

IMMIGRANT RIGHTS COMMISSION STATEMENT IN SUPPORT OF SUPERVISORS' RESOLUTION CALLING FOR CEASE-FIRE

The Immigrant Rights Commission supports Supervisor Preston's resolution calling for a cease-fire, emphasizing the need to halt all forms of violence and war. We recognize the direct correlation between such conflicts and forced migration, displacement, and the creation of refugee populations. Our commitment to advocating for peace, justice, and the rights of all affected individuals extends to both Jewish and Arab communities worldwide. We strive for a future free from violence, displacement, and the hardships inflicted by armed conflict.
