a supervisor shall respond to conduct the preliminary evaluation." Cite to DGO 5.01 and 5.05. This recommendation comes from Baltimore PD Policy 908 "Departmental Vehicle Crashes".	3/2/21	Recommendation has been included in draft DGO		
R3	DPA recommends including a section that addresses impounding and towing motor vehicles, as mentioned in the Purpose. DGO 9.06 explains that vehicle holds are placed on cars involved in a fatal or near-fatal accident and "roll-away" accidents. What are other instances when members are "legally required to impound motor vehicles" that are involved in a vehicle collision involving members?	3/2/21	Recommendation has been included in draft DGO		
R4	DPA recommends including "members shall not investigate their own collision" to 2.06.02.A.3, prior to "request a collision trained Member..." This recommendation comes from Seattle PD 13.010.	3/2/21	Recommendation has been included in draft DGO
