	<p><b>GROWSF SUPPORTS PROP E</b></p> <p>San Franciscans are nearly unanimous: we want a safer city with a more effective police force. That means a Police Department that has the tools it needs to work more efficiently and with more transparency and accountability. That's what Prop E will do.</p> <p>SFPD hasn't had the necessary tools or policies to pursue suspects fleeing in a vehicle, but Prop E fixes that. Police will be able to follow stolen vehicles and suspects that just broke into parked cars, and will have the option to use drones to ensure the speeding car can't get away. And now bodycam footage can be used when filing reports for use-of-force incidents. Prop E also sets up an accountable process to access security camera footage, including live streams only in extreme circumstances.</p> <p>Importantly, these new tools and policies come with the proper oversight to ensure SFPD acts responsibly.</p> <p>Let's create a safer San Francisco.
