

ELECTIONS COMMISSION
City and County of San Francisco

DATE: February 26, 2024

TO: Honorable Members, San Francisco Board of Supervisors
The Honorable Mayor London Breed

President, San Francisco Elections Commission

RE: Elections Commission's Final Redistricting Report

Dear Supervisors and Mayor Breed,

I am pleased to present the Elections Commission's recommendations for improving San Francisco's redistricting process.

Over nearly twenty months, the Elections Commission extensively studied and identified best practices for achieving fair and independent redistricting in the City and County of San Francisco. The Commission heard from diverse perspectives, in addition to engaging in routine and rigorous debate on myriad components of redistricting in open session. Last month, the body voted unanimously to advance our findings and recommendations in the enclosed report for your review and consideration.

With your support and leadership, we believe San Francisco can move toward more effective and fair practices that deliver representative districts for residents. We appreciate your attention to our recommendations and welcome any questions you may have upon review.

Sincerely,

Robin M. Stone
President, San Francisco Elections Commission
