Chief's Report

- **Weekly crime trends**
- **Major/Significant Incidents**

Chief Scott reported on crime trends YTD: Violent Crime down 17 percent; homicide down 63 percent; rape down 30 percent; robbery down 19 percent; assault down 11 percent; human trafficking down 25 percent. Property Crimes down 32 percent; burglary down 17 percent; motor vehicle theft down 6 percent; arson down 2 percent; larceny theft down 39 percent. Gun violence is down 30 percent compared to 2023; Two shooting incidents this week; total 21 fire-arm related

incidents resulting in 16 victims YTD. No homicides for the week; there are a total of 3 homicides YTD with 3 resulting from a firearm; 33% overall clearance.

Significant Incident: There were two shootings in the city, both resulted in two victims, non-fatal injuries, one was at the 2100 block of Revere, Bayview, 2/27/24, second one was on 2/28/24 on Junipero Serra Blvd., both victims were injured, but no life-threatening injuries, both cases still under investigation. Three stabbings - one was on the 800 block of Ellis, 2/26/24 12:35, second one was on 2/29/24, 24th and Mission, third was on 3/3/24 11:24, Willow Street and Van Ness, common theme for all three stabbings is they all resulted from arguments, the arguments led to stabbings, no arrests made, investigations ongoing. Protest this past Saturday, began at Harry Bridges Plaza, ended on Montgomery Street, near the Israeli consulate, was reported by media outlets that SFPD Officers used force on peaceful protestors, during this protest at the 400 block of Montgomery Street, the crowds attempted to breach the barricades, and in the process, one officer was spat on by a protester and other protesters threw bottles and other objects at officers, some of which struck the officers, all of this was captured on the officers' body worn cameras, during this exchange, pepper spray and batons were used and there were no serious injuries, two officers were injured and at least one person, involved in the protest, was reported to have an injury, but none of them were serious, there is an investigation ongoing, pointing out that what was reported on Saturday, that peaceful protesters had forced use upon them, the body worn camera indicates a different story.

Significant arrest: N/A

Strategies: The narcotics unit had a very successful week this past week, which led to the seizure of approximately 45lbs of narcotics. Of that, approximately 10lbs of that was fentanyl, approximately 35lbs was meth, numerous search warrants served, all of them were outside of the city, this was all narcotics that would have ended up in the Tenderloin, the people that were being investigated or connected to the Tenderloin narcotics trade, there were a total of seven arrests that were made, there's still more investigation to be done on this case.

PUBLIC COMMENT:

Paulette Brown: Referenced article regarding payout on rewards and a department power point previously presented. Is waiting for April to see if DPA and SFPD have worked on this topic.
