	<p>San Francisco Families Support Prop C</p> <p>As parents choosing to raise our families in San Francisco, we strongly urge you to support Prop C this March. Prop C will temporarily waive the city's transfer tax to make it easier to convert downtown office buildings into housing.</p> <p>Creating more housing at all levels is vitally important to make our city more affordable for families, renters, and lower-income individuals.</p> <p>It does not make sense to have a bunch of empty office buildings downtown. Prop C is a creative way to make the cost of office conversions more enticing to the companies interested in turning the properties into homes.</p> <p>Infusing downtown with more families and young people who are committed to raising their kids in an urban environment will create a new, more sustainable downtown. That will bring life to our city, after we have endured so much the last few years.</p> <p>For those concerned about reducing the City's influx of taxes, there is a built-in provision that ends the transfer tax after a few years.</p> <p>Please support this temporary measure to rebuild our downtown and make housing more affordable for all.</p> <p>Please support Prop C to turn empty office buildings into new downtown housing.</p> <p><i>Westside Family Democratic Club</i></p>
