	<p>LOCAL ELECTED OFFICIALS SUPPORT PROP F</p> <p>San Francisco is a world-class city, known for its beautiful skyline, amazing restaurants, one-of-a-kind culture, and tolerance. But one thing we cannot continue to tolerate is the drug crisis happening on our streets. People are dying everyday as a result of fentanyl.</p> <p>That's why it's important we all support Prop F and take the next step in addressing the fentanyl crisis.</p> <p>Prop F will give the City the power to mandate substance treatment for people receiving cash benefits. Now, let's be clear. This isn't mandating sobriety. It's important to recognize that getting clean takes time and each person is unique when it comes to receiving treatment.</p> <p>That's why, Prop F and the City will ensure that many different types of treatment are available for individuals. This will not be a one-size-fits-all solution for users.</p> <p>Prop F also has guard rails so if there aren't enough treatment slots available, people won't lose their cash assistance. Prop F also has a provision that will ensure people have 30-day eviction prevention and rental subsidies, so people won't lose the roof over their head.</p> <p>That's why Prop F gets our support and why you should support it too.</p> <p>Vote YES on Prop F.</p> <p><i>Assessor Joaquín Torres</i> <i>Supervisor Matt Dorsey</i> <i>Supervisor Rafael Mandelman</i> <i>Supervisor Catherine Stefani</i></p>

	<p>Vote Yes on Proposition F to improve street conditions and save lives.</p> <p>Too many people with substance use disorders are deteriorating on our streets. Too many are dying every day, despite offers of treatment many don't accept. It impacts our entire community, especially families.</p> <p>Proposition F is a critical step we can take to incentivize those with substance use disorders to participate in a treatment program by requiring single adults with substance use disorder to participate in treatment in order to continue receiving cash assistance from the City and County of San Francisco.</p> <p>San Francisco serves over 4,000 people with medication-assisted treatment through medications like buprenorphine and methadone. People can access immediate treatment the same day they apply to one of these programs.</p> <p>It's simply no longer okay to allow those who are a danger to themselves and others to refuse treatment without any accountability. Proposition F is part of a multi-pronged approach to address the Fentanyl crisis, and strikes the right balance between compassion and accountability.</p> <p>Join us in voting Yes on Proposition F to improve street conditions and save lives.</p> <p><i>Westside Family Democratic Club</i></p>	174
