PURPOSE AND DESCRIPTION

Purpose

This document provides steps and information to help business entities that have already become Registered Bidders and that want to become Approved Suppliers to the City & County of San Francisco. If your business already has a Supplier account, you should not be creating a new Supplier account in the system. If you are unsure if your business already has a Supplier account, then you should contact User Support at 415.944.2442 for assistance.

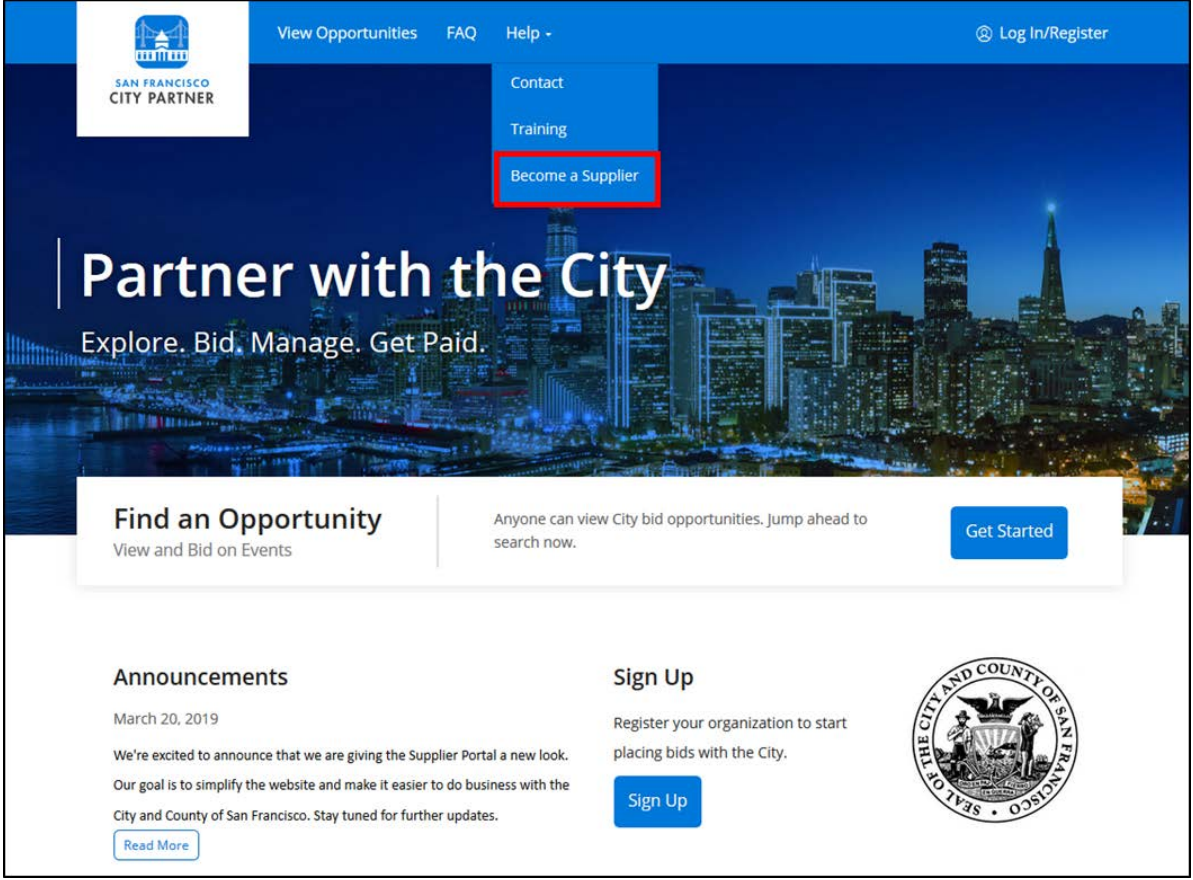

Key Background Information

Becoming a Supplier to the City & County of San Francisco is a two-tier process.

- **Registered Bidder:** The first step to begin working with the City is a short registration process in order to become a “Registered Bidder”. Being a “Registered Bidder” will allow your business to view and bid on contracts (however your business cannot be fully awarded a City contract until it goes through the steps required to become an Approved Supplier).
- **Approved Supplier:** Although “Registered Bidders” can view and bid on City business, in order to be fully awarded a City contract, a Registered Bidder will have to go through the Business Tax Registration and 12B Declaration processes required to become an “Approved Supplier”. The time to complete these can vary, and we strongly recommend that you start these processes as soon as possible to expedite your contract wins.

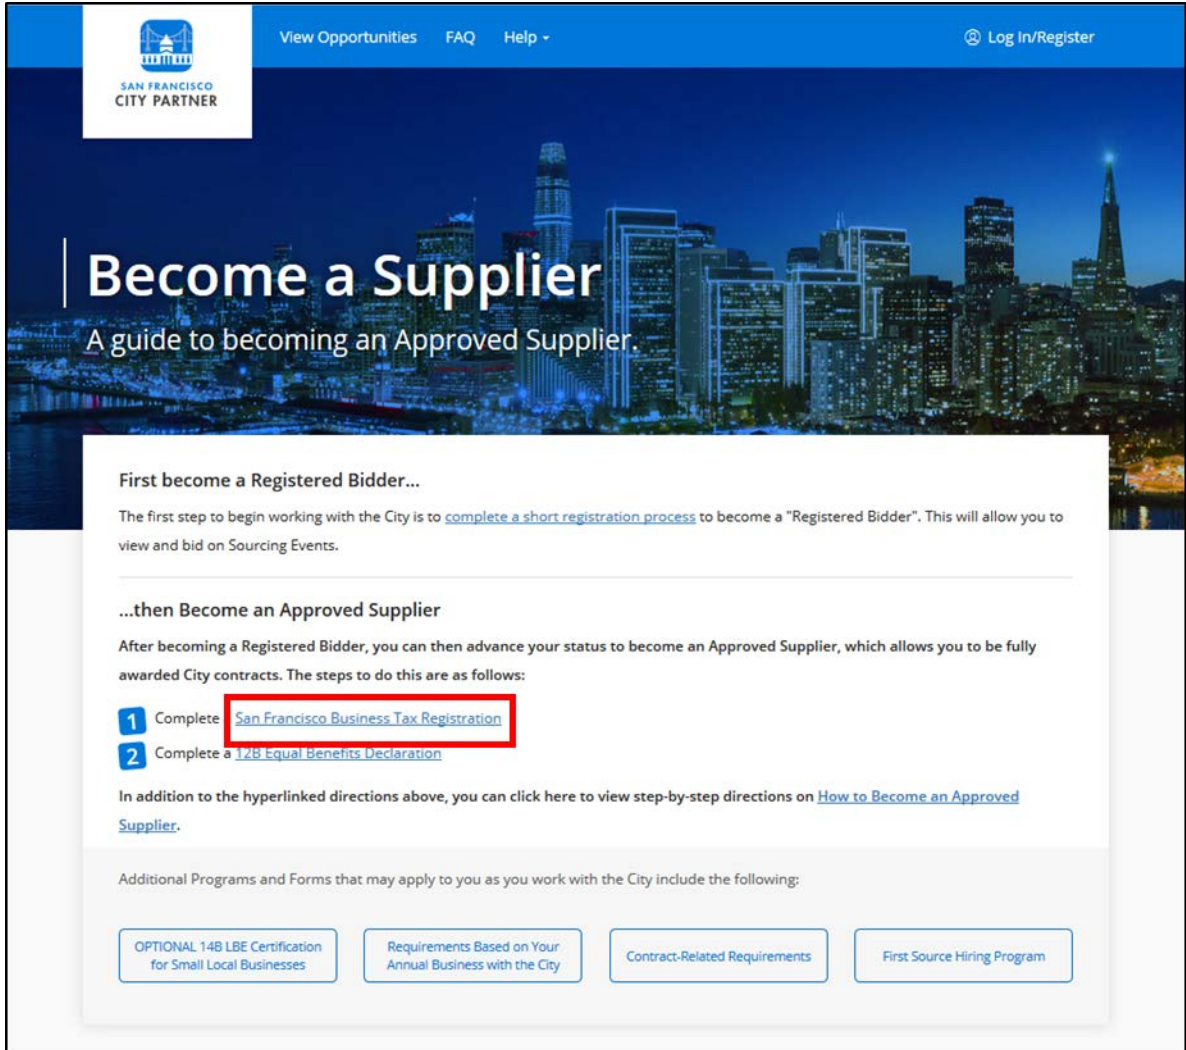

TOPIC 1: HOW TO BECOME AN APPROVED SUPPLIER

Step	Action
<p>1.</p>	<p>If you are already a Registered Bidder, then you can follow the steps to become an Approved Supplier. Go to the SF City Partner website at https://sfcitypartner.sfgov.org.</p>  <p>The screenshot shows the SF City Partner website interface. At the top, there is a navigation bar with links for 'View Opportunities', 'FAQ', and 'Help -'. On the right side of the navigation bar, there is a 'Log In/Register' link. A dropdown menu is open, showing 'Contact', 'Training', and 'Become a Supplier', with the latter highlighted by a red rectangular box. Below the navigation bar, the main content area features a city skyline background with the text 'Partner with the City' and 'Explore. Bid. Manage. Get Paid.'. There is a 'Find an Opportunity' section with a 'Get Started' button. At the bottom, there are 'Announcements' and 'Sign Up' sections, both with 'Sign Up' buttons. The official seal of the City and County of San Francisco is visible in the bottom right corner of the screenshot.</p>

2. Click on the “Help” pulldown menu and click on “Become a Supplier”. This will bring to the screen shown below. There are two main parts to becoming an Approved Supplier:
- Completing a San Francisco Business Tax Registration, and
 - Completing a 12B Equal Benefits Declaration form.

San Francisco Business Tax Registration:

3. You should first attend to your Business Tax Registration Certificate with the Treasurer & Tax Collector's office. **Click on the San Francisco Business Tax Registration hyperlink**, which will bring you to the screen shown below (at <https://newbusiness.sfgov.org/vendor/>).

CCSF Supplier - Business Registration

Business Registration is required for all entities that conduct business in SF and determines your tax responsibilities. Upon establishment of your business, you will receive a Business Account Number (BAN) and a Business Certificate (to be posted in your location). In some cases, suppliers may not be required to register. To become a supplier, please visit: <http://sfcitypartner.sfgov.org>. You must have a Bidder/Supplier ID Number to complete this form.

Use this form to:

1. Determine if your business needs to register in San Francisco.
2. Register your business and/or link your existing business account to your Bidder/Supplier ID Number.
3. Declare that you do not need to register as a business in San Francisco.

Are you already registered?

Are you a registered business with a Business Account Number (or Business Registration Certificate)? If so, use the link provided to link your Bidder/Supplier ID Number to your Business Account Number [Click here to enter your BAN and Bidder/Supplier ID Number](#)

5A. If your answer is **“No”** to all of these questions, the **“Continue”** button will appear. Click the **“Continue”** button and an **“In-Lieu of Business Registration”** form will appear that you will need to complete and submit.

If you are not registered as a business:

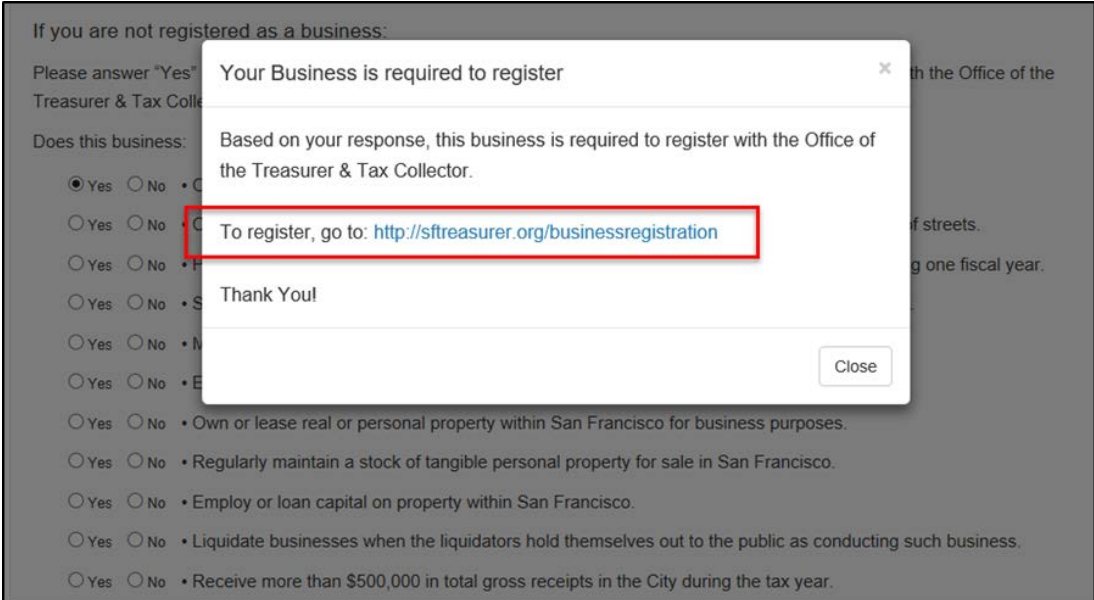

Please answer “Yes” or “No” to the questions below to determine if you are required to register as a business with the Office of the Treasurer & Tax Collector.

Does this business:

- Yes No • Operate as an independent contractor within San Francisco.

5B. If you responded “Yes” to any question in the list, you will be required to register with the Office of the Treasurer & Tax Collector for a San Francisco Business Tax Registration certificate. In this case, *click* on the <http://sftreasurer.org/businessregistration> link shown below and follow the directions on the screen.

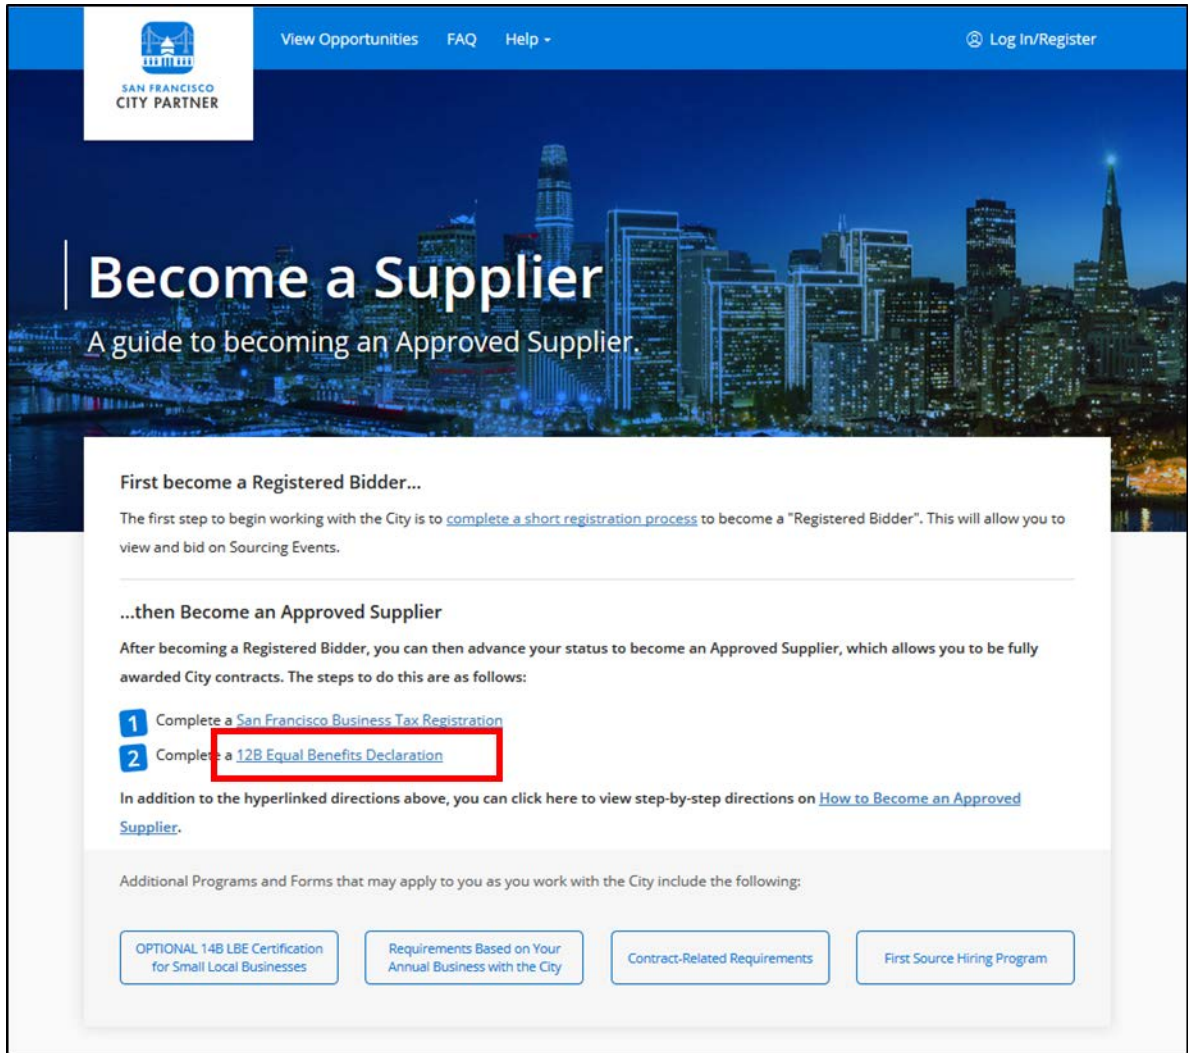

The screenshot shows a registration form titled "If you are not registered as a business:". It contains several questions with "Yes" and "No" radio button options. A white pop-up window is overlaid on the form. The pop-up text reads: "Your Business is required to register", "Based on your response, this business is required to register with the Office of the Treasurer & Tax Collector.", "To register, go to: <http://sftreasurer.org/businessregistration>", and "Thank You!". A "Close" button is located at the bottom right of the pop-up. The link in the pop-up is highlighted with a red rectangular box.

6. **Once your Business Tax Registration has been processed and entered into the PeopleSoft system, your Bidder ID will be converted to a Supplier ID and you will receive a notification with your new Supplier ID Number.** At this point you will be listed as a Supplier in the PeopleSoft system. Your log-on should remain unchanged but should now direct you to your business’ Supplier account (and not your old Bidder account). However, you will still need to be verified as complying with the 12B Administrative Code to be fully awarded any contracts.

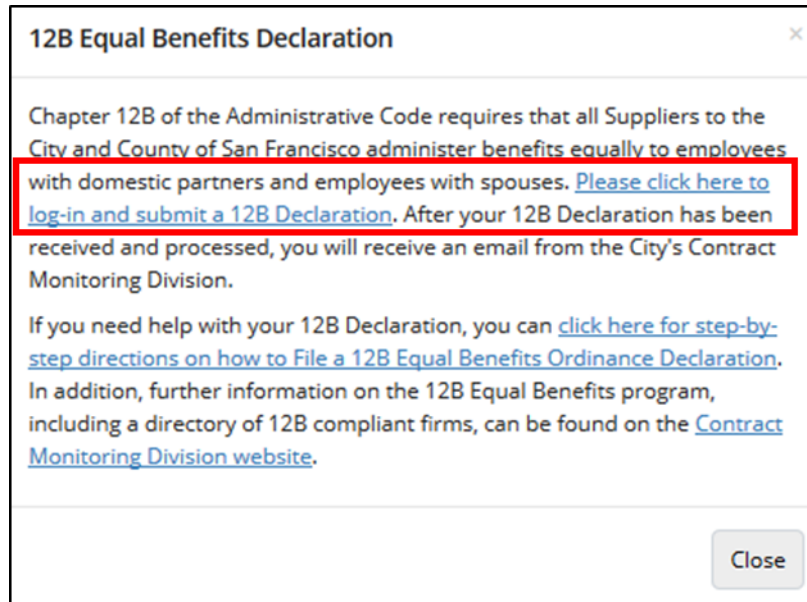

12B Equal Benefits Ordinance Declaration:

- 7. Next, you will need to submit your 12B Declaration. Chapter 12B of the San Francisco Administrative Code (the Equal Benefits Ordinance) requires firms that provide goods or services to the City and County of San Francisco to administer benefits equally to employees with domestic partners and employees with spouses. This declaration is part of the process of verifying that your business complies with this Administrative Code.

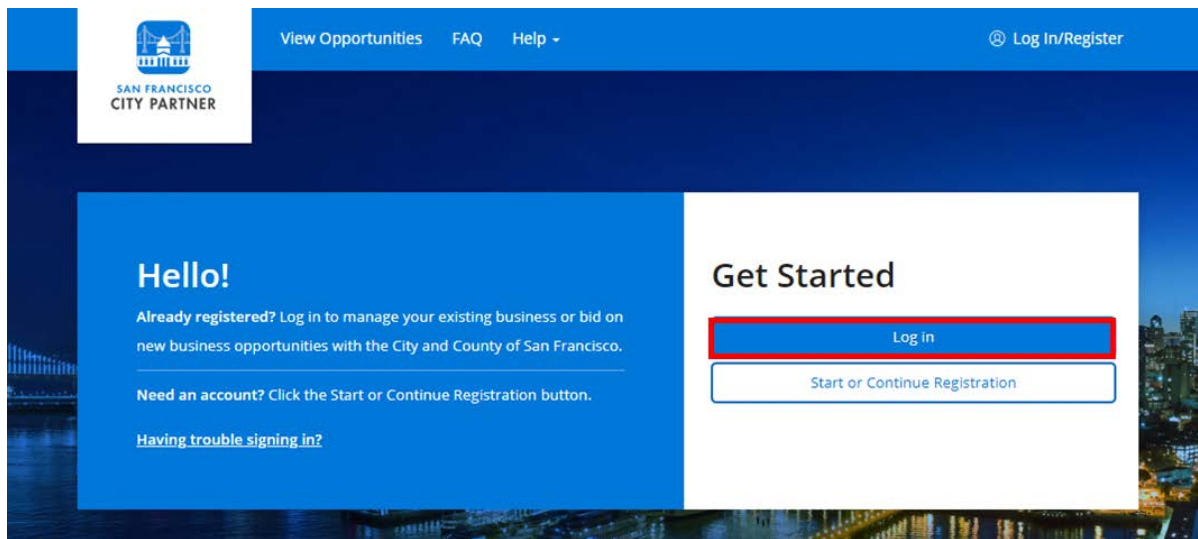

8. From the Become a Supplier page on the SF City Partner website, **click on the 12B Equal Benefits Declaration hyperlink**. Then, in the pop-up box shown below, click on the **Please click here to log-in and submit a 12B Declaration** hyperlink.

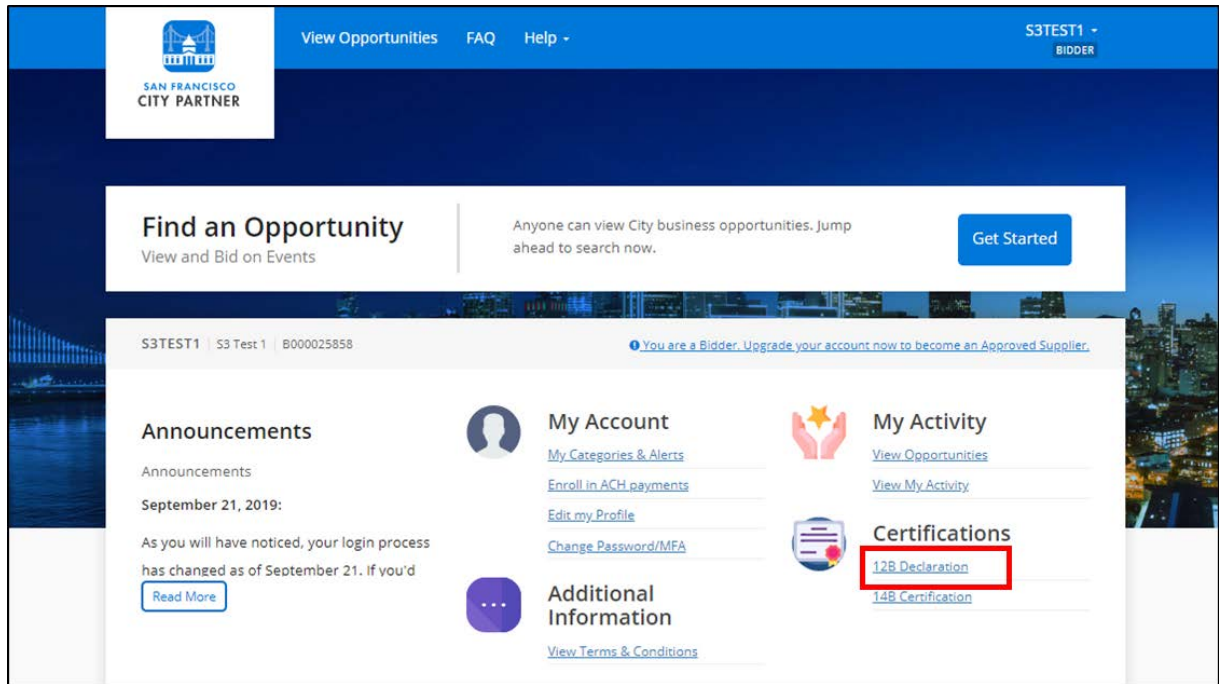

9. You'll then be taken to the log-in page shown below. **Click Log in to start the log-in process**. Please look to the "How to Log In to the SF City Partner Website" job aid for details on this process.

10. After you have logged into the system, you'll land on the main Workcenter page. Click on the **12B Declaration** hyperlink.

11. Click on the **Add a New Value** tab and choose **“Bidder”** in the **Declaration Type** Field (the SetID field should already say **“SHARE”** and the Declaration Number field should already say **“NEXT”**). Then click **“Add”** and you will be brought to the 12B Compliance Declaration page, which is shown in the following four screens.

12.

In the top part of the 12B Declaration (shown below), **be sure to review the “S.F. Administrative Code Chapters 12B & 12C: Nondiscrimination in Contracts and Benefits” section as well as the “Audits & Required Documentation” text.**

S.F. ADMINISTRATIVE CODE CHAPTERS 12B & 12C: NONDISCRIMINATION IN CONTRACTS AND BENEFITS

The Equal Benefits Ordinance prohibits the City and County of San Francisco from contracting with vendors that discriminate in the provision of benefits between employees with domestic partners and employees with spouses, and between the domestic partners and spouses of such employees.

- Domestic Partners are same-sex and opposite-sex couples registered with any state or local government domestic partner registry authorized to perform such registrations
- Domestic partnerships and marriages may only be verified to the same extent and in the same manner. For example, waiting periods to qualify for benefits must be the same for domestic partners and spouses. Domestic partner registry certificates must be recognized as fully equivalent to marriage certificates

AUDITS & REQUIRED DOCUMENTATION

The City and County of San Francisco regularly audits firms to verify that declaration responses and supporting documentation provided are complete and accurate. For a detailed description of compliant documentation, [click here](#) for the Chapter 12B Equal Benefits Documentation Guide.

To be certified under Chapters 12B & 12C you must submit proper documentation confirming that your firm has already fully implemented equal benefits for employees with spouses and employees with domestic partners, and between the spouses and domestic partners of such employees.

The following documentation must be submitted to complete this declaration:

- Most recent legal verification of employee count/firm structure, for example, a W-3 Form, DE 1 Form, DE 9 Form or an annual San Francisco Payroll Expense Tax Statement. (Please redact confidential employee information.)
- A copy of a memorandum that has been distributed to your firm’s employees detailing the firm’s compliant nondiscrimination and domestic partner benefit policies. [Click here](#) to download a sample 12B Compliant Memorandum to Employees.

Note: The memorandum is not a substitute for fully compliant incorporation of domestic partner language in your firm’s benefit policies. You may also be required to provide benefit documentation to verify that your firm does not discriminate in the provision of benefits. Such documentation may include your employee handbook, confirmations from your insurance, union and/or retirement documents. Failure to offer benefits in accordance with the San Francisco Chapter 12B Equal Benefits Ordinance may result in suspension of your firm’s compliance status, financial penalties and/or the inability to contract with the City and County of San Francisco.

- 13.** In the “Company Information” and “Compliance Question” sections (shown above), fill in the following:
- **No. of Employees in the U.S.** Enter the number of employees your business has. Enter zero if you are an individual providing services to the City (with no additional employees).
 - **Add Attachment:** You will need to upload legal verification of your employee count and firm structure. This legal verification can include a W-3 Form, DE-1 Form, DE-9 Form, or an annual San Francisco Payroll Tax Statement.
 - **Are any of your employees covered by a collective bargaining agreement or union trust fund:** Select Yes or No for this question. If yes, specify the Union Name in the box provided.
 - **Select a default address location and contact:**
 - In the Address section, put a checkmark in front of one of your addresses to designate it as the default location.
 - In the Contact section, put a checkmark in front of one of your contacts to designate that person as the default contact.
 - **Compliance Question:** Answer the compliance questions.

APPENDIX: TROUBLESHOOTING TECH ISSUES

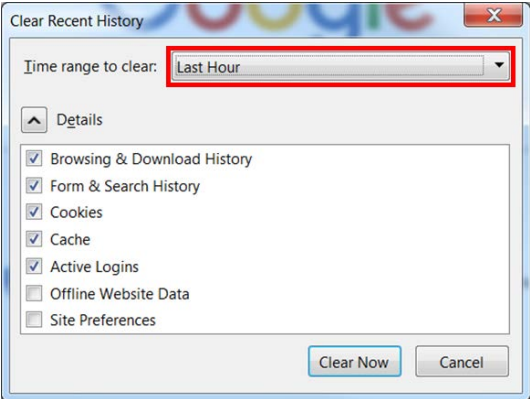

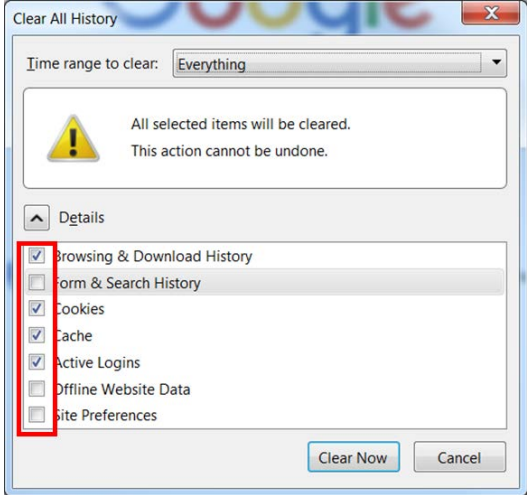

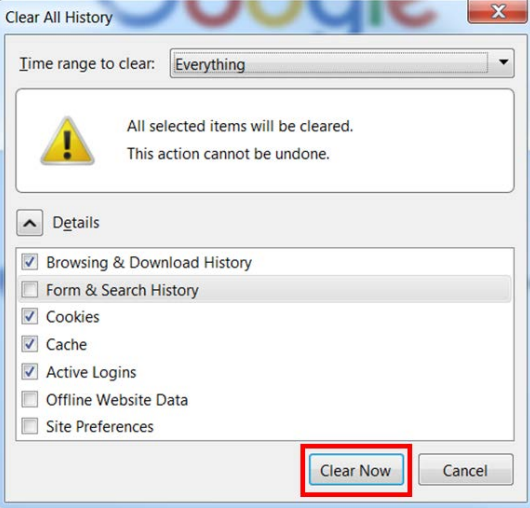

Managing Pop-Up Blockers	
1.	The SF City Partner Portal and the PeopleSoft system use pop-up windows, which will be an issue if your system is not set up to allow these popups. Please change the settings in your browser to allow popups or add this website (epufspi-bifrost.sfgov.org) to your browser’s list of “trusted sites”.

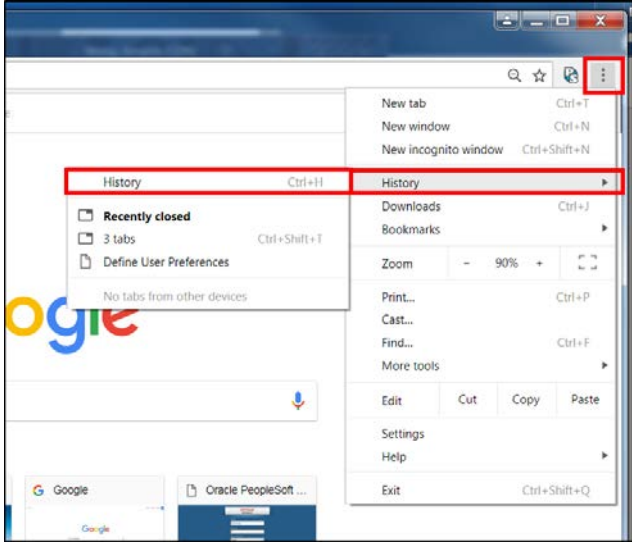

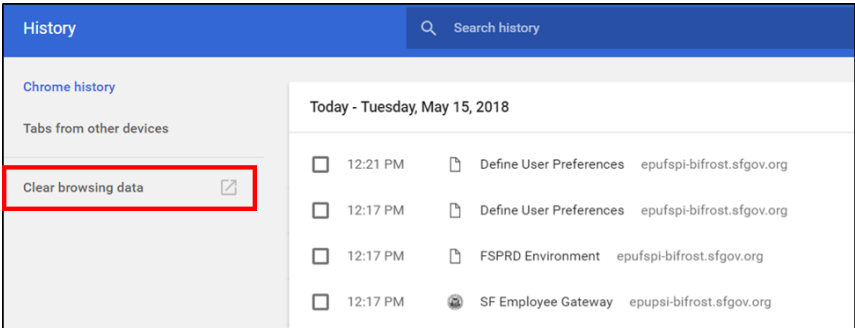

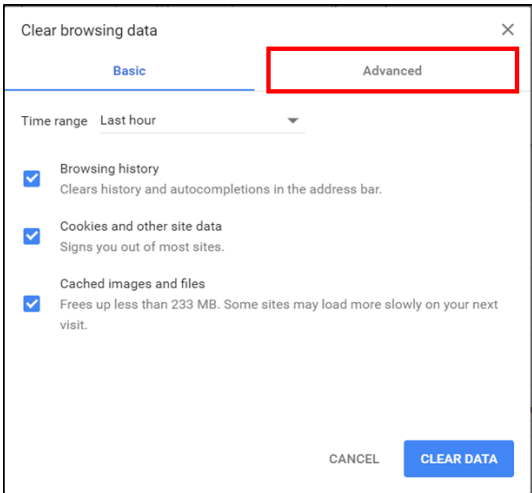

Log-In Issues	
2.	<p>The Department of Technology manages log-on assignments and passwords. If you are having connection or log-on issues with the PeopleSoft system, contact the Department of Technology Help Desk at 628.652.5000 or at DTIS.helpDesk@sfgov.org (their home page is at http://sfgov.org/DT). Examples of connection issues include a "network error" message in your internet browser. An example of a log in issue is if you do not have a valid password or user name.</p> <p>If you have never had a User Profile set up in the system (i.e. you’ve never had log-on access to the system), then you should first contact the Administrator(s) at your business who has been granted the rights to be able to set up User Profiles in our PeopleSoft system. If you do not know who this would be or if no one has been set up as an administrator, then contact the systems User Support desk at 415.944.2442 or at sfcitypartnersupport@sfgov.org for help.</p>

Basic PeopleSoft Navigation	
3.	<p>Timing Out in the System</p> <p>Once you have logged into the system, each browser tab that is open will have a timer that will log you out of the system after 20 minutes of inactivity. So, for example, if you logged in using Internet Explorer and have 3 different tabs (windows) open, each one will have a timer running and each can log you out after 20 minutes of no activity on that individual tab.</p> <p>Although a pop-up will give you a warning, this will often not be seen, causing this log-out issue. In order to avoid this issue, we recommend closing browser tabs that you are no longer using so that these unused tabs do not log you out.</p>

Clearing Your Cache in Web Browsers	
4.	Our system supports all major browsers, including Internet Explorer, Chrome, and Firefox. If you have having issues with one browser, you may want to see if another browser will work better. Sometimes the issue is related to old data in your browsing history that is interfering with the system. In order to fix this, you may need to clear your cache. To clear your cache, follow these instructions:

Clearing Your Cache in Internet Explorer		
<p>5A.</p>	<p>If you are using Internet Explorer, go to the Tools icon and click on Internet Options. Then, in the pop-up box that appears, click on the “Delete” button in the Browsing History section on the General tab.</p>	
<p>5B.</p>	<p>The pop-up box on the right will now appear. Make sure all of the check boxes are marked (except for the “Preserve Favorites Website Data” box) and click “Delete”.</p>	
<p>5C.</p>	<p>This pop-up box will disappear, bringing you back to the Internet Options box. Click the “Apply” button and then “OK”. Close your browser and then re-open it. Your cache should be cleared.</p>	

Clearing Your Cache in Firefox		
6A.	In Firefox, type the Ctrl + Shift + Delete keys all at once. This will bring up the pop-up box shown to the right. Change the “Time range to clear” field to “Everything”.	
6B.	Make sure all of the check boxes are marked as shown on the right.	
6C.	Click the “Clear Now” button. Close your browser and then re-open it. Your cache should be cleared.	

Clearing Your Cache in Chrome		
<p>7A.</p>	<p>In Chrome, type Ctrl + H or click on the Menu icon, then on the History pull-down menu, and then on History.</p>	
<p>7B.</p>	<p>Click the “Clear browsing data” button.</p>	
<p>7C.</p>	<p>This will bring up the window shown to the right. Click on the Advanced tab.</p>	

<p>7D.</p>	<p>Change the pull-down menu to show “the beginning of time” and make sure your boxes are marked as shown.</p> <p>Click the “Clear browsing data” button.</p> <p>Close your browser and then re-open it. Your cache should be cleared.</p>

Clearing Your Cache in Safari

<p>8A.</p>	<p>In Safari, click on the “Safari” pull-down menu and then click on “Preferences...”</p>	
-------------------	--	--

<p>8B.</p>	<p>In the pop-up box that appears, click on the “Privacy” icon and then click the “Manage Website Data” button.</p>	
-------------------	--	--

<p>8C.</p>	<p>This will bring up a list of websites. Choose the one that relates to the FSP website [it may say something like epufspi-bifrost.sfgov.org] and click “Remove”. If you are so inclined, you could decide to click “Remove All” instead in order to clear the data from all of these websites.</p>	
<p>8D.</p>	<p>Click to remove this data in the warning pop-up box and close the Safari Preferences window.</p>
