

## **RFP#APD2023-03 Reentry Pilot Programs**

### **Questions and Answers (updated 12/15/23)**

*Q1: Is the annual estimated amount applicable to each program area or all program areas combined?*

A1: The estimated annual amount applies to the estimated annual amount of all program areas in total.

*Q2: Will there only be 3 grantees or will there be more than 3 grantees?*

A2: There is no predetermined number of grant awards. Refer to Section **1.2B Selection Overview** for more details.

*Q3: Are the employment stipends part of the grant expenses? What is the recommended stipend amount per client?*

A3: You may include all relevant program costs, such as stipends, in your proposal. The stipend amount should correspond with target population, program objectives, and program capacity.

*Q4: Are organizations permitted to apply to just one Program Area? If so, how does this affect the budget requirements? Should applicants expect the budget maximum amount to be \$100,000 per program annually?*

A4: Organizations may apply to 1, 2, or 3 Program Areas. Submit separate Attachment 3 and Attachment 4 for each Program Area. The budget and scope for each Program Area is separate from the others. Refer to Section **1.4C Anticipated Grant Not to Exceed Amount** for more details.

*Q5: Is the stated Objective of “**Creating an LLC**” in Program Area 1 pertinent to training employees?*

A5: This Objective has been removed and replaced with “**Exploring employment and entrepreneurial pathways**”.

*Q6: What does “**Case Management**” in Program Area 1 refer to?*

A6: Case Management refers to creating client case plans and working with clients to establish and complete goals.
