AGENDA

I. ROLL CALL

II. APPROVAL OF MEETING MINUTES (Action Item). Discussion and possible action to approve the minutes from the meeting on January 24, 2024.

III. STATE LOBBYIST OVERVIEW AND UPDATE (Discussion Item).
The City's state lobbyist will present to the Committee an update on State legislative matters.

IV. PROPOSED LEGISLATION (Discussion and Action). Discussion and possible action item: the Committee will review and discuss state legislation affecting the City and County of San Francisco. Items are listed by Department, then by bill number.

New Business

Department of Public Health

Presenter: Max Gara

AB 2115 (Haney): Controlled substances: clinics.

Recommended Position: Sponsor

The Federal Drug Enforcement Administration allows that 72 hours of methadone treatment can be dispensed to patients at a health clinic during referral to an Opioid Treatment Program (a.k.a. Methadone Clinic). Currently, California law states that methadone cannot be dispensed at clinics. AB 2115 would increase access to methadone by aligning state law with federal rules and allow clinics to dispense 72 hours of methadone treatment during this referral period.

Department of Environment

Presenter: Kyle Wehner

SB 1053 (Blakespear and Allen) and AB 2236 (Bauer-Kahan): Solid waste: reusable grocery bags: standards: plastic film prohibition.

Recommended Position: Support

Together, SB 1053 and AB 2236 will prohibit all plastic shopping bags in California grocery stores and require recycled paper bags to be made from 100 percent postconsumer recycled materials, without exception, beginning January 1, 2026.

Office of Economic and Workforce Development

Presenter: Ben Van Houten

AB 2359 (Ting and Haney): Alcoholic beverage control: neighborhood-restricted special on-sale general licenses.

Recommended Position: Sponsor

In 2016, the California Legislature created the "Type 87" liquor license, a new type of affordable, nontransferable full liquor license for restaurants in San Francisco's outer neighborhood commercial corridors. Since its inception, the Type 87 license program has been a critical tool to support economic development in these neighborhoods, but restaurants in the Bayview and Excelsior are no longer able to apply, as both neighborhoods have reach caps set under state law.

Assembly Member Ting has introduced AB 2359 to improve the Type 87 program by expanding access to these licenses in the Excelsior and Bayview neighborhoods and making technical reforms to the application process.

V. GENERAL PUBLIC COMMENT

Members of the public may address the Committee on items of interest that are within the Committee's subject matter jurisdiction and that do not appear on the agenda.
