ARTICLE I - REPRESENTATION

PREAMBLE

1. This Collective Bargaining Agreement (hereinafter "CBA") is entered into by the City and County of San Francisco (hereinafter "CITY") through its designated representative acting on behalf of the Mayor in consultation with the Board of Supervisors, and the Transport Workers Union of America, AFL-CIO, and Local 250-A, Transport Workers Union (hereinafter "UNION").

ARTICLE I - REPRESENTATION

I.A. RECOGNITION

2. The CITY acknowledges that the UNION has been certified as the recognized employee representative, pursuant to the provisions set forth in the CITY's Employee Relations Ordinance for the following classification:

7410 Automotive Service Worker – Unit 29

I.B. INTENT

3. It is the intent of the parties that the provisions of this CBA shall not become binding until ratified by the Board of Supervisors and by the membership of the UNION.
4. Provisions of this CBA which are in conflict with provisions of ordinances, resolutions, rules or regulations over which the Board has jurisdiction to act, shall prevail. Unless an existing ordinance, resolution, rule or regulation is specifically discussed and changed, deleted, or modified by the terms of this CBA, it shall be deemed to remain in full operational effect.
5. The employees covered by this contract will be indemnified and defended by the CITY for acts within the course and scope of their official employment in accordance with the applicable requirements of state law. This Article is for informational purposes only and is not subject to grievance or arbitration.

I.C. NO STRIKE PROVISION

6. The UNION and each member of the bargaining unit covenant and agree not to initiate, engage in, cause, instigate, encourage or condone a strike, work stoppage, slowdown, or absenteeism. The UNION and each member of the bargaining unit covenant and agree not to engage in any form of sympathy strike including, but not limited to, observing or honoring the picket line of any other UNION or person.

I.D. OBJECTIVE OF THE CITY

7. It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the CITY and its employees. Such achievement is recognized to be a mutual obligation of the parties to this CBA within their respective roles and responsibilities.

ARTICLE I - REPRESENTATION

I.E. MANAGEMENT RIGHTS

8. The UNION recognizes the CITY's right to establish and/or revise performance levels, standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, prepare work schedules, and to measure the performance of each employee or group of employees. The CITY recognizes the UNION's or the employee's right to grieve the effect of and implementation of the revised performance levels, norms, or standards.

I.F. SHOP STEWARDS

9. The UNION shall furnish the CITY with an accurate list of shop stewards. The UNION may submit amendments to this list at any time because of the permanent absence of a designated shop steward. If a shop steward is not officially designated in writing by the UNION, none will be recognized.
10. The UNION and the CITY recognize that it is the responsibility of the shop steward to assist in the resolution of grievances or disputes at the lowest possible level. No more than two shop stewards representing a particular worksite may assist in the resolution of grievances or disputes arising in that worksite. Should that steward be unavailable, a steward representing another shop may substitute.
11. While handling grievances or meeting with CITY representatives concerning matters affecting the working conditions and status of employees covered by this CBA, the shop steward shall be allowed time off during normal working hours to perform such duties without loss of pay, provided, however, that time off for investigation shall be reasonably related to the difficulty of the grievance. The shop steward shall not be paid overtime if UNION duties carry the employee past the employee's normal duty schedule. Shop stewards shall request time off at least 48-hours in advance of the time off requested, where practicable.
12. If, in the judgment of the supervisor, permission cannot be granted immediately to the shop steward to investigate or present a grievance during on-duty time, such permission shall be granted by the supervisor no later than the next working day from the date the shop steward was denied permission.
13. In handling grievances, the shop steward shall have the right:
14.
 1. to consult with an employee regarding the presentation of a grievance or dispute after the employee has requested the assistance or presence of the shop steward;
15.
 2. to present to a supervisor a grievance or dispute which has been requested by an employee or group of employees to present for resolution or adjustment;
16.
 3. to investigate any such grievance or dispute so that such grievance or dispute can be properly discussed with the supervisor or the designated representative; and,
17.
 4. to attend meetings with supervisors or other CITY representatives when such meetings are necessary to adjust grievances or disputes.

ARTICLE I - REPRESENTATION

18. In emergency situations, where immediate disciplinary action must be taken because of violation of law or a CITY or departmental rule (intoxication, theft, *etc.*) the shop steward shall, if possible, be granted immediate permission to leave the steward's post of duty to assist in the grievance procedure.
19. Shop stewards shall not interfere with the work of any employee.
20. Stewards shall receive timely notice of and shall be permitted to make appearances at all departmental orientation sessions in order to distribute UNION materials and to discuss employee rights and obligations under this CBA.

I.G. GRIEVANCE PROCEDURE & THE DISCIPLINE PROCESS

21. The following procedures are adopted by the Parties to provide for the orderly and efficient disposition of grievances and are the sole and exclusive procedures for resolving grievances as defined herein.
22.
 1. Definition. A Grievance shall be defined as any dispute which involves the interpretation or application of, or compliance with this Agreement, including discipline and disciplinary discharge of employees. A grievance does not include written reprimands, provided however, that employees shall be entitled to submit a written rebuttal to any written reprimand within thirty (30) calendar days from the date of the reprimand. The CITY will include any timely rebuttal in the employee's official personnel file with the reprimand. Civil Service Rule "Carve-outs" are not subject to the grievance procedure nor may be submitted to arbitration.
23.
 2. Time Limits. The time between the Steps may be extended by mutual agreement in writing. Failure by the employee or UNION to follow the time limits, unless mutually extended, shall cause the grievance to be withdrawn. Failure of the CITY to follow the time limits shall serve to move the grievance to the next step.
24.
 3. Grievance Initiation. Only permanent non-probationary employees may grieve (appeal) disciplinary suspensions or disciplinary discharges. Only the UNION shall have the right on behalf of a disciplined or discharged employee to appeal a disciplinary or discharge action, and it must initiate this grievance at Step 2 of the grievance procedure.
25.
 4. Steps of the Procedure. An employee having a grievance may first discuss it with the employee's immediate supervisor and try to work out a satisfactory solution in an informal manner with the supervisor. The employee may have a UNION representative at this discussion. If a solution to the grievance, satisfactory to the employee and the immediate supervisor is not accomplished by informal discussion, the grievant may pursue the grievance further.
26. Step 1 / Intermediate Supervisor. The employee and the employee's representative shall submit a written statement of the grievance to the intermediate supervisor within fifteen (15) calendar days after the facts or event giving rise to the grievance, or within fifteen (15) calendar days from such time as the employee or UNION should have known of the occurrence thereof except for cases alleging sexual harassment, in which

ARTICLE I - REPRESENTATION

case the time limit herein shall be four (4) months. The UNION and the CITY agree that grievances must include the following:

- a. The specific reason or reasons for the grievance, including the date of the incident giving rise to the grievance, an explanation of the harm that occurred, and the name, classification, and department of the affected employee or employees;
- b. The section(s) of the Agreement which the UNION believes has been violated;
- c. The remedy or solution being sought by the Grievant.

27. The CITY shall return any grievance that does not include the information specified above. The UNION may resubmit an amended grievance adding missing information, and all dates and other provisions shall be triggered off the new submission date. If the UNION submits the amended grievance within fourteen (14) calendar days from the date the CITY returned the grievance, the CITY will not deny the grievance based on timeliness, unless the CITY asserts the original grievance was not timely.
28. The intermediate supervisor will make every effort to arrive at a prompt resolution by investigating the issue. The intermediate supervisor shall respond within fourteen (14) calendar days.
29. Step 2 / Appointing Officer or its designee. If the grievance is not satisfactorily resolved in Step 1, the grievance shall be submitted, in writing, to the Appointing Officer or designee within seven (7) calendar days. The Step 2 grievance shall contain a specific description of the basis for the grievance, the resolution desired, and a specific reason or reasons for rejecting the lower step response and advancing the grievance to the next step. The parties may meet. In any event, the Appointing Officer or designee shall, within fourteen (14) calendar days of receipt of the written grievance, respond in writing to the grievant and the UNION, specifying the reason(s) for concurring with or denying the grievance.
30. Step 3 / Director, Employee Relations Division. If the decision of the Appointing Officer or designee is unsatisfactory, the grievant and/or the UNION may, within fourteen (14) calendar days of receipt of such decision, submit the grievance to the City's Employee Relations Division ("ERD"). The Step 3 grievance shall contain a specific description of the basis for the grievance, the resolution desired, and a specific reason or reasons for rejecting the lower step response and advancing the grievance to the next step. ERD shall have fourteen (14) calendar days after receipt of the written grievance in which to review and seek resolution of the grievance and respond in writing.
31. Should there be no satisfactory resolution at Step 3, the UNION has the right to submit the grievance to final and binding arbitration within fourteen (14) calendar days of receipt of the Step 3 response. Only the UNION can advance a grievance to final and binding arbitration on behalf of the grievant.

ARTICLE I - REPRESENTATION

32. 5. Expedited Arbitration. All disciplinary actions, excluding suspensions of greater than fifteen (15) calendar days, and discharges, shall be processed through final and binding Expedited Arbitration proceeding. By written mutual agreement entered into before or during Step 3 of the Grievance Procedure, the parties may submit other grievances to the Expedited Arbitration process.
33. a. Scheduling. The parties agree to use the standing arbitrator selected by them pursuant to their expedited arbitration agreement in the Memorandum of Understanding for the SFMTA and the Transport Workers' Union, Local 250-A for Classification 9163 Transit Operators. If a standing arbitrator is not available under that agreement, the parties will choose an arbitrator pursuant to the selection process for non-expedited arbitrations that is provided below. Under no instance shall either the UNION or the CITY (and its departments) have less than ten (10) calendar days advance notice prior to the scheduling of an Expedited Arbitration, unless mutually agreed by the parties in writing.
34. b. Proceeding. No briefs will be used in Expedited Arbitration. Testimony and evidence will be limited consistent with the expedited format, as deemed appropriate by the arbitrator. There will be no court reporter or transcription of the proceeding, unless either party or the arbitrator requests one. At the conclusion of the Expedited Arbitration, the arbitrator will make a bench decision. Every effort shall be made to have a bench decision followed by a written decision. Expedited arbitration decisions will be non-precedential except in future issues regarding the same employee.
35. c. Costs. Each party shall bear its own expenses in connection with the presentation of its case. All fees and expenses of the arbitrator shall be borne and shared equally by the parties. The costs of a court reporter and the transcription of the proceeding, if any, shall be paid by the party requesting such, unless requested by the arbitrator, which will then be borne and equally shared by the parties. In the event that an Expedited Arbitration hearing is canceled resulting in a cancellation fee, the party initiating the request or causing the cancellation shall bear the full cost of the cancellation fee, unless the parties agree otherwise.
36. Step 4 / Final and Binding Arbitration (Not Expedited Arbitration). Should there be no satisfactory resolution at Step 3, and Expedited Arbitration is not invoked, the UNION shall have the right to submit the grievance to final and binding arbitration within fourteen (14) calendar days of receipt of the Step 3 response by submitting a request for arbitration to the ERD Director. The ERD Director shall respond to the UNION with the identity of the appropriate contact in the City Attorney's Office, and copy the City Attorney's Office, to notify the City Attorney's Office that the UNION has moved the grievance to arbitration. Counsel for the UNION shall coordinate with the City Attorney's Office to schedule the arbitration.
37. The UNION and the CITY shall attempt to select the arbitrator by mutual agreement. If the parties are unable to mutually select an arbitrator, they shall jointly request the State Mediation and Conciliation Service to submit a list of five arbitrators. The parties shall alternately strike from said list until a single name remains, and said arbitrator shall be designated to hear the matter. Whether the UNION or CITY deletes the first name in the alternating process shall be determined by lot.

ARTICLE I - REPRESENTATION

38. Except when a statement of facts mutually agreeable to the UNION and CITY is submitted to the arbitrator, it shall be the duty of the arbitrator to hear and consider facts submitted by the parties. It shall be the duty of the arbitrator to hold a hearing within thirty (30) calendar days of acceptance of appointment, or as soon as reasonably possible given the availability of the arbitrator, parties, and representatives. Should the designated arbitrator be unable to comply with this requirement, the parties will commence contacting other arbitrators on the panel, beginning with the last struck, until an arbitrator is selected who will meet such requirement.
39. a. Authority of the Arbitrator (both regular and expedited). The decision of the arbitrator shall be final and binding on all parties, unless challenged under applicable law. The arbitrator shall have no authority to add to, subtract from or modify the terms of this Agreement.
40. b. Costs of Arbitration. Each party shall bear its own expenses in connection therewith. All fees and expenses of the arbitrator and court reporter, if any, shall be borne and paid in full and shared equally by the parties. In the event that an Arbitration hearing is canceled resulting in a cancellation fee, the party initiating the request or causing the cancellation shall bear the full cost of the cancellation fee, unless the parties agree otherwise.
41. c. Economic Claims (both regular and expedited). In no event shall a grievance include a claim for money relief for more than a thirty (30) working day period prior to the initiation of the grievance, nor shall an arbitrator award such monetary relief.
42. 6. The Discipline Process. The CITY shall have the right to discipline any non-probationary permanent employee, temporary civil service employee, or provisional employee upon completion of twelve (12) months service, for just cause.
43. As used herein "discipline" shall be defined as written reprimands, written warnings, suspensions, disciplinary demotion and discharge. A change of work assignment, either to or from a particular assignment, may not be made solely for disciplinary purposes. Reassignments made for purposes of improving services or addressing performance problems shall not be considered disciplinary in nature and therefore shall not be in violation of this Article.
44. Employees who are released or disciplined during their initial probationary period or during any probationary period established by this CBA, may appeal the release or discipline provided that the grounds for the grievance or appeal shall be limited to a claimed violation of Article II.A. In such an appeal the employee shall bear the burden of proof with respect to the claimed violation.
45. No interview of an employee that may result in disciplinary action or at which discipline is to be imposed will be undertaken unless the employee is first advised of the employee's right to representation. If requested by the employee, such representation must be secured within the succeeding twenty-four (24) hour period, excluding holidays and weekends. If the employee does not secure representation within such period, the right is waived.
46. No written reprimands, written warnings, suspensions, disciplinary demotions and discharges of non-probationary permanent employees, temporary civil service employees, or provisional

ARTICLE I - REPRESENTATION

employees with twelve (12) months service, may be imposed unless the following procedure is followed:

47. a. The basis of any proposed discipline shall be communicated in writing to the employee and to the UNION no later than twenty (20) calendar days after management has concluded a reasonable investigation and attained findings on the event or occurrence which is the basis of the discipline, or the offense will be deemed waived.
48. b. Except in emergency situations, where immediate disciplinary action must be taken because of a violation of law or a CITY or department rule (theft, *etc.*), no disciplinary action can be taken without first providing the employee with the written charges and the materials upon which the charges are based.
49. c. The employee and the employee's representative shall be afforded a reasonable amount of time to respond, either orally at a meeting ("Skelly hearing"), or in writing, to the management official designated by the CITY to consider the reply. Should the employee and the employee's representative elect to respond orally at a Skelly hearing, the Department will notify the parties at least five (5) calendar days in advance of the meeting, whenever practicable. The employee and the employee's representative may present any relevant oral/written testimony and other supporting documentation as part of the employee's response. Individuals who may have direct knowledge of the circumstances may be present at the request of either party at the hearing for the purpose of giving relevant testimony. In the case of employees of the CITY, they shall be compensated at an appropriate rate of pay for time spent.
50. d. The employee shall be notified in writing of the decision based upon the information contained in the written notification, the employee's statements, oral/written testimony and other supporting documentation and any further investigation occasioned by the employee's statements. The employee's representative shall receive a copy of this decision.
51. e. Progressive Discipline: For most offenses, management is expected to use a system of progressive discipline under which the employee is given increasingly more severe discipline each time an offense is committed. Management is not bound by progressive discipline in cases of serious offenses where no specific warning or prior disciplinary action need precede separation for cause. A common pattern may include oral warning, written warning, suspension, and finally, separation for cause.

I.H. UNION SECURITY

1. Authorization for Payroll Deductions

52. a. The Union shall submit any request to initiate, change, or cancel deductions of Contributions from represented employees' pay according to the Controller's "Union Deductions Procedure" ("Procedure"), which the Controller may amend from time to time with reasonable notice to the Union. "Contributions" as used in this Section I.H. means Union membership dues, initiation fees, political action funds, other contributions, and any special membership assessments, as established and as may be changed from time to time by the Union.

ARTICLE I - REPRESENTATION

53. b. The City shall deduct Contributions from a represented employee's pay upon submission by the Union of a request, in accordance with the Procedure. The Procedure shall include, and the Union must provide with each request, a certification by an authorized representative of the Union, confirming that for each employee for whom the Union has requested deduction of Contributions, the Union has and will maintain a voluntary written authorization signed by that employee authorizing the deduction. If the certification is not properly completed or submitted with the request, the City shall notify the Union, and make the requested deduction changes only upon receipt of a proper certification.
54. c. The Procedure is the exclusive method for the Union to request the City to initiate, change, or cancel deductions for Contributions.
55. d. The City shall implement new, changed, or cancelled deductions the pay period following the receipt of a request from the Union, but only if the Union submits the request by noon on the last Friday of a pay period. If the Controller's Office receives the request after that time, the City will implement the changes in two following pay periods.
56. e. If an employee asks the City to deduct Contributions, the City shall direct the employee to the Union to obtain the Union authorization form. The City will not maintain a City authorization form for such deductions. If a represented employee hand delivers the official Union form authorizing such deductions to the Controller's Payroll Division, the City shall process the authorization and begin the deduction within thirty (30) days. The City will send the Union a copy of any authorization form that it receives directly from a represented employee.
57. f. Except as otherwise provided in this subsection 1, each pay period, the City shall remit Contributions to the Union, after deducting the fee under San Francisco Administrative Code Section 16.92. In addition, the City will make available to the Union a database that includes the following information for each represented employee: name; DSW number; classification; department; work location; work, home, and personal cellular telephone number; personal email address if on file with the City; home address; and any Contributions amount deducted.
58. g. Except as otherwise provided in this subsection 1, the City shall continue to deduct and remit Contributions until it receives notice to change or cancel deductions from the Union in accordance with the Procedure, or it receives an order from a court or administrative body directing the City to change or cancel the deductions for one or more employees.
59. h. With the exception of subsection (e) above, the Union is responsible for all decisions to initiate, change, and cancel deductions, and for all matters regarding an employee's revocation of an authorization, and the City shall rely solely on information provided by the Union on such matters. The City shall direct all employee requests to change or cancel deductions, or to revoke an authorization for deductions, to the Union. The City shall not resolve disputes between the Union and represented employees about Union

ARTICLE I - REPRESENTATION

membership, the amount of Contributions, deductions, or revoking authorizations for deductions. The City shall not provide advice to employees about those matters, and shall direct employees with questions or concerns about those matters to the Union. The Union shall respond to such employee inquiries within no less than 10 business days.

2. Indemnification

60. The Union shall indemnify, hold harmless, and defend the City against any claim, including but not limited to any civil or administrative action, and any expense and liability of any kind, including but not limited to reasonable attorney's fees, legal costs, settlements, or judgments, arising from or related to the City's compliance with this Section I.H. The Union shall be responsible for the defense of any claim within this indemnification provision, subject to the following: (a) the City shall promptly give written notice of any claim to the Union; (b) the City shall provide any assistance that the Union may reasonably request for the defense of the claim; and (c) the Union has the right to control the defense or settlement of the claim; provided, however, that the City shall have the right to participate in, but not control, any litigation for which indemnification is sought with counsel of its own choosing, at its own expense; and provided further that the Union may not settle or otherwise resolve any claim or action in a way that obligates the City in any manner, including but not limited to paying any amounts in settlement, taking or omitting to take any actions, agreeing to any policy change on the part of the City, or agreeing to any injunctive relief or consent decree being entered against the City, without the consent of the City. This duty to indemnify, hold harmless, and defend shall not apply to actions related to compliance with this Section I.H. brought by the Union against the City. This subsection 2 shall not apply to any claim against the City where the City failed to process a timely, properly completed request to change or cancel a Contributions deduction, as provided in subsection 1.

I.I. INFORMATION, BULLETIN BOARDS AND UNION ACCESS

61. Overtime Worked. The UNION may have access to records of overtime worked in each department, division or section.
62. Seniority Lists. A list of CITY Seniority and Work Seniority detailing the date of commencement of service for all employees and their ranking in order of work seniority shall be maintained at all times by the Department with a copy provided to the UNION upon request.
63. Upon request, the CITY will make available to the UNION Local 250-A a copy of its final and approved budget each fiscal year, as well as copies of any grant proposals which include the purchase of new equipment to be used by 7410 Automotive Service Workers.
64. The City shall reserve a reasonable amount of space on bulletin boards within City buildings for the distribution of Union literature. All posted literature shall be dated, identified by affiliation and author, and neatly displayed, and removed from the bulletin board by the Union when no longer timely. Except as stated below, the City agrees that identifiable Union literature shall not be removed from said bulletin boards without first consulting with the representative of the Union to determine if the literature should remain for an additional period of time. The Union shall not post literature that is discriminatory, harassing, or violates City

ARTICLE I - REPRESENTATION

policy or the law. The Department may remove this type of literature immediately and shall notify the Union of its removal.

65. The City shall provide Union reasonable access to all work locations to verify compliance with the terms and conditions of this Agreement and to confer with represented employees, provided that such access is subject to the rules and regulations immediately below.
66. Union agrees that its access to work locations will not disrupt or interfere with a City department's mission and services or the work of employees, or involve any political activities.
67. Union representatives must identify themselves upon arrival at a City department. Union representatives may use City meeting space with a reasonable amount of advance notice and approval from the City department, subject to availability.
68. The City may require a department representative to escort Union representatives when the Union representative seeks access to a work area where confidential or secure work is taking place, when the department would require an escort for other non-employees.
69. Nothing in this Section is intended to disturb existing City departmental Union access policies. Further, City departments may implement additional rules and regulations after meeting and conferring with the Union.

ARTICLE II – EMPLOYMENT CONDITIONS

ARTICLE II - EMPLOYMENT CONDITIONS

II.A. NON DISCRIMINATION

70. The City and the Union agree that discriminating against or harassing employees, applicants, or persons providing services to the City by contract because of their actual or perceived race, color, creed, religion, sex/gender, national origin, ancestry, physical disability, mental disability, medical condition (associated with cancer, a history of cancer, or genetic characteristics), HIV/AIDS status, genetic information, marital status, age, political affiliation or opinion, gender identity, gender expression, sexual orientation, military or veteran status, or other protected category under the law, is prohibited. This paragraph shall not be construed to restrict or proscribe any rule, policy, procedure, order, action, determination or practice taken to ensure compliance with applicable laws.
71. This section is not intended to affect the right of any employee to elect any applicable administrative remedy for discrimination proscribed herein. In the event that more than one administrative remedy is offered by the City, the Union and the employee shall elect only one. That election is irrevocable. It is understood that this paragraph shall not foreclose the election by an affected employee of any administrative or statutory remedy provided by law.
72. Neither the City nor the Union shall interfere with, intimidate, restrain, or coerce or discriminate against any employee because of the exercise of rights granted pursuant to the Meyers-Milias-Brown-Act.
73. The parties acknowledge the obligation of the CITY to enforce the rules and regulations set forth in the Family Medical Leave Act and the California Family Rights Act.

II.B. AMERICANS WITH DISABILITIES / REASONABLE ACCOMMODATION

74. Americans with Disabilities Act. The parties agree that the City is obligated to provide reasonable accommodations for persons with disabilities, in order to comply with the provisions of the Americans with Disabilities Act, the Fair Employment and Housing Act and all other applicable federal, state and local disability anti-discrimination statutes. The parties further agree that this Memorandum shall be interpreted, administered and applied in a manner consistent with such statutes. The City reserves the right to take any action necessary to comply therewith.

II.C. PERSONNEL FILES & OTHER PERSONNEL MATTERS

75. There shall be maintained only one official personnel file for an employee, and the employee shall have access to the file to review the file during normal working hours, upon reasonable request. The personnel files for employees covered by this CBA shall be maintained at the Personnel Office.
76. Personnel Files. No adverse material may be entered into the official personnel file without knowledge of the employee and a copy being given to the employee. Except as otherwise provided in this CBA, an employee will have the option to sign, date and attach a response to adverse material entered in the employee's personnel file within thirty (30) days of the

ARTICLE II – EMPLOYMENT CONDITIONS

employee having knowledge of the entry. At the request of an employee, materials relating to discipline that are two (2) or more years old shall be sealed to the extent permissible by law. The envelope containing any sealed documents will be retained in the employee's personnel file and may be opened for the purpose of assisting the CITY in defending itself in external legal or administrative proceedings. The sealed material shall not be used in disciplinary proceedings against the employee.

77. The immediately preceding paragraph shall not apply to disciplinary actions based on the use or being under the influence of drugs or alcohol at work; acts which would constitute a crime; acts which present an immediate danger to the public health and safety; workplace violence; dishonesty including misappropriation of public funds or property; or mistreatment of persons including retaliation, harassment or discrimination of other persons based on a protected class status or other violation of CITY Equal Employment Opportunity policies.
78. Discipline described in the above preceding paragraph may not be considered for subsequent disciplinary actions after seven (7) years, except for discipline for mistreatment of persons including retaliation, harassment or discrimination of other persons based on a protected class status or other violation of CITY Equal Employment Opportunity policies. Discipline resulting from a chemical dependency violation may not be considered for subsequent disciplinary actions after five (5) years.
79. Standards of Performance. The UNION recognizes the CITY's right to establish and/or revise performance levels, norms, or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, prepare work schedules, and to measure the performance of each employee or group of employees. However, if the employee does not authorize such deduction, the City shall offer the employee the option of a hearing, then pursue legal action to collect the overpayment if appropriate. Should recovery of overpayment of salary or wages be necessary, the Controller or its designee the Payroll Division, will make every attempt to minimize the hardship for the employee.

121. Correcting Problems. In correcting all employee underpayment or nonpayment problems, the following guidelines will be used to correct the most significant problems first:
122. No Check on Payday for the Pay Period. Highest priority, full payment to be issued as quickly as possible. 128. For example, Employee X earning a base rate of pay of ten dollars (\$10/hr.) per hour receives both Premium A (an additional \$0.65 per hour) and Premium B (5% increase to base pay). Employee X may NOT add Premium A to the employee's base wage

ARTICLE III – PAY, HOURS AND BENEFITS

Employees shall not be entitled to overtime compensation for work performed in excess of specified regular hours until they exceed eight (8) hours per day or forty (40) hours per week. Employees working in a flex-time program shall be entitled to overtime compensation as provided herein when required to work more than eighty hours per payroll period. ARTICLE III – PAY, HOURS AND BENEFITS

141. The Department of Human Resources shall determine whether work in excess of eight (8) hours a day performed within a sixteen (16) hour period following the end of the last preceding work period shall constitute overtime or shall be deemed to be work scheduled on the next work day.
142. Overtime shall be distributed as follows: Seniority by shift and shop will be the first consideration. Should an overtime opportunity become available in an individual shop (*i.e.*, running repair, fueling & servicing, heavy duty, body shop, *etc.*) within a division, then the most senior employee in such shop should receive first consideration. A rotating list will be used to disperse all overtime. The most senior person will be asked first, then each person, listed in order of seniority, will be asked in succession, until the rotation is completed. Should a person decline the person's chance, the overtime will then fall to the next person on the rotation listing.
143. Employees with poor attendance or unsatisfactory work performance shall be removed from the overtime wheel until such time as their attendance/work performance is documented as improved.

150. 5. Provided further, if January 1, July 4, November 11 or December 25 falls on a Sunday, the Monday following is a holiday.
151. 6. Floating Holidays. In addition to the holidays listed above, the employees covered under this CBA will receive five floating holidays. Floating Holidays may be taken in hourly increments up to and including the number of hours contained in the employee's regular shift. An employee’s performance evaluation may be used as evidence by either party in grievance arbitration; provided, however, that nothing in this section is intended to or shall make performance evaluations subject to the grievance procedure.
181. If an employee’s step advancement is withheld, that employee shall next be eligible for a step advancement on the employee’s salary anniversary date the following fiscal year. However, at any time before that date, the management/supervisor, in sole discretion, may grant the employee the withheld step increase, to be effective on or after the first pay period following the management/supervisor’s decision, with no retroactive payment allowed.
182. An employee’s salary anniversary date shall be unaffected by this provision.
183. 5. When records of service required for advancement in the step increments within a compensation grade are established and maintained by electronic data processing, then the following shall apply: An employee shall be compensated at the beginning step of the compensation grade plan, unless otherwise specifically provided for in this CBA. Employees shall receive salary adjustments through the steps of the compensation grade plan by completion of actual paid service in total scheduled hours equivalent to one year or six months, whichever is applicable.
184. 6. Paid service for this purpose is herein defined as exclusive of any type of overtime but shall include military or educational leave without pay.
185. 7. An employee who (1) has completed probation in a permanent position, (2) is “Laid Off” from said position, (3) is immediately and continuously employed in another classification with the CITY either permanent or temporary, and (4) is thereafter employed in the employee’s permanent position without a break in service, shall, for the purposes of determining salary increments, receive credit for the time served while laid off from the employee’s permanent position.

III.K. SICK LEAVE WITH PAY

186. Sick leave will be granted, accumulated, and used in accordance with applicable provisions of the Charter (Section 8.363), the Administrative Code (Section 16.17), CSC Rules and departmental rules and policies.
187. The CITY may require that any employee in this bargaining unit submit to an examination by a physician designated by the Department to determine the employee’s fitness to perform the employee’s duties.

ARTICLE III – PAY, HOURS AND BENEFITS

188. On returning from sick leave after an absence of more than five (5) working days, an employee must have a statement from the employee's doctor stating the diagnosis, the treatment given, and that the employee is capable of performing the employee's regular duties.
189. If an employee will not be at work on the employee's regularly scheduled day, the employee must notify the employee's supervisor not later than fifteen (15) minutes before the start of the employee's shift. If the employee's supervisor is not available, then the employee should call the contact person designated by the supervisor within the shop/unit. Only in the event that the employee is unable to reach the supervisor and the shop/unit contact person should the employee call the Department's designated secondary contact. All time actually worked by each employee shall be maintained on the Foreman's Time Report.
190. In the case of an employee diagnosed as suffering from mental or emotional stress, elevated blood pressure, eye or heart trouble, or any comparable condition that might affect the employee's ability to perform their duties, the Department may require the employee to report to the Employee Health Unit of the San Francisco General Hospital or other medical facility or physician designated by the Department for clearance before returning to work.
191. In the event of a disagreement between the doctor designated by the Department and the employee's doctor concerning the fitness of the employee to return to work, the Department's doctor and the employee's doctor shall mutually choose a specialist doctor and shall refer the employee to said specialist, whose bill shall be paid by Department. The opinion of the specialist doctor concerning the fitness of the employee to return to work shall resolve the disagreement.
192. The CITY may investigate suspected abuse of sick leave and may bring charges against any employee who willfully abuses the sick leave rules. Particular attention will be paid to patterns of absence.
193. Additional sick leave procedures may be promulgated by the Department after complying with the meet and confer requirements of the Meyers-Milias-Brown Act.

Use of compensatory time requires the employee's appointing officer's approval.

ARTICLE III – PAY, HOURS AND BENEFITS

196. An employee who wishes not to supplement, or who wishes to supplement with compensatory time or vacation, must submit a written request to the appointing officer or designee within seven (7) calendar days following the first date of absence. Disability indemnity payments will be automatically supplemented with sick pay credits (if the employee has sick pay credits and is eligible to use them) to provide up to the employee's normal salary unless the employee makes an alternative election as provided in this Article.
197. Employee supplementation of workers compensation payment to equal the full salary the employee would have earned for the regular work schedule in effect at the commencement of the workers compensation leave shall be drawn only from an employee's paid leave credits including vacation, sick leave balance, or other paid leave as available. An employee returning from disability leave will accrue sick leave at the regular rate and not an accelerated rate.
198. Salary may be paid on regular time-rolls and charged against the employee's sick leave with pay, vacation, or compensatory time credit balance during any period prior to the determination of eligibility for disability indemnity payment without requiring a signed option by the employee.
199. Sick leave with pay, vacation, or compensatory time credits shall be used to supplement disability indemnity pay at the minimum rate of one (1) hour units.

Average Contribution Amount

212. For purposes of this Agreement, to ensure that all employees enrolled in health insurance through the City’s Health Services System (HSS) are making premium contributions under the Percentage-Based Contribution Model, and therefore have a stake in controlling the long term growth in health insurance costs, it is agreed that, to the extent the City’s health insurance premium contribution under the Percentage-Based Contribution Model is less than the “average contribution,” as established under Charter section A8.428(b), then, in addition to the City’s contribution, payments toward the balance of the health insurance premium under the Percentage-Based Contribution Model shall be deemed to apply to the annual “average contribution.” The parties intend that the City’s contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model.

- s. “Refusing to Submit or Test” means a refusal to take a drug and/or alcohol test.
- t. “Safety-Sensitive Function” means the operation of a vehicle (including, but not limited to, any City owned or personal vehicles used during the course of the employee’s work day), power tools, vessel, device(s), mechanism(s), or equipment that is utilized to change the elevation of the employee.
- u. “Substance Abuse Prevention Coordinator” means a licensed physician, psychologist, social worker, certified employee assistance professional, or nationally certified addiction counselor with knowledge of and clinical experience in the diagnosis and treatment of alcohol-related disorders.
- v. “Split Specimen” means a part of the urine specimen in drug testing that is sent to a first laboratory and retained unopened, and which is transported to a second laboratory in the event that the employee requests that it be tested following a verified positive test of the primary specimen or a verified adulterated or substituted test result.
- w. “Substituted, Adulterated or Diluted Specimen” means a specimen submitted by a covered or prospective employee for which an approved testing laboratory reports the existence of an adulterant, interfering substance and/or masking agent or the sample is identified as a substituted specimen (as such terms are as defined in the DOT regulations, 49 C.F.R. Part 40), which shall be deemed a violation of this policy and shall be processed as if the test results were positive.

4. COVERED CLASSIFICATIONS/DEPARTMENTS

All classifications and positions indicated in Section 3(g) above shall be covered by this Policy. The parties may add or delete classifications or positions by mutual agreement.

5. SUBSTANCES TO BE TESTED

- a. The City shall test, at its own expense, for alcohol and/or the following controlled substances for Reasonable Cause/Suspicion and Post-Accident:
 - (1.) Amphetamines
 - (2.) Barbiturates
 - (3.) Benzodiazepines
 - (4.) Cocaine

- (5.) Methadone
- (6.) Opiates
- (7.) PCP
- (8.) THC (Marijuana)¹

- b. The City also recognizes that covered employees may at times have to ingest prescribed drugs or medications. If an employee takes any drug or medication known to have potential side effects that may interfere with job performance, the employee is required to immediately notify the designated Department representative of those side effects before performing the employee's job functions.
- c. Upon receipt of a signed release from the employee's licensed healthcare provider, the department representative may consult with healthcare provider to confirm specific job duties that the employee can perform while on prescribed medication. If the employee's healthcare provider is not readily available or none is given, the department representative may consult with any City-licensed healthcare provider before making a final determination as to whether the employee may perform the employee's job functions. However, if an employee, at the time of notification, brings in a medical note from the healthcare provider who prescribed the medication clearing the employee to work, then the City shall not restrict that employee from performing the employee's job functions.
- d. If an employee is temporarily unable to perform safety sensitive functions because of any potential side effects caused by prescribed medication, the employee shall be reassigned to perform non-safety sensitive functions without loss of pay until either the employee is off the prescribed medication or is cleared by a licensed healthcare provider. This reassignment shall last for a period of no more than thirty (30) working days. If, after thirty (30) working days, the employee is still on said medication and/or not cleared by a licensed healthcare provider to perform safety sensitive functions, the City may extend this accommodation for a period not to exceed thirty (30) working days, provided that the healthcare provider certifies that the employee is anticipated to be able to resume safety sensitive functions after that thirty (30) day period. Employees required to submit to testing shall immediately identify all prescribed medication(s) that they have taken.
- e. The City reserves the right to test, at its own expense, for over-use, misuse or abuse of prescribed and over-the-counter drug or medication which had a direct job-related impact or played a role in an accident, pursuant to the testing procedures described below

6. TESTING

I. Reasonable Cause/Suspicion

- a. Reasonable cause to test an employee for illegal drugs or alcohol will exist when specific, reliable objective facts and circumstances would create a good faith belief in a prudent person that the employee has used a drug or alcohol. Such circumstances include, but are not limited

¹ Prescription marijuana is treated as a controlled substance. The City, if deemed necessary, may test for Reasonable Cause/Suspicion and Post-Accident.

- to, the employee's behavior or appearance while on any City jobsite, while on City business or in City facilities, and recognized and accepted symptoms of intoxication or impairment caused by drugs or alcohol, that are not reasonably explained by other causes such as fatigue, lack of sleep, proper use of prescription drugs, or reaction to noxious fumes or smoke.
- b. Any individual or employee can report an employee who may be under the influence of alcohol or drugs. Upon receiving a report of possible alcohol or illegal drugs on the job, two (2) trained employer representatives will verify and document the basis for the suspicion and request testing. The first employer representative shall verify and document the employee's appearance and behavior based on the above-stated indicators and, if necessary, recommend testing to the second employer representative. At work locations within the border of the City and County of San Francisco (including San Francisco International Airport), the second employer representative shall verify and document the appearance and behavior of the employee based on the above-stated indicators and has final authority to require the employee to be tested. At work locations outside the border of the City and County of San Francisco, the second employer representative shall confer with the first employer representative to verify the employee's behavior based on the above-stated indicators, and has the final authority to require the employee to be tested.
 - c. If the City requires an employee under reasonable cause or suspicion to be tested, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City may allow a reasonable amount (a maximum of one hour) of time for the employee to obtain representation. Such request shall not delay the administration of the tests, however.
 - d. Moreover, if the City has reason to believe or suspect that a prescription medication may have interfered with or may have had a direct impact on an employee's job performance, it may require that employee to be tested.
 - e. The department representative(s) shall be required to accurately document and file the incident and the employee shall be required to complete a consent form prior to any testing. If an employee refuses to be tested, then the City shall treat the refusal as having tested positive and shall immediately take appropriate disciplinary action pursuant to the attached discipline matrix.
 - f. The City shall bear the costs for any required testing for alcohol and/or drugs under this section. Any counseling and rehabilitation services shall be on the employee's time and at the employee's cost, except that employees may use accrued paid time off to attend treatment and may utilize any resources covered by insurance. Employees shall have the right to use any accrued but unused leave balances while enrolled in any counseling or rehabilitation program. Any request by an employee to re-test a specimen shall be at the employee's cost.

II. Post-Accident

- a. The City may require a covered employee who was involved in an event that meets any of the following criteria to submit to drug and/or alcohol testing:

- (1.) Fatality;

- (2.) Employee involved in an on duty vehicular accident resulting in death and/or injury requiring transport for medical treatment;
 - (3.) Disabling damage to vehicles;
 - (4.) Damage to machinery, moving parts, or other non-vehicular equipment or structures in excess of \$500.00 and
 - (5.) When reasonable cause/suspicion exists.
- b. Following an accident, all covered employees subject to testing shall remain readily available for testing. An employee may be deemed to have refused to submit to substance abuse testing if the employee fails to remain readily available, including notifying a supervisor (or designee) of the accident location or if the employee leaves the scene of the accident prior to submitting for testing.
 - c. Nothing in this section shall delay medical attention for the injured following an accident or prohibit an employee from leaving the scene of an accident for the period necessary to obtain assistance in responding to the accident or to obtain necessary emergency medical care.

7. TESTING PROCEDURES

I. Laboratory

- a. The testing shall be done at a certified laboratory in California. Upon advance notice, the parties retain the right to inspect the laboratory to determine conformity with the standards described in this policy. The laboratory will only test for alcohol and drugs identified in this policy. The City shall bear the cost of all required testing.
- b. Testing procedures, including substances to be tested, specimen collection, chain of custody and threshold and confirmation test levels shall comport with the Mandatory Guidelines For Federal Workplace Testing Programs, established by the U.S. Department of Health and Human Services, as amended and the Federal Motor Carrier Safety Act regulations, where applicable. Drug tests shall be conducted by laboratories licensed and approved by SAMHSA, which comply with the American Occupational Medical Association (AOMA) ethical standards. Tests shall be by urine screening and shall consist of two procedures, a screen test (EMIT or equivalent) and if that is positive, a confirmation test (GC/MS). Alcohol tests shall be by breathalyzer.
- c. A covered or prospective employee at a Substance Abuse Prevention Coordinator-approved drug collection site must have a minimum of one piece of government-issued photo identification and may not leave the collection site for any reason – unless authorized by the collection agency – until the employee has fully completed all collection procedures. Failure to follow all collection procedures will result in the employee classified as “refusing to test.”
- d. Covered employees, who refuse to test, may be subject to disciplinary action, up to and including termination, pursuant to the attached discipline matrix.
- e. The specific required procedure is as follows:

- (1.) Urine will be obtained directly in a tamper-resistant urine bottle. Alternatively, the urine specimen may be collected at the employee's option in a wide-mouthed clinic specimen container that must remain in full view of the employee until transferred to, sealed and initialed, in separate tamper-resistant urine bottles.
 - (2.) Immediately after the specimen is collected, it will be divided into two (2) urine bottles, which, in the presence of the employee, will be labeled and then initialed by the employee and witness. If the sample must be collected at a site other than the drug and/or alcohol-testing laboratory, the specimens must then be placed in a transportation container. The container shall be sealed in the employee's presence and the employee must be asked to initial or sign the container. The container will be sent to the designated testing laboratory on that day or the earliest business day by the fastest available method.
 - (3.) A chain of possession form must be completed by the hospital, laboratory and/or clinic personnel during the specimen collection and attached to and mailed with the specimens.
- f. The initial test of all urine specimens will utilize immunoassay techniques. All specimens identified as positive in the initial screen must be confirmed utilizing gas chromatography/mass spectrometry (GC/MS) technique that identifies at least three (3) ions. In order to be considered "positive" for reporting by the laboratory to the City, both samples must be tested separately in separate batches and must also show positive results on the GC/MS confirmatory test.
 - g. All positive drug, positive alcohol or substitute, adulterated or diluted specimens as defined herein must be reported to a Medical Review Officer (MRO). The MRO shall review the test results and any disclosure made by the covered or prospective employee and shall attempt to interview the individual to determine if there is any physiological or medical reason why the result should not be deemed positive. If no extenuating reasons exist, the MRO shall designate the test positive. The MRO shall make good faith efforts to contact the individual, but failing to make contact within two (2) working days, may deem the individual's result a "lab positive." After the issuance of a "lab positive," the covered employee may be placed on paid administrative leave pursuant to Administrative Code section 16.17, and will be barred from returning to work until the employee makes a contact with the MRO and the MRO sends the Substance Abuse Prevention Coordinator a written confirmation of a negative result.
 - h. If the testing procedures confirm a positive result, as described above, the covered or prospective employee and the Substance Abuse Coordinator for the and departmental HR staff or designee City will be notified of the results in writing by the MRO, including the specific quantities. In the event the City proposes disciplinary action, the notice of the proposed discipline shall contain copies of all laboratory reports, forensic opinions, laboratory worksheets, procedure sheets, acceptance criteria and laboratory procedures.
 - i. In the event of a positive drug or alcohol test, the testing laboratory will perform an automatic confirmation test on the original specimen at no cost to the employee. In addition, the testing laboratory shall preserve a sufficient specimen to permit an independent re-testing at the employee's request and expense. The same, or any other, approved laboratory may conduct

re-tests. The laboratory shall endeavor to notify the MRO of positive drug, alcohol, or adulterant tests results within five (5) working days after receipt of the specimen. The employee may request a re-test within seventy-two (72) hours from notice of a positive test result by the MRO. The requesting party will pay costs of re-tests in advance.

- j. If the final test is confirmed negative, then the Employee shall be made whole, including, if any, the cost of the actual laboratory re-testing, provided that proper documentation is submitted to the City in a timely fashion.
- k. The Substance Abuse Prevention Coordinator shall assure that all specimens confirmed positive will be retained and placed in properly secured long-term frozen storage for a minimum of one (1) year, and be made available for retest as part of any administrative proceedings.
- l. All information from a covered or prospective employee's drug and/or alcohol test is confidential for purposes other than determining whether this policy has been violated. Disclosure of test results to any other person, agency, or organization is prohibited unless written authorization is obtained from the covered or prospective employee or as required by law. The results of a positive drug test shall not be released until the results are confirmed.

II. On-Site

- a. The parties agree that for post-accident purposes, the City may conduct "on-site" tests (alcohol breathalyzer testing and "Quicktest" urine testing) and only if any of those tests is "non-negative" will a confirmation test be performed. This on-site test is to enable the covered employee and the City to know immediately whether that employee has been cleared for work.
- b. In order to facilitate the on-site urine testing, the parties agree that an individual's sample will be divided into three separate containers. One of the containers will provide a sample for the on-site test that will be read within 5 to 10 minutes of collection. The other two containers will be sealed and sent to the lab, in the event a confirmation is necessary due to a "non-negative" outcome of an on-site test. The laboratory will store the split sample in accordance with SAMHSA guidelines. One of the two samples will be used for a confirmation test and the other will be made available to the employee for testing by a certified laboratory selected by the employee at the employee's expense.

8. RESULTS

- a. Any test revealing:
 - (i) a blood/alcohol level equal to or greater than 0.08 percent (or the established California State standard for non-commercial motor vehicle operations), or when operating a moving vehicle or performing a safety sensitive function as defined in this Policy, or
 - (ii) a blood/alcohol level equal to or greater than that 0.04 percent (or the established California State standard for commercial motor vehicle operations), when operating a commercial vehicle, shall be deemed positive.

9. CONSEQUENCES OF POSITIVE TEST RESULTS

- a. For reasonable cause/suspicion or post-accident, a covered employee shall be immediately removed from performing safety-sensitive functions and shall be subject to disciplinary action if any of the following takes place:
- b. The covered employee:
 - 1) Is confirmed to have tested positive for alcohol or drugs;
 - 2) Refuses to be tested; or
 - 3) Has submitted a specimen for which an approved testing laboratory reports the existence of an “adulterant”, interfering substance, masking agent or the sample is identified as a substituted specimen (as defined herein).
- c. If the Union disagrees with the proposed disciplinary action, it may utilize the grievance procedure as set forth in the parties’ Memorandum of Understanding, provided, however, that such an appeal must be initiated at the Employee Relations Director step, unless the parties otherwise mutually agree.
- d. All proposed disciplinary actions resulting from Consequences of Positive Drug/Alcohol Test(s) shall be administered pursuant to the disciplinary matrix contained herein.

10. RETURN TO DUTY

The Substance Abuse Prevention Coordinator will evaluate a covered employee who has tested positive. The Coordinator will evaluate what course of action, if any, and what assistance the employee needs, if any, and will communicate a return-to-work plan, if necessary, to the employee and department.

11. TRAINING

As soon as practicable but no later than thirty (30) days prior to the effective date of this Policy, the City or its designated vendor shall provide training on this policy from first-line, working supervisors to the Deputy Director level. In addition, all covered employees shall be advised of this policy and receive appropriate training.

12. ADOPTION PERIOD

This Policy shall go into effect on January 1, 2013.

13. JOINT UNION/CITY RELATIONS COMMITTEE

The parties agree to work cooperatively to ensure the success of this Policy. As such, any implementation and other matters of mutual interests concerning this Policy shall be discussed in the parties' Union/City Relations Committee ("UCRC"). The UCRC may also discuss adding or deleting covered classifications or positions from this Policy. The Director of Human Resources shall make a final decision based on the recommendations from the UCRC.

14. SAVINGS CLAUSE

Notwithstanding any existing substance abuse prevention programs, if any provision of an existing department policy, rule, regulation, or resolution is inconsistent with or in conflict with any provision of this Policy, this Policy shall take precedence. Should any part of this Policy be determined contrary to law, such invalidation of that part or portion of this Policy will not invalidate the remaining parts or portions. In the event of such determination, the parties agree to immediately meet and negotiate new provision(s) in conformity with the requirements of the applicable law and the intent of the parties hereto. Otherwise, this Policy may be modified by mutual consent of the parties. Such amendment(s) shall be reduced to writing.

Pending results of test, an employee may be removed from duty with pay or assigned non-safety sensitive functions without loss of pay.

Any employee who is subsequently determined to be the subject of a false positive or in the event a department deems the mitigating record may have been altered shall be made whole for any lost wages and benefits and shall have their record expunged. The record of the positive result shall be placed in a sealed envelope and shall not be considered in subsequent disciplinary proceedings.

If the Union disagrees with the proposed disciplinary action, it may utilize the grievance procedure as set forth in the Memorandum of Understanding, provided, however, that such an appeal must be initiated at the Employee Relations Director step, unless the parties otherwise mutually agree.

APPENDIX B: UNION ACCESS TO NEW EMPLOYEES PROGRAM

I. Purpose

The purpose of this agreement is to memorialize the rights and obligations of the City and the Union in accordance with CA Government Code Sections 3555-3559, through the creation of a single, City-wide Union Access to New Employees Program applicable to all City Agencies and all City Employee Unions.

II. Notice and Access

- A. The City shall provide the Union written notice of, and access to, new employee orientations (hereinafter NEOs) as set forth below. It is the City's policy that NEOs are mandatory for all newly-hired employees. It is the City's intent that NEOs take place as promptly as possible after the first day of employment. Within thirty (30) calendar days of the start of employment, newly-hired employees will be scheduled to attend the next available NEO. NEOs shall be scheduled during an employee's regularly scheduled, paid time. In the event that a newly-hired employee's regular schedule is outside of a scheduled NEO, the Department may make a one-time adjustment to the employee's work schedule in order to accommodate this requirement.

In the event an employee does not attend the NEO that the employee was scheduled to attend, said employee will be automatically enrolled to attend the next available NEO. If the employee does not attend the subsequently scheduled NEO, the Union NEO Coordinator may contact the Departmental NEO coordinator to arrange a meeting with the employee pursuant to Section F., below.

- B. Application: New employees include, but are not limited to, newly-hired employees whose positions are permanent, temporary, full-time, part-time, per diem, seasonal, provisional, or as-needed.

C. Notice

1. Single Point of Contact: The Union agrees to provide the City with a single point of contact (hereinafter, Union NEO Coordinator) and the City agrees to provide the Union with a single point of contact for each Department (hereinafter, Departmental NEO Coordinator), which will be updated by the City and the Union on an as-needed basis.
2. Notice of Schedule: For any NEO that takes place on a regular, recurring schedule, the sponsoring Department shall be responsible for providing annual notice to the Union. For NEOs that are not offered on a regular, recurring schedule, the sponsoring Department shall provide no less than ten (10) business days' notice. Said notices shall be provided by email, to the Union NEO Coordinator. This requirement shall apply to all NEOs in which City personnel provide newly-hired employees with information

regarding employment status, rights, benefits, duties, responsibilities, or any other employment-related matters.

3. Notice of Enrollment: Notice shall include a list of new employees represented by the Union scheduled to attend the NEO. If practical, the City agrees to provide additional identifying information including, but not limited to, classification and department. Six months from enactment, in the event the City is unable to provide classification and department information in the Notice of Enrollment, the Union can reopen this Agreement for the sole purpose of meeting and conferring over the identifying information provided in this Section II.C.3 Notice of Enrollment. Said meeting and conferring shall not be subject to the impasse procedures in Government Code Section 3557. The Department sponsoring the NEO shall provide the foregoing information no less than five (5) business days prior to the NEO taking place. The Department will make best efforts to notify the Union NEO Coordinator of any last-minute changes. Onboarding of individual employees for administrative purposes is excluded from this notice requirement.
- D. Citywide and Departmental NEOs: New employees in those Departments identified in Attachment A shall attend a citywide NEO, sponsored by the Department of Human Resources. This citywide NEO shall take place at minimum on a monthly basis. Departments identified in Attachment B will conduct respective Departmental NEOs. At the City's discretion, Departments may be added to or removed from either Attachment A or Attachment B. For the citywide NEO, DHR will adhere to the Department notice requirements in Section C., above. The City will provide the Union with thirty (30) calendar days' notice prior to moving a Department from Attachment A to B, or vice versa. Every City Department shall be listed on either Attachment A or Attachment B.
- E. Access and Presentation: At all NEOs, the Union shall be afforded thirty (30) minutes to meet with represented new employees who are present, unless the Union's Memorandum of Understanding (MOU) provides for more than thirty (30) minutes. The right of the Union to meet with newly-hired employees is limited to only those employees whose classifications fall within the Union's bargaining unit. The City shall ensure privacy for the Union's orientation, and it shall take place without City representatives present. This requirement can be met by providing either a private room or a portion of a room with sufficient distance from other activities in the room to limit disruption. The Department responsible for scheduling the NEO shall be responsible for including Union presentations on the agenda. The Union's presentation shall occur prior to any meal break, and will not be conducted during a scheduled break time. One (1) of the Union's representatives may be a Union member designated by the Union. Such member(s) shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member to attend the NEO. Release time shall not be unreasonably withheld. Said request shall be made to the Employee Relations Division no less than three (3) business days in advance of the scheduled NEO. The Union agrees to limit its presentation to only those matters stated in Section H., below.
- F. Alternate Procedures: In the event the Union identifies one or more new employees who did not attend the Union's presentation as described in Section E., above, the Union may contact the Departmental NEO coordinator to schedule a mutually-agreeable fifteen (15) minute time

G. slot for the Union to meet privately with the new employee(s). If the number of such identified employees is five (5) or more at a particular location, the Union NEO Coordinator and Departmental NEO Coordinator will work together to schedule a mutually agreeable thirty (30) minute time slot for the private meeting. One (1) of the Union's representatives may be a Union member designated by the Union, and such member shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member as provided for in Section E., above. This alternate procedure shall also apply to any employee who has promoted or transferred into the bargaining unit.

1. The Union NEO Coordinator shall coordinate with the new employee(s) referenced in the preceding paragraph and the Departmental NEO Coordinator to schedule a fifteen (15) minute meeting during normally scheduled hours, which shall not be during employee's break or meal period, for the Union representative(s) to meet privately with, and provide materials and information to, the new employee(s). City representatives shall not be present during said meeting. The Union agrees to limit its presentation to only those matters stated in Section H., below.
2. In the event the proposed time cannot be accommodated, the Union NEO Coordinator and the Departmental NEO Coordinator shall work together to find a mutually agreeable time within ten (10) business days of the Union's request.
3. Department of Elections: Any new employee of the Department of Elections who is classified as Temporary Exempt (Category 16), whose duration of appointment is one (1) pay period or less, and works on an as-needed work schedule will receive written materials provided by the Union in lieu of attending a Citywide or Departmental NEO, a private meeting with the Union as provided for in Section F., above, or a Periodic Union Orientation as provided for in Section G., below.

H. Process for Periodic Union Orientations: By mutual agreement, the Union NEO Coordinator and the Departmental NEO Coordinator may schedule periodic thirty (30) minute Union orientations. Periodic Union orientations may be scheduled on an every-other-month, quarterly, or other basis.

The following Departments shall maintain existing Union orientation arrangements: Department of Emergency Management; Sheriff's Department; and Police Department.

The 311 Customer Service Call Center shall maintain existing practice with respect to Union access to 311 Customer Service Agent Training.

I. Union Orientation Presentations: The Union agrees to limit its presentation to a general introduction to its organization, history, by-laws, and benefits of membership. The Union agrees not to engage in campaigning on behalf of an individual running for public elected office and ballot measures during the NEO, or other topics that would be considered beyond general discussion on the benefits of Union membership.

III. Data Provisions

Subject to the limitations contained in CA Government Code Section 3558, the City shall provide the Union with all required information on newly-hired employees to the extent it is made available to the City. In addition, within ten (10) business days of the conclusion of each NEO, the City agrees to provide the Union with a stand-alone report containing a list of employees, including classification code and division, who were scheduled to, but did not attend each NEO.

IV. Hold Harmless

The Union agrees to hold the City harmless for any disputes that arise between the Union and any new employee over application of this Agreement.

APPENDIX C: Substance Abuse Prevention Policy

1. MISSION STATEMENT

- a. Employees are the most valuable resource in the City's effective and efficient delivery of services to the public. The parties have a commitment to prevent drug or alcohol impairment in the workplace and to foster and maintain a drug and alcohol free work environment. The parties also have a mutual interest in preventing accidents and injuries on the job and, by doing so, protecting the health and safety of employees, co-workers, and the public.
- b. In agreeing to implement this Substance Abuse Prevention Policy (SAPP), the parties affirm their belief that substance abuse is a treatable condition. The City is committed to identifying needed resources, both in and outside of the City, for employees who voluntarily seek assistance in getting well. Those employees who voluntarily seek treatment prior to any testing shall not be subject to any repercussions or any potential adverse action for doing so. However, seeking treatment will not excuse prior conduct for which an investigation or disciplinary proceedings have been initiated.
- c. The City is committed to preventing drug or alcohol impairment in the workplace, and to fostering and maintaining a safe work environment free from alcohol and prohibited drugs at all of its work sites and facilities. In addition, the City maintains a drug and alcohol free workplace policy in its Employee Handbook.

2. POLICY

- a. To ensure the safety of the City's employees, co-workers and the public, no employee may sell, purchase, transfer, possess, furnish, manufacture, use or be under the influence of alcohol or Illegal Drugs at any City jobsite, while on City business, or in City facilities.
- b. Any employee, regardless of how the employee's position is funded, who has been convicted of any drug/alcohol-related crime that occurred while on City business or in City facilities, must notify the employee's department head or designee within five (5) days after such conviction. Failure to report within the time limitation shall subject the employee to disciplinary action, up to and including termination.

3. DEFINITIONS

- a. 4. COVERED CLASSIFICATIONS

All employees shall be subject to post-Accident testing under this Agreement. All employees who perform Safety-Sensitive Functions, as defined in this Policy, shall be subject to reasonable suspicion testing. This policy shall not apply to employees who are required to be tested under the regulations of the United States Department of Transportation.

5. SUBSTANCES TO BE TESTED

- a. The City shall test, at its own expense, for alcohol and/or the following drugs:

- (9.) Amphetamines
- (10.) Barbiturates
- (11.) Benzodiazepines
- (12.) Cocaine
- (13.) Methadone
- (14.) Opiates
- (15.) PCP
- (16.) THC (Cannabis)

- b. Prescribed Drugs or Medications.

The City recognizes that Covered Employees may at times have to ingest prescribed drugs or medications. If a Covered Employee takes any drug or medication that a treating physician, pharmacist, or health care professional has informed the employee (orally or on the medication bottle) will interfere with job performance, including driving restrictions or restrictions on the use of Equipment, the employee is required to immediately notify the designated Department representative of those restrictions before performing the employee’s job functions.

- 1. Upon receipt of a signed release from the Covered Employee’s licensed healthcare provider, the department representative may consult with Covered Employee’s healthcare provider to confirm specific job duties that the employee can perform while on prescribed medication. If the employee’s healthcare provider is not readily available, or none is given, the department representative may consult with any City-licensed healthcare provider before making a final determination whether the employee may perform the employee’s job functions. However, if an employee, at the time of notification, brings in a medical note from the healthcare provider who prescribed the medication clearing the employee to work, then the City shall not restrict that employee from performing job functions.

2. If a Covered Employee is temporarily unable to perform the job because of any potential side effects caused by prescribed medication, the employee shall be reassigned to perform a temporary modified duty assignment consistent with the employee's medical restrictions without loss of pay until either the employee is off the prescribed medication or is cleared by a licensed healthcare provider. This temporary modified duty reassignment shall last for a period of no more than thirty (30) working days. If, after thirty (30) working days, the employee is still on said medication and/or has not been cleared by a licensed healthcare provider to return to work without restrictions, the City may extend the temporary modified duty assignment for a period not to exceed thirty (30) working days, provided that the healthcare provider certifies that the employee is reasonably anticipated to be able to be able to return to work without restrictions after that thirty (30) day period. Employees who are unable to return to work under this provision shall be referred to the Department's human resources representative designated to engage with employees regarding possible reasonable accommodation under state and federal disability laws.

6. TESTING

I. Reasonable Suspicion Testing

- a. Reasonable suspicion to test a Covered Employee will exist when contemporaneous, articulable and specific observations concerning the symptoms or manifestations of impairment can be made. These observations shall be documented on the Reasonable Suspicion Report Form attached to this Appendix as Exhibit B. At least three (3) indicia of drug or alcohol impairment must exist, in two (2) separate categories, as listed on the Reasonable Suspicion Report Form. In the alternative, the employer representatives must confirm direct evidence of drug or alcohol impairment as listed on the Reasonable Suspicion Report Form.
- b. Any individual or employee may report another employee who may appear to that individual or employee to be under the influence of alcohol or drugs. Upon receiving a report of possible alcohol or drug use or impairment in the workplace, two (2) trained supervisory employer representatives will independently verify the basis for the suspicion and request testing in person. The first employer representative shall verify and document the employee's appearance and behavior and, if appropriate, recommend testing to the second employer representative. The second employer representative shall verify the contemporaneous basis for the suspicion. If reasonable suspicion to test a Covered Employee arises between 11:00 p.m. and 7:00 a.m., or at a location outside the geographic boundaries of the City and County of San Francisco (excluding San Francisco International Airport), and where a second trained supervisory employer representative cannot reasonably get to the location within thirty (30) minutes, then the second employer representative shall not be required to verify the basis for the suspicion in person, but instead shall verify by telephone or email. After completing the verification, and consulting with the first employer representative, the second employer representative has final authority to require that the Covered Employee be tested.

- c. If the City requires an employee under reasonable suspicion to be tested, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that the employee will be tested (up to a maximum of one hour) for the employee to obtain representation. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that the employee will be tested.
- d. Department representative(s) shall document the incident. If a Covered Employee Refuses to Submit to testing, then the City shall treat the refusal as a positive test, and shall take appropriate disciplinary action pursuant to the attached discipline matrix.

II. Post-Accident Testing

- a. The City may require a Covered Employee who caused, or may have caused, an Accident, based on information known at the time of the Accident, to submit to drug and/or alcohol testing.
- b. Following an Accident, all Covered Employees subject to testing shall remain readily available for testing. A Covered Employee may be deemed to have refused to submit to substance abuse testing if the employee fails to remain readily available, including failing to notify a supervisor (or designee) of the Accident location, or leaving the scene of the Accident prior to submitting to testing.
- c. Nothing in this section shall delay medical attention for the injured following an Accident or prohibit an employee from leaving the scene of an Accident for the period necessary to obtain assistance in responding to the Accident or to obtain necessary emergency medical care.
- d. If the City requires a Covered Employee to be tested post-Accident, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that the employee will be tested (a maximum of one hour) for the employee to obtain representation provided that the union representative meet the employee at the Accident site, work location or testing center as determined by the City. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that the employee will be tested.
- e. As soon as reasonably possible after the occurrence of an Accident, the supervisor or other City representative at the Accident scene shall make best efforts to contact the Department of Human Resources (DHR) or designee, and DHR or designee shall then make best efforts to telephone the union(s) first designated representative on file with DHR representing the Covered Employee(s) involved in the Accident. If the first designated representative does not answer, DHR or designee shall leave a voice mail message notifying the union of the Accident and telephone the union(s) second designated representative on file with DHR. For purposes of this paragraph, a

designated representative shall be any union officer or employee whose telephone number is on file with DHR for the purpose of Accident review. The union may change the designated representative, in writing, as necessary from time to time, but it is the sole responsibility of the union to ensure that a current telephone number (with voice mail capability) for two designated representatives are on file with DHR.

7. TESTING PROCEDURES

I. Collection Site

- a. If there is a trained Collector available on site, the City may conduct “on-site” tests (alcohol breathalyzer testing and oral fluid testing). If any of those tests are “Non-Negative,” a confirmation test will be performed. The on-site tests may enable the Covered Employee and the City to know immediately whether that employee has been cleared for work.
- b. If a trained Collector is not available on-site, the staff of a collection facility under contract to the City, or the City's drug testing contractor shall collect oral fluid samples from Covered Employees to test for prohibited drugs.
 - (1.) A Covered Employee presenting herself/himself at the approved drug collection site must have a minimum of one piece of government-issued photo identification and may not leave the collection site for any reason – unless authorized by the collection agency – until the employee has fully completed all collection procedures. Failure to follow all collection procedures will result in the employee classified as a “Refusal to Submit.”
- c. Covered Employees who Refuse to Test may be subject to disciplinary action, up to and including termination, pursuant to Exhibit A.
- d. Alcohol and drug testing procedures.
 - (1.) Alcohol Testing Procedure. Tests for alcohol concentration on Covered Employees will be conducted with a National Highway Traffic Safety Administration (NHTSA)-approved evidential breath testing device (EBT) operated by a trained breath alcohol technician (BAT). Alcohol tests shall be by breathalyzer using the handheld Alco-Sensor IV Portable Breath Alcohol Analyzer device, or any other U.S. Department of Transportation (DOT) approved breath analyzer device.
 - (2.) Drug Testing Procedure. Tests for drugs shall be by oral fluid collection. The oral fluid specimens shall be collected under direct visual supervision of a Collector and in accordance with the testing device manufacturer’s recommended procedures for collection. Screening results may be provided by the Collector or by a laboratory. Confirmation tests shall be conducted at a laboratory.

(3.)The Covered Employee being tested must cooperate fully with the testing procedures.

(4.)A chain of possession form must be completed by the Collector, hospital, laboratory and/or clinic personnel during the specimen collection and attached to and mailed with the specimens.

e. After being tested for drugs, the Covered Employee may be barred from returning to work until the department is advised of the final testing result by the MRO. During that period, the Covered Employee will be assigned to work that is not safety-sensitive or placed on paid administrative leave for so long as the Covered Employee is eligible for such leave under the terms of the applicable provision of the City's Administrative Code. The test shall be deemed a negative test if the MRO has not advised of the final testing result by the time the Covered Employee's paid leave has expired under the terms of the applicable provision of the City's Administrative Code.

II. Laboratory

a. Drug tests shall be conducted by laboratories licensed and approved by SAMSHA which comply with the American Occupational Medical Association (AOMA) ethical standards. Upon advance notice, the parties retain the right to inspect the laboratory to determine conformity with the standards described in this policy. The laboratory will only test for drugs identified in this policy. The City shall bear the cost of all required testing unless otherwise specified herein.

b. Tests for all controlled substances, except alcohol, shall be by oral fluid testing and shall consist of two procedures, a screen test and, if that is positive, a confirmation test.

c. To be considered positive for reporting by the laboratory to the City, both samples must be tested separately in separate batches and must also show positive results on the confirmatory test.

d. In the event of a positive test, the testing laboratory will perform an automatic confirmation test on the original specimen at no cost to the Covered Employee. In addition, the testing laboratory shall preserve a sufficient specimen to permit an independent re-testing at the Covered Employee's request and expense. The same, or any other, approved laboratory may conduct re-tests. The laboratory shall endeavor to notify the designated MRO of positive drug, alcohol, or adulterant tests results within five (5) working days after receipt of the specimen.

III. Medical Review Officer (MRO)

a. All positive drug, or Substituted, Adulterated, positive-Diluted Specimen, or Invalid Drug Test, as defined herein, will be reported to a Medical Review Officer (MRO). The MRO shall review the test results, and any disclosure made by the Covered Employee, and shall attempt to interview the individual to determine if there is any physiological or medical reason why the result should not be deemed positive. If no extenuating reasons exist, the MRO shall designate the test positive.

- b. When the laboratory reports a confirmed positive, Adulterated, Substituted, positive-Diluted, or Invalid test, it is the responsibility of the MRO to: (a) make good faith efforts to contact the employee and inform the employee of the positive, Adulterated, Substituted, positive-Diluted, or Invalid test result; (b) afford the employee an opportunity to discuss the test results with the MRO; (c) review the employee's medical history, including any medical records and biomedical information provided by the Covered Employee, or the treating physician, to the MRO; and (d) determine whether there is a legitimate medical explanation for the result, including legally prescribed medication. Employees shall identify all prescribed medication(s) that they have taken. If the Covered Employee fails to respond to the MRO within three (3) days, the MRO may deem the Covered Employee's result as a positive result.
- c. The MRO has the authority to verify a positive or Refusal To Test without interviewing the employee in cases where the employee refuses to cooperate, including but not limited to: (a) the employee refused to discuss the test result; or (b) the City directed the employee to contact the MRO, and the employee did not make contact with the MRO within seventy-two (72) hours. In all cases, previously planned leaves may extend this time. The MRO's review of the test results will normally take no more than three (3) to five (5) days from the time the Covered Employee is tested.
- d. If the testing procedures confirm a positive result, as described above, the Covered Employee and the Substance Abuse Prevention Coordinator (SAPC) for the City and departmental HR staff or designee will be notified of the results in writing by the MRO, including the specific quantities. The results of a positive drug test shall not be released until the results are confirmed by the MRO. The Covered Employee may contact the SAPC, or the MRO, to request a drug or adulterant retest within seventy-two (72) hours from notice of a positive test result by the MRO. The requesting party will pay costs of re-tests in advance.
- e. A drug test result that is positive and is a Diluted Specimen will be treated as positive. All drug test results that are determined to be negative and are Diluted Specimens will require that the employee take an immediate retest. If the retest yields a second negative Diluted Specimens result, the test will be treated as a normal negative test, except in the case of subsection (f).
- f. If the final test is confirmed negative, then the Employee shall be made whole, including the cost of the actual laboratory re-testing, if any. Any employee who is subsequently determined to be subject of a false positive shall be made whole for any lost wages and benefits, and shall have their record expunged.
- g. The City shall assure that all specimens confirmed positive will be retained and placed in properly secured long-term frozen storage for a minimum of one (1) year, and be made available for retest as part of any administrative proceedings.
- h. All information from a covered employee's drug and/or alcohol test is confidential for purposes other than determining whether this policy has been violated or pursuing disciplinary action based upon a violation of this policy. Disclosure of test results to any

other person, agency, or organization is prohibited unless written authorization is obtained from the Covered Employee or as required by law.

8. RESULTS

a. Substance Abuse Prevention and Detection Threshold Levels.

For post-Accident or reasonable suspicion testing where the Covered Employee was operating a commercial motor vehicle, any test revealing a blood/alcohol level equal to or greater than 0.04 percent, or the established California State standard for commercial motor vehicle operations, shall be deemed positive. For all other post-Accident or reasonable suspicion testing, any test revealing a blood/alcohol level equal to, or greater than, 0.08 percent, or the established California State standard for non-commercial motor vehicle operations, shall be deemed positive. Any test revealing controlled substance confirmation level as shown in the chart below shall be deemed a positive test.

CONTROLLED SUBSTANCE *	SCREENING LEVEL**	CONFIRMATION LEVEL**
Amphetamines	50 ng/ml	5 ng/ml
Barbiturates	20 ng/ml	20 ng/ml
Benzodiazepines	1 ng/ml	0.5 ng/ml
Cocaine	5 ng/ml	8 ng/ml
Methadone	5 ng/ml	10 ng/ml
Opiates	10 ng/ml	10 ng/ml
PCP (Phencyclidine)	1 ng/ml	5 ng/ml
THC (Cannabis)	1 ng/ml	2 ng/ml
* All controlled substances including their metabolite components. ** Screening and confirmation levels are set by vendor within identified ng/ml range consistent with oral fluids testing device and industry standards. If federal screening and confirmation guidelines are adopted, the City in consultation with its drug testing vendor shall have the option of testing at the federally approved screening and confirmation ng/ml levels.		

b. The City reserves the right to discipline in accordance with the chart set forth in Exhibit A for abuse of prescribed and over-the-counter drugs or medications, pursuant to the testing procedures described above, as determined by the MRO.

9. CONSEQUENCES OF POSITIVE TEST RESULTS

For post-Accident or reasonable suspicion, a Covered Employee shall be immediately removed from performing the job or, in the alternative, may be temporarily reassigned to work that is not safety-sensitive if such work is available. The Covered Employee shall be subject to disciplinary action,

and shall meet with the SAPC, as set forth in Exhibit A, and section 10 below, if the Covered Employee:

- (1.) Is confirmed to have tested positive for alcohol or drugs;
 - (2.) Refuses to Submit to testing; or
 - (3.) Has submitted a specimen that the testing laboratory report is an Adulterated or Substituted Specimen.
- a. If the Union disagrees with the proposed disciplinary action, it may use the grievance procedure as set forth in the parties' MOU, provided, however, that such a grievance must be initiated at the Employee Relations Director step, unless the parties otherwise mutually agree.
 - b. All proposed disciplinary actions imposed because of a positive drug/alcohol test(s) shall be administered pursuant to the disciplinary matrix set forth in Exhibit A. Subject to good cause, the City may impose discipline for conduct in addition to the discipline for a positive drug/alcohol test. The positive test may be a factor in determining good cause for such additional discipline.
 - c. In the event the City proposes disciplinary action, the notice of the proposed discipline shall contain copies of all laboratory reports and any other supporting documentation upon which the City is relying to support the proposed discipline.

10. RETURN TO DUTY

The SAPC will meet with a Covered Employee who has tested positive for alcohol and/or drugs. The SAPC will discuss what course of action may be appropriate, if any, and assistance from which the employee may benefit, if any, and will communicate a proposed return-to-work plan, if necessary, to the employee and department. The SAPC may recommend that the Covered Employee voluntarily enter into an appropriate rehabilitation program administered by the Covered Employee's health insurance carrier prior to returning to work. The Covered Employee may not return to work until the SAPC certifies that the employee has a negative test prior to returning to work. In the event that the SAPC does not schedule a return-to-work test before the Covered Employee's return-to-work date, the SAPC shall arrange for the Covered Employee to take a return-to-work test within three (3) working days of the Covered Employee notifying the SAPC in writing of a request to take a return-to-work test. If a Covered Employee fails a return-to-work test, the employee shall be placed on unpaid leave until testing negative but shall not be subject to any additional discipline due to a non-negative return-to-work test. The SAPC will provide a written release to the appropriate department or division certifying the employee's right to return to work.

11. TRAINING

The City or its designated vendor shall provide training on this policy to first-line, working supervisors and up to the Deputy Director level as needed. In addition, all Covered Employees shall be provided with a summary description of the SAPP notifying them of their right to union representation in the event that they are required to be tested.

12. JOINT CITY/UNION COMMITTEE

The parties agree to work cooperatively to ensure the success of this policy. As such, a Joint City/Union Committee shall be established with two (2) members from the City and two (2) members from each Union, except that no Union shall be required to participate. The Committee shall meet on an annual basis and, in addition, on an as-needed basis to address any implementation issues and review available data concerning the implementation of this policy.

13. SAVINGS CLAUSE

Notwithstanding any existing substance abuse prevention programs, if any provision of an existing department policy, rule, regulation, or resolution is inconsistent with or in conflict with any provision of this policy, this policy shall take precedence. Should any part of this policy be determined contrary to law, such invalidation of that part of this policy will not invalidate the remaining parts. If operational barriers arise that make implementation of any part of this policy impossible or impracticable, such operational barriers will not invalidate the remaining parts of this policy. In the event of a determination that a part of the policy is contrary to law or if operational barriers arise, the parties agree, with the intent of the parties hereto, to immediately meet and negotiate new provision(s) in conformity with the requirements of the applicable law, or which will remove the operational barrier. Should the parties fail to agree on a resolution, the matter will be submitted to binding arbitration using the factors set forth in Charter section A8.409-4(d), and, as appropriate, Charter section 8A.104(n). Otherwise, this policy may only be modified by mutual consent of the parties. Such amendment(s) shall be reduced to writing.
