## Expanded Compliance Control Notice of Determination

The Department of Building Inspection (DBI) finds that Harold E. Howell and his business, Mercury Engineering, have been associated with three or more Notices of Violation within an 18-month period:

- Complaint No. 202286619
- Complaint No. 202290894
- Complaint No. 202295341
- Complaint No. 202288003
- Complaint No. 202294054

Under San Francisco Building Code section 103A.6.1, these violations qualify Mr. Howell and Mercury Engineering for inclusion in the Department of Building Inspection's Expanded Compliance Control program.

After a review of the violations and consideration of all potential mitigating factors, the Acting Deputy Director for Inspection Services has issued a staff report recommending adding Mr. Howell and Mercury Engineering to the Expanded Compliance Control program.

I hereby adopt the findings and recommendations of the staff report and place Harold E. Howell and Mercury Engineering in the Expanded Compliance Control program.
