(4) APPEAL NO. 23-067

<p>MIHAL EMBERTON, Appellant(s)</p> <p>vs.</p> <p>SAN FRANCISCO PUBLIC WORKS, BUREAU OF STREET USE & MAPPING, Respondent</p>	<p>201 Ashton Avenue.</p> <p>Appealing the ISSUANCE on December 1, 2023, to Mihal Emberton, of a Public Works Order (DENIAL of an application for a Minor Sidewalk Encroachment Permit. All items encroaching the public right-of-way shall be deconstructed and removed from the public right-of-way. The applicant did not provide updated plans with the following conditions and alterations: reduction of the fence height to three feet; three feet of clearance around the streetlight pole and box on Holloway Ave.; three feet path of travel between the trees and fence on Holloway Avenue and the removal of the approximate 10 ft x 10 ft cedar pergola and the propane fire table. The plans also need to show all features in the right-of-way such as the streetlight and box, trees, location of pavers, location of landscaping, and the altered location of the fences).</p> <p>PERMIT NO. 21MSE-00688.</p> <p>FOR FURTHER CONSIDERATION.</p> <p>Note: On February 7, 2024, upon motion by Vice President Lemberg, the Board voted 4-0-1 (Commissioner Eppler absent) to continue this matter to May 15, 2024, so that the appellant can get a survey by a licensed surveyor. (5) APPEAL NO. 23-058

<p>JOSHUA KLIPP, Appellant(s)</p> <p>vs.</p> <p>SAN FRANCISCO PUBLIC WORKS, BUREAU OF URBAN FORESTRY, Respondent</p>	<p>1701 Post Street.</p> <p>Appealing the ISSUANCE on November 3, 2023, to SF Recreation & Parks Department, of a Public Works Order (APPROVAL to remove two street trees (flowering cherry trees) at 1701 Post Street with replacement in-kind on the 1500 block of Laguna Street; Rec & Park applied to remove the two trees by recommendation for Vision Zero in coordination with the capital improvement project for Japantown Plaza; the goal is to prevent plantings from blocking critical driver safety lines or creating other safety issues). ORDER NO. Order 208816.</p> <p>FOR FURTHER CONSIDERATION.</p> <p>Note: On January 17, 2024, Commissioner Trasviña made a motion to grant the appeal and revoke the determination on the basis that: (1) the order lacks an adequate factual basis to establish that there is a public safety issue which warrants the removal of the trees, and (2) the removal of these trees is inconsistent with the City policy and goal of increasing the tree canopy. Thereafter, President Lopez moved to amend Commissioner Trasviña’s motion to state that the Board would continue the matter to allow the parties to reach an agreement on the planting of additional replacement trees for the project; with the further clarification that it should not be assumed that the subject trees would be removed. President Swig seconded this motion. The Board voted 4-1 (Commissioner Trasviña dissented) to amend the motion as specified by President Lopez. Upon motion by President Lopez, the Board voted 4-1 (Commissioner Trasviña dissented) to continue this matter to March 13, 2024, to allow the parties to reach an agreement on the planting of additional replacement trees for the project; with the further clarification that it should not be assumed that the subject trees would be removed. On March 7, 2024, the parties requested that the matter be rescheduled to May 15, 2024, so that they could have more time to work on a settlement agreement.</p>

Three minutes for rebuttal shall be provided to all parties in this same order; (b) the Board may request a departmental response at its own discretion. SPECIAL NOTES

The Board reserves the right not to start an item on the agenda after 10:00 p.m.

It is possible that the Board may experience technical challenges that interfere with the ability of members of the public to participate in the meeting remotely. If that happens, the Board will attempt to correct the problem but may continue with the hearing as long as the parties to an appeal are able to participate in the meeting, and members of the public attending in-person, as well as anyone who received a disability accommodation to offer remote public comment, are able to observe and offer public comment.

If the Board continues a matter to a specific date that is announced to the parties in the hearing room, no additional mailed notice will be sent. Please call the Board office at (628) 652-1150 for scheduling or other information during regular business hours or visit our website at www.sfgov.org/boa.

The complete Rules of the Board are available for review on our website.

Material submitted by the public for Board review prior to a scheduled hearing before the Board, should be addressed to the Board President, and be received at boardofappeals@sfgov.org, no later than 4:30 p.m. one Thursday prior to the scheduled public hearing. Persons unable to attend the scheduled public hearing may submit written comments regarding a calendared item to boardofappeals@sfgov.org. Comments received before noon on the day of the hearing will be made a part of the official record and will be brought to the attention of the Board at the public hearing. Please note that names and addresses included in these submittals will become part of the public record. Submittals may be made anonymously.

Pursuant to Government Code § 65009, if you challenge, in court, the approval of a variance or development permit, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Board of Appeals at, or prior to, the public hearing.

Calendared items are sometimes withdrawn or rescheduled the day of hearing or are taken out of order to accommodate special needs. The Board urges all parties to be present at the hearing from 5:00 p.m. so that everyone has an opportunity to participate in the relevant public hearing when it is called.
