## SAN FRANCISCO FIRE DEPARTMENT BUDGET SUMMARY FISCAL YEAR 2024-25 AND 2025-26

#### **MISSION**

The mission of the Fire Department is to protect the lives and property of the people of San Francisco from fires, natural disasters, and hazardous materials incidents; to save lives by providing emergency medical services; to prevent fires through education and prevention programs; and to provide a work environment that values health, wellness and cultural diversity and is free of harassment and discrimination

#### **DIVISIONS**

The Fire Department has six divisions in its operating budget: Administration, Fire Investigation, Operations, Fire Prevention, Support Services, and Training. The annual project budget also has allocations for personal protective equipment purchasing. The Department has two divisions funded by other sources: the Airport Division, supported by Airport funding, and the Fireboat, supported by the Port of San Francisco.

#### BUDGET PROCESS

The budget for the San Francisco Fire Department (SFFD) is created and approved by the Chief of the Department and staff, reviewed and approved by the Fire Commission, and forwarded to the Mayor's Office for review and adjustments. On June 1, the Mayor forwards the proposed budget to the San Francisco Board of Supervisors for its review and approval.

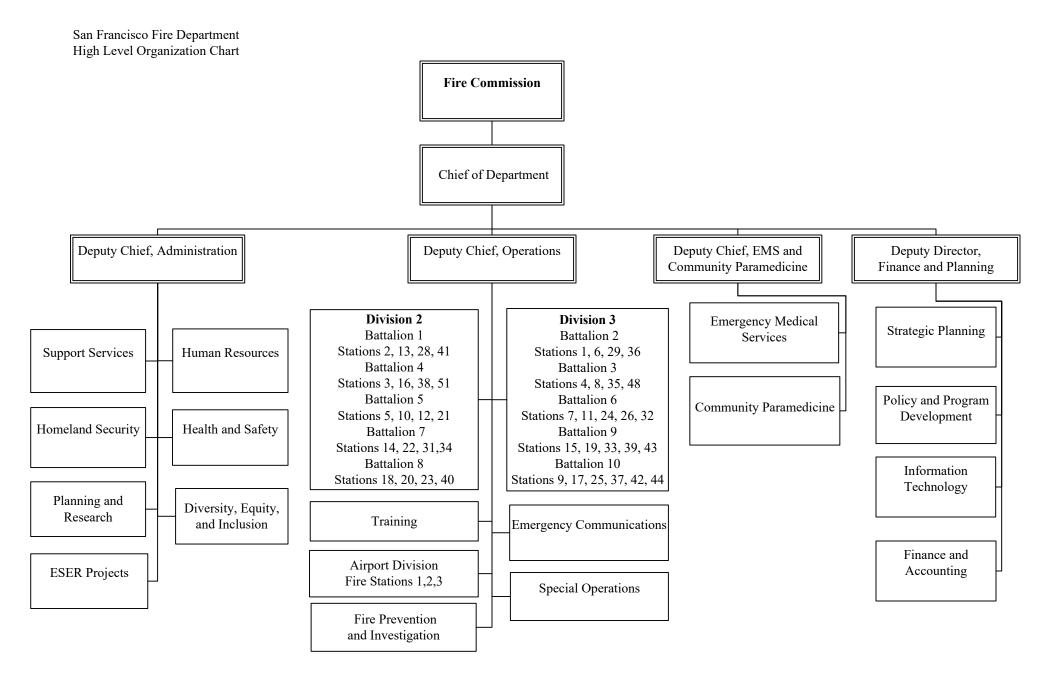

In November 2005, San Francisco voters passed Proposition F, which requires the City to maintain and operate neighborhood firehouses and emergency apparatus at the same location and to the same extent as existed on January 1, 2004.

#### **GUIDELINES FOR USING THIS DOCUMENT**

This budget document contains the Department's operational budget for Fiscal Years 2024-25 and 2025-26 as submitted to the Fire Commission on February 14<sup>th</sup>, 2024. This document contains a variety of budget information. This book contains summary tables on Departmental revenues and expenses followed by detailed revenue line item explanations. After the revenue section, the document has detailed descriptions of each division's expenses, positions, and line item explanations. The summary tables show the breakdown between the operating budget, annually appropriated projects, and continuing projects. It also shows the funding source, General Fund or Non-General Fund.

Fire Prevention overtime for employees working overtime on inspections when workload and project scheduling require a quick response. These overtime costs are recovered from fee paying customers requesting the service and are reflected as revenue for Fire Prevention. The Department has increased this allocation to match the increasing levels of demand for services as the City re-opens and recovers from the pandemic.

This item funds membership dues for the following positions and organizations:

#### Administration

Chief of Department: Membership in the National Fire Prevention Association (NFPA), the International Association of Fire Chiefs (IAFC), the California Fire Chief's Association, and the Metro Fire Chiefs Association.

Deputy Chief of Administration: Membership in the NFPA and IAFC.

National Fire Prevention Association (NFPA): The NFPA is an international nonprofit organization that serves as the world's leading advocate of fire prevention. The NFPA is an authoritative source on public safety. Its safety codes and standards influence every building, process, service, design, and installation in the United States and in many other countries. The NFPA is dedicated to enhancing public safety. Members are encouraged to participate in code standard development on a regular basis.

California Fire Chief's Association (CFCA): The CFCA consists of chiefs from over 1,100 fire departments operating in California. This association has an active legislative task force that monitors and works on legislation important to fire service interests at the State Capitol.

International Association of Fire Chief's (IAFC): The IAFC is a network of more than 12,000 chiefs and fire emergency officers. The members include the world's leading experts in fire fighting, emergency medical services, terrorism response, hazardous material spills, natural disasters, search and rescue, and public safety legislation.

Metro Fire Chief's Association: The Metro Fire Chief's Association is a subset of the NFPA and the IAFC. This membership allows direct access to other fire chiefs worldwide. The Metro Chiefs only includes large metropolitan fire departments. It shares information and focuses on major issues that may result in policy changes.

#### Investigation

This item funds membership for investigative staff in the California Conference of Arson Investigation and the International Association of Arson Investigators.

California Conference of Arson Investigation (CCAI): The CCAI is the only organization that brings together the public entities, such as fire service and law enforcement, with private company representatives, such as insurance companies and private investigators. Begun in 1954 and incorporated as a nonprofit organization in 1960, it serves professionals in all aspects of fire and arson investigations.

International Association of Arson Investigators (IAII): This organization has 9,000 members united by a strong commitment to suppress the crime of arson. The IAAI conducts an annual seminar and several regional sessions each year to communicate the last information and show the latest technology to members. It works in cooperation with other organizations, such as the US Fire Administration, the Federal Emergency Management Agency, the National Fire Academy, the International Association of Fire Chiefs, and the Insurance Committee for Arson Control.

This item funds overtime in Operations. The Department uses overtime to call in personnel to fill behind absences in order to meet the required minimum field staffing. Due to COVID and staffing issues, the Fire Department has seen a significant increase in the need for overtime. As the City and Department recovers from the COVID pandemic, and the Department is able to hire additional personnel to match retirements and separations, the Department anticipates its need for overtime to reduce.

This line item represents the Fire Department's fleet allocation for the two fiscal years from the Mayor's office. The Department has an old vehicle fleet, with many ladder trucks, fire engines, and ambulances in need of replacement, along with other specialty units and equipment. The Department was allocated funding for fleet purchases as part of last year's process, but this allocation will be re-evaluated and included as part of the Mayor's June 1st budget to the Board of Supervisors:

FY24-25 One (1) Fire Engine - \$809,191

Through a joint project with the Mayor's Office, the Office of Economic and Workforce Development, and the Human Rights Commission, the Department is undertaking an apprenticeship program with the City EMT program. This funding is allocated to fund graduates of the City EMT program as apprentices after their graduation from the academy. These individuals would be paid to train and work at the Fire Department for a period of six months to gather valuable training and work experience. This is funded as part of the City's reinvestment initiative.
