DELIVERY OF PROTESTS

The notice of protest include a written statement specifying in detail each and every one of the grounds asserted for the protest. The protest must be signed by an individual authorized to represent the respondent, and must cite the law, rule, local ordinance, procedure or RFQ provision on which the protest is based. In addition, the protestor must specify facts and evidence sufficient for the City to determine the validity of the protest.

Protests or notice of protests made orally (e.g., by telephone) or by fax will not be considered. Protests must be sent via email by the above date and time to be considered.
