SFO Terminal West Modernization Project

March 7, 2024

The Terminal 3 West Modernization Project includes a discreet scope of work called Courtyard 4 Connector (C4C), which provides passenger connections between Terminal 3 and the International Terminal Building, as well as operational office and public space. The following is a breakdown of the C4C budget and non-traditional, Airport-specific, components and systems. The Project will work with the Arts Commission to agree on an Art Enrichment Budget and execute an Art Enrichment Allocation Report.
