\*A cumulative total of individual Public Records Act Requests received since January 1, 2019. A request may include multiple members and multiple categories outlined under SB 1421 which may result in a large number of documents per individual request.

\*\*Release defined as a production of records and/or a determination letter. Determination letters generally are a response indicating the department has identified records or has no responsive records for one or more categories of disclosure for a specific officer.

\*\*\*A single PRA may contain requests for multiple categories or multiple officers; therefore, this number is higher than the total number of PRAs.

\*\*\*\*The length of time it takes to produce the final redacted video is approximately 2-3 times the length of the video.

\*\*\*\*\*Case refers to the number of distinct incidents reviewed within the Department's tracking systems for use of force tracking and administrative investigation tracking.
