**To:** Juvenile Probation Commission

**From:** Celina Cuevas, PhD, Juvenile Probation Department

**Date:** May 1, 2024

**Subject:** Slides to highlight from the March 2024 Monthly Data Report, prepared for the 5/8/24 Juvenile Probation Commission meeting

---

The Juvenile Probation Department would like to direct your attention to the following slides from the March 2024 Monthly Data Report:

**JH Chart 1.2: Average & Peak Population (slide 7)**

- The average daily population in March was 27 young people, with a peak population of 30.

**JH Chart 4.1: Admissions by % Mandatory (slide 17 – new slide)**

- There were 35 admissions in March, 80% of which were mandatory.

**JH Chart 3.1: Average Length of Stay for Detained Youth Released (slide 14)**

- The median length of stay for detained youth released in March decreased to 6 days, the same as the 2023 average, after having increased for the first two months of the year.

**PS Chart 1: Referrals to Probation & Diversion Referrals (slides 22)**

- There were 80 referrals to Probation in March, and 13 were either counseled/referred and closed or diverted.

**PS Chart 3.2: Huckleberry Service Referrals (slide 34 – new slide)**

- In March, 29 youth were referred to services at Huckleberry Youth Programs, regardless of diversion status.

**PS Chart 4.2: Alternative Placements by Details (slide 37)**

- As of the last day of March, there were 13 youth placed with Resource Families (RFAs) in comparison to 1 youth in an STRTP (formerly referred to as a group home).
