(7) SPECIAL ITEM

Discussion and possible action. The Board shall consider adopting a Resolution which allows for remote public participation at Board Hearings. The Resolution further encourages parties and their representatives to attend hearings in-person but allows for their remote participation. History: On October 17, 2023, the Board of Supervisors (“BOS”) discontinued remote public comment by members of the public, except as necessary for disability accommodations (See Section 1.3.3 of the BOS Rules of Order and BOS File Number 231020). The Mayor’s Office instructed that all commissions shall also adopt the BOS’s new rule and not allow remote public comment except when necessary to accommodate a disability. The Mayor’s Office further directed that all presenters from departments attend commission meetings in-person. On December 6, 2023, the Board considered the Mayor’s directive. The consensus of the commissioners at the hearing was that: (1) the Board should not take a position on departmental representatives’ attendance given that they are City employees subject to the Mayor’s direction, and (2) the Board should allow remote public participation. With respect to attendance by parties and their representatives, the Board would strongly encourage the parties to attend hearings in-person as it enhances the hearing process but allow for remote participation. At the hearing on December 6, 2023, Commissioner Swig (President of the Board at that time) asked the Executive Director to draft language reflecting this general policy to be considered by the Board at a future meeting.

ADJOURNMENT.

MEMBERS OF THE BOARD OF APPEALS

JOSE LOPEZ	PRESIDENT
ALEX LEMBERG	VICE PRESIDENT
RICK SWIG	COMMISSIONER
JOHN TRASVIÑA	COMMISSIONER
J.R. EPPLER	COMMISSIONER

Members of the Board will attend the meeting in-person, and members of the public are invited to attend in-person, by computer, or by telephone as described above. To ensure full public participation in the Board’s adjudicatory hearings, the Board will not impose a time limit on the total amount of remote public participation for any agenda items at this meeting. Each member of the public participating remotely will be subject to the three-minute, or if applicable two-minute, time limit noted above.

PROCEDURE AT HEARINGS

Except when the Presiding Officer finds good cause to order the presentations otherwise, the order of presentation of an appeal shall be as follows: (a) the appellant shall speak first and shall be allowed seven minutes to present relevant testimony and evidence. Then the permit holder, representatives of the department, board, commission or person from whose order the appeal is taken, and/or other parties, shall be allowed seven minutes for presentation of relevant testimony and evidence. Three minutes for rebuttal shall be provided to all parties in this same order; (b) the Board may request a departmental response at its own discretion. For rehearing requests and jurisdiction requests, each party shall be allowed three minutes to present testimony and evidence, with no rebuttal.

Other persons desiring to speak before the Board on an appeal may speak once for up to three minutes, unless the presiding officer further limits time uniformly.

Those members of the public who intend to testify about a particular appeal and wish to have the Board give their testimony evidentiary weight for purposes of deciding the appeal are asked to take an oath. Please note that any member of the public may speak without being sworn-in pursuant to their rights under the Sunshine Ordinance (Chapter 67 of the San Francisco Administrative Code).

SPECIAL NOTES

The Board reserves the right not to start an item on the agenda after 10:00 p.m.

It is possible that the Board may experience technical challenges that interfere with the ability of members of the public to participate in the meeting remotely. If that happens, the Board will attempt to correct the problem but may continue with the hearing as long as the parties to an appeal are able to participate in the meeting, and members of the public attending in-person, as well as anyone who

received a disability accommodation to offer remote public comment, are able to observe and offer public comment.

If the Board continues a matter to a specific date that is announced to the parties in the hearing room, no additional mailed notice will be sent. Please call the Board office at (628) 652-1150 for scheduling or other information during regular business hours or visit our website at www.sfgov.org/boa.

The complete Rules of the Board are available for review on our website.

Material submitted by the public for Board review prior to a scheduled hearing before the Board, should be addressed to the Board President, and be received at boardofappeals@sfgov.org, no later than 4:30 p.m. one Thursday prior to the scheduled public hearing. Persons unable to attend the scheduled public hearing may submit written comments regarding a calendared item to boardofappeals@sfgov.org. Comments received before noon on the day of the hearing will be made a part of the official record and will be brought to the attention of the Board at the public hearing. Please note that names and addresses included in these submittals will become part of the public record. Submittals may be made anonymously.

Pursuant to Government Code § 65009, if you challenge, in court, the approval of a variance or development permit, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Board of Appeals at, or prior to, the public hearing.

Calendared items are sometimes withdrawn or rescheduled the day of hearing or are taken out of order to accommodate special needs. The Board urges all parties to be present at the hearing from 5:00 p.m. so that everyone has an opportunity to participate in the relevant public hearing when it is called.

The ringing of and use of cell phones, pagers and similar sound-producing electronic devices are prohibited at this meeting. Please be advised that the Chair may order the removal from the meeting room of any person(s) responsible for the ringing or use of a cell phone, pager, or other similar sound-producing electronic devices.
