Re: Unplanned Power Outages – January, 2024
Cc: Robert Beck, Treasure Island Director

On January 25th at approximately 9:22 AM a portion of Treasure Island including a section of Treasure Island housing experienced a power outage. SFPUC dispatched crews, issued an I-Info Alert and notified TIDA and DEM. Service was restored to the outage area at approximately 11:00 AM. Cause was identified as a bird strike of overhead high voltage infrastructure.

States: They were neglectful. They did a halfway remediation of the laundry room and pantry and bathroom. But they did not do a thorough complete job. There was mold all over the closet and bedroom. She, my mother, could have died because of her resp conditions. The property management ignored it. She said to put paint over it to one of the workers, not to do anything else. Monique Crossley was the property manager who made the decision about the paint. We were forced to move out of the unit, as I called the DPH on them the first time and DPH cited them, per inspector Ivy Phan. I think they got bent out of shape about that and they started retaliating against us and evict me and my mother last year. Can you pull the records that insp Phan documented for my case, so that I can get it to my lawyer and start taking legal action? I would also like another inspection to document these problems. I can be reached by phone call	DPH EH

TI Advisor Board Review

February 2024

Director Support

- **Working with the Team:** MOHCD, One Treasure Island, Catholic Charities, Mercy Housing, and the Star View Court Management Team
- **Key Activities:** Star View Court Volunteer Support, Inclusionary Housing Information Pages, Online Resource Folder, Email Notices, one-on-one office hour sessions, sending preliminary award notices to SVC Volunteers, and SFHA Meeting coordination.

Resident Engagement

This month, TI Advisors took proactive steps to engage directly with key stakeholders. Our team has held engaging discussions with Catholic Charities and The San Francisco Housing Authority. Our focus is to ensure residents have a smooth transition into their new units. Building on our previous efforts, **we introduced DAHLIA Doorhangers, which included a QR code to the DAHLIA application**, to raise awareness of the application process. Admiral Security assisted TI Advisors in placing door hangers at all units managed by The Villages.

To enhance accessibility, TI Advisors have regularly office hours at Aracely Cafe every Wednesday. Our first few weeks of holding the office hours has proved successful, with 14 residents attending office hours in one day. The ability to accommodate walk-ins during these office hours has been particularly beneficial, offering immediate assistance to those who find this format helpful and accessible.

In a proactive gesture, **TI Advisors personally delivered copies of preliminary award letters to Star View Court Volunteer households.** As a part of this process, volunteers were allowed to schedule a **walkthrough of the Star View Court.** Due to extreme weather conditions, tours scheduled on January 31st and February 1st, have been rescheduled to February 7th and 8th to ensure residents' safety and convenience.

TI Advisors collaborated closely with The San Francisco Housing Authority (SFHA) to assist residents holding Section 8 vouchers to foster a deeper understanding of their transition into Star View Court. TI Advisors and the team held a productive meeting with D'Jon Scott-Miller, the executive director at SFHA, to plan two upcoming informational sessions. These sessions aim to guide residents holding Section 8 vouchers.

Lastly, in response to feedback from the board and residents, TI Advisors addressed the request for increased communication via text messages. Collaborating with One TI, **our team is working to coordinate SMS communications**, ensuring that essential updates and information reach residents promptly and effectively.

What information is available?

All informational documents are easily accessible online: TI Advisors gathered all future housing information and have included it in every digital communication from TI Advisors. Residents also have access to an online resource folder in their preferred language where they can access this information at their convenience.

TI Advisors have an electronic calendar link: Using this link and including it in all communications makes it easy and convenient to schedule a meeting time with a TI Advisor: <https://calendly.com/tiadvisor/meeting>

TI Advisors have standing office hours at Aracely Café every Wednesday. While walk-ins are welcome, we encourage residents to schedule sessions to ensure dedicated time with an advisor. To schedule an in-person session, residents may use this link: <https://calendar.app.google/zaFBvLNAXi45zPN7>

Monthly Summary

In January, TI Advisors focused on distributing information about the DAHLIA application, collaboration with key partners, and responsive communication methods. A significant focus was encouraging Vested Residents to apply for the upcoming affordable and inclusionary housing opportunities in 2024.

We aim to engage residents through a multipronged approach, leveraging a variety of touchpoints to ensure all target audiences can be reached, including those with limited English proficiency, people with various work schedules, and those who may fall into the digital divide. We are on the island using door hangers, making phone calls, using emails, and providing online and in-person resources, and offering to meet over the phone, via video conference, and in person.

TI Advisors are also contacting all Legacy Households to confirm the current occupancy of each resident included on The Villages lease. This will support TIDA's goal to issue Move Out Notices to Legacy Households, as soon as it's feasible, aiming to do so before the spring. Move Notices will be issued following the order of Legacy Household Ranking and matching of Legacy Household bedroom counts with the available Legacy Transition Units at Star View Court.

Challenges faced

While our community engagement initiatives have increased, we have encountered challenges related to the DAHLIA application process. Initially, TI Advisors informed residents that the application would open in mid-February. However, due to unforeseen circumstances, there have been some delays, and we are currently working towards opening the application, tentatively in early March. We understand the residents' anticipation and appreciate their patience as we navigate and address these unexpected circumstances.

Star View Court By the Numbers

Island Households	
10	Legacy Household Preliminary Award Notices Sent and Accepted!
3	Legacy Household Volunteer Applications in Process
15	Legacy Units (Transition Units) Still Available
	0 One Bedroom Units
	3 Two Bedroom Units
	9 Three Bedroom Units
	3 Four Bedroom Units
40	Affordable Units Still Available
	23 One Bedroom Units
	4 Two Bedroom Units
	7 Three Bedroom Units
	6 Four Bedroom Units

A look at the numbers as of February 7, 2024:

Island Households	
250	One Treasure Island Partner Households
334	The Villages at Treasure Island (760 Leaseholders)
91	Legacy Households
57	Mixed Households (with Legacy, Vested and/or Post Vested Residents)
132	Vested Households
23	Post Vested Households with No Legacy or Vested Residents
31	Corporate Leaseholders

A breakdown of the 760 leaseholders we have on record, their DDA status is as follows:

- 299 Legacy leaseholders.
- 350 Vested leaseholders.
- 110 post-vested leaseholders.
- 66 Corporate lease occupants (none leaseholders).

March – April 2024	<ul style="list-style-type: none">• MOHCD holds DAHLIA Lottery for Star View Court Affordable Units
June – September 2024	<ul style="list-style-type: none">• Goal date for Star View Court move in!

Community Engagement Record

The TIDA Board has requested that TI Advisors demonstrate how resident engagement is tracked to demonstrate TI Advisor engagement efforts and responsiveness. A sample of a TI Advisor Resident Engagement Record was included in the October Board Report. All personal resident data has been removed from this sample record. TI Advisor Resident Engagement Records are updated regularly and are stored electronically by AR/WS.

TIDA BOD Meeting

Program Report

Nella Goncalves, Co-Executive Director

February 2024

- **Food Pantry**

One TI continues to serve an average of 200 households in the new year and has had to request an increase in our food delivery. We will continue to monitor our numbers as more housing developments come online.

- **One Treasure Island Programming:**

CTP 17 is in full swing. Program participants have been working on the refresh of the Ship Shape Community Center for their hands-on projects. Graduation is on March 1st from 11:00 – 1:00 PM. See the invitation attached.

The 2023 Tax Season has begun. Tax prep services are being offered on Thursdays and Saturdays.

- **Outreach & Social Media**

Community engagement continues through social media posts, posts on Next Door Treasure Island, fliers on the community boards, weekly pantry bags, mass emailing, and partnerships with the TI housing providers.

One TI continues to partner with the housing providers to outreach to the TI community on future housing opportunities in the Star View Court housing development. We have also begun to support Home Rise with the planning of the transition of their units to Catholic Charities and the John Stewart Company.

- **Community Engagement & Events**

Planning for Black History Month is going well. This year, in partnership with the housing providers, resident groups and TIDA, we will host a Lunch and Learn that will focus on African American history and influencers.

One TI is working with the Department of Elections with the goal of increasing voter registration on Treasure Island. We are also referring residents for Poll Workers job opportunities.

The Island-wide Community Meeting will be held on February 28th via zoom. Please see the notice attached.

One TI is hosting a New Resident Orientation on Saturday, 2/10 from 10:00 – 12:00 PM. We will review the revised Welcome Packet.

An Emergency Task Force meeting is being held as a follow up to the NERT training on February 13th from 6:00 – 7:30 P at the Ship Shape.

Treasure Island Museum

Report to TIDA ~ February, 2024

**TREASURE
ISLAND
MUSEUM**

Since our last report, our staff and community volunteers have:

- initiated the process of transferring our collection database, including photographs and documents from our archives, to a system that will allow free online access to the community, teachers, and historians; this project is funded by a generous donation from [PCL Construction](#) and [Stantec](#).
- hosted another in our ongoing series of museum education programs, *The Life and Legacy of Treasure Island Sculptor Adaline Kent*.
- partnered with the San Francisco Arts Commission to present community programming that highlights images of Treasure Island's revitalization created by local photographers.
- posted videos and images from our collection on social media to build community and foster public interest in what the island offers today.
- sent representatives to community events, enrolling residents in our free "Island Neighbors" museum membership program.
- added recently acquired artifacts to the display cases in our free public gallery in Building One.

The museum featured a model that illuminates a colorful chapter in Treasure Island's Past:

We were pleased to host the first public exhibition of the detailed Golden Gate International Exposition model pictured to the left.

It will be displayed in our free gallery again on Saturday, February 10; click [here](#) for details.

The museum is partnering with One Treasure Island to mark Black History Month:

Our exhibition *The Port Chicago Story: Lighting the Fuse to Civil Rights* will be installed at the Treasure Island YMCA during the island community's celebration of Black History on Saturday, February 17.

Can't make it to the island? We offer this important content online, free of charge to students, teachers, and the general public, [here](#).

Our service to the Treasure Island Community continues:

The Treasure Island Museum is proud to be among the cultural, intellectual, and artistic hubs on the revitalized island.

We host an ongoing series of community concerts and education programs, bringing musicians, artists, and writers to the island for pay-only-what-you-can-afford events.

Our volunteer-based organization's long history of community service and engagement, our open-access online content, and our free public gallery in Building One are all an integral part of what the island offers to both residents and tourists.
