SUMMARY OF DEPARTMENT OPERATIONAL SUPPORT CONTRACT REQUEST TO THE HEALTH COMMISSION

A DOS Contract is a Contract for the provision of goods or services that directly supports DPH's operations.

Purpose of Contract:

The Department has a continuing need for telephone answering services primarily during weekends, after hours, City holidays, and when Department staff are unavailable to answer calls.

Answernet will answer calls and follow DPH script and protocols to connect patients, laboratory providers, medical providers, or other agencies with on call DPH doctors ("providers"), as well as to provide translation services as needed.

Answernet will maintain, track and report the following:

- a) Individual call time/date stamp, call length, number of times the answering service attempted to contact the on call Provider and the response to call time;
- b) Caller identifying information, including relation of caller to the patient if not the patient;
- c) Summary of the primary issue the caller reported;
- d) On call Provider's response time and name;
- e) Average speed of answer;
- f) Delay in answering, average call abandon time, call handling time, and call volume by clinic/program;
- g) Referred calls (non-urgent calls regarding appointments, lab results, communicable and other disease issues, etc.);
- h) Abandonment rate (e.g. Percentage and number of abandoned calls);
- i) Additional reports as requested;

Answernet was awarded after a competitive solicitation SFGOV 0000007111.

Performance Monitoring:

The contract will be monitored in accordance with Hospital and network monitoring procedures by the Program Manager assigned to these services.

Health Equity and Inclusion Compliance:

The Department will work with Contractor will provide necessary information to comply with the Department's Office of Health Equity (OHE) requirements and will align with the citywide efforts on contract equity as overseen by the Office of Racial Equity (ORE) in the Human Rights Commission.
