#### **PART I. GENERAL**

##### **1.01 SAN FRANCISCO LABOR AND EMPLOYMENT CODE ARTICLE 131 (FORMERLY KNOWN AS ADMINISTRATIVE CODE CHAPTER 12B) AND ADMINISTRATIVE CODE CHAPTER 14B**

- A. To be eligible for this contract award, Proposers must agree to comply with the Local Business Enterprise (“LBE”) requirements sanctioned by San Francisco Labor and Employment Code Article 131 (“Article 131”), and San Francisco Administrative Code Chapter 14B (“Chapter 14B”) and its implementing Rules and Regulations. Article 131 and Chapter 14B are administered and monitored by the San Francisco Contract Monitoring Division (“CMD”).
- B. Article 131 and Chapter 14B and its implementing Rules and Regulations are incorporated by reference herein as though fully set forth and provide that the failure of any Proposer or Consultant to comply in good faith with these requirements shall be deemed a material breach of contract. Copies of Article 131 and Chapter 14B and its implementing Rules and Regulations are available on the CMD website at <http://www.sfgov.org/cmd>.
- C. Micro-LBE Set-Aside Program  
Under Section 14B.7(K)(2) of the Ordinance, the City may set-aside for competitive award to Micro-LBEs: (1) Architecture, Engineering, and Professional contracts estimated by the Contract Awarding Authority to be less than or equal to the Minimum Competitive Amount; and (2) General Services contracts estimated by the Contract Awarding Authority to be less than or equal to the Threshold Amount. The Certification application is available on the CMD website <http://www.sfgov.org/cmd>.

The competitive award requirements shall otherwise apply to Contracts for the set-aside program, except that if (a) fewer than two Micro-LBEs submit Proposals, or (b) the Contract Awarding Authority determines that the Contract would not be awarded at a fair market price, then the Contract Awarding Authority may reject all Proposals and remove the Contract from the set-aside program.

*For assistance with this CMD Attachment and/or assistance with the Equal Benefits Program, please contact the CMD Main Office at (415) 554-0630*

Contracts that are set-aside for award to Micro-LBEs shall not be subject to the LBE sub participation requirement under Section 14B.8 of the Ordinance. Micro-LBEs that subcontract any portion of a set-aside contract should subcontract to businesses certified as Micro-LBEs to the maximum extent possible.

Micro-LBEs that subcontract any portion of a set-aside Contract must serve a Commercially Useful Function based on the contract's scope of work.

The Micro-LBE Proposer must perform at least 25% of the contract work. Additionally, there should not be any modifications to increase the contract amount unless there is an unforeseen situation—any such modification must have prior CMD approval.

To be eligible for a micro set-aside Contract the Proposer must be a CMD Certified Micro-LBE in a certification category that corresponds with the scope of work called out by the Contract Awarding Authority. A Proposer that has a certification application pending, that has been denied certification, that has had its certification revoked or that is in the process of appealing a CMD denial or revocation at the date and time the Proposal is due is not a Micro-LBE and is not eligible to bid on the Contract even if the firm is later certified or ultimately prevails in its appeal.

D. PUC-LBEs and SFPUC Regional Projects

Pursuant to Chapter 14B, only established small public works/construction, construction material supplies, construction equipment rental, trucking, and professional services firms including architecture or engineering firms may be certified as PUC LBEs. Only firms located within the PUC water system service area may be certified as PUC LBEs.

In addition to CMD Certified San Francisco ("SF") Micro-LBEs/NPEs, SFPUC Micro-LBEs are also eligible to bid on Micro-LBE Set-Aside Contracts provided the project falls under one of the following funding source requirements as determined by SFPUC:

- 1) It is a PUC Regional Project that is to be performed outside of the jurisdictional boundaries of San Francisco and is included in the formally approved Capital Improvement Program of the SFPUC's approximately \$4.6 billion project to seismically reinforce and otherwise enhance the Hetch Hetchy water supply system, also known as the Water System Improvement Program ("WSIP"), as it may be amended from time to time.
- 2) It is a PUC Regional Project that will be exclusively outside the jurisdictional boundaries of San Francisco for which some or all of the cost will be shared by members of BAWSCA.
- 3) It is a PUC Regional Project that will be performed exclusively 70 miles or more beyond the jurisdictional boundaries of San Francisco.

**IMPORTANT NOTICE: In this CMD Attachment 5A, the term "LBE" refers to both CMD certified LBEs and PUC-LBEs.**

**1.02 SUBMISSION OF CMD FORMS—PRE-AWARD**

- A. Failure to complete or submit any of the forms may cause the Proposer to be deemed non-responsive and ineligible for contract award. For negotiated contracts: The schedule for the submission of forms will be established by the CMD in conjunction with the Contract Awarding Authority on a contract-by contract basis. Review the specific instructions and requirements on each CMD form.
  1. **FORM 2A: CMD Contract Participation Form:** Identify the Proposer and all subconsultants. The Micro-LBE Proposer must perform at least 25% of the contract work or the Proposal will be deemed non-responsive. The Micro-LBE Proposer must specify the percentage and portion of work to be self-performed.

2. **FORM 3: CMD Compliance Affidavit:** Must be signed by Proposer under penalty of perjury.
3. **FORM 5: CMD Employment Form:** List the key personnel designated to work on this project for the entire project team (Proposers, Joint Venture partners, subconsultants, and vendors).

### 1.03 CMD LBE CONTRACT PERFORMANCE FORMS—POST AWARD

1. **FORM 7: CMD Progress Payment Form:** The Proposer awarded the Contract shall submit online using the Contract Awarding Authority's City approved system with each payment request. Failure to upload this information with each payment request may delay progress payment processing.
2. **FORM 9: CMD Payment Affidavit:** Following receipt of each progress payment from the Contract Awarding Authority, a Form 9 (or the information on Form 9) must be submitted online using the Contract Awarding Authority's City approved system with the next progress payment request. Subconsultants are then required to acknowledge payment from Contractor/Consultant online using the Contract Awarding Authority's City approved system. Failure to submit required information may lead to withholding of progress payment, even if there are no subcontractor/subconsultant payments for the reporting period.
3. **FORM 8: CMD Exit Report and Affidavit:** Submit with final Form 7. A separate Form 8 must be completed for each LBE sub, supplier and vendor (including lower-tiers).
4. **FORM 10: CMD Contract Modification Form:** This form shall be completed by the Consultant when any (all) amendments, modifications, or supplemental change orders cumulatively increase the original contract amount by more than 20%, and then for all subsequent amendments, modifications or change orders that cumulatively increase the last CMD approved value by 20%.

## PART II. RATING BONUS

- 2.01 **The rating bonus is not applicable to SFPUC Regional Micro-LBE Set-Aside Contracts.**

## PART III. LBE SUBCONTRACTOR/SUBCONSULTANT PARTICIPATION

- 3.01 **The LBE sub participation requirement is not applicable to Micro-LBE Set-Aside Contracts.**
- 3.02 **Substitution, removal, or contract modification of LBE:** No LBE sub, supplier or vendor listed on Form 2A shall be substituted, removed from the Contract or have its Contract, purchase order or other form of agreement modified in any way without prior CMD approval. Consultant must conduct good faith efforts to replace an LBE sub with another LBE sub to comply with the LBE sub participation requirement. In addition, any new subs must have CMD's prior approval.

## PART IV. NON COMPLIANCE AND SANCTIONS

### A. Non-Compliance with Chapter 14B

1. A complaint of non-compliance concerning LBE participation initiated by any party after contract award will be processed in accordance with Chapter 14B and its implementing Rules and Regulations.
  - a. If the CMD Director determines that there is cause to believe that a Consultant has failed to comply with any of the requirements of the Chapter 14B, CMD Rules and Regulations, or contract provisions pertaining to LBE participation, the CMD Director shall notify the Contract Awarding Authority and attempt to resolve the non-compliance through conference and conciliation.

- b. If the non-compliance is not resolved through conference and conciliation, the CMD Director shall conduct an investigation and, where the Director so finds, issue a written Finding of Non-Compliance.
  - c. The Director's finding shall indicate whether the Consultant acted in good faith or whether noncompliance was based on bad faith noncompliance with the requirements of the Chapter 14B, CMD Rules and Regulations, or contract provisions pertaining to LBE participation.
2. Where the Director finds that the Consultant acted in good faith, after affording the Consultant notice and an opportunity to be heard, the Director shall recommend that the Contract Awarding Authority take appropriate action. Where the Director finds bad faith noncompliance, the Director shall impose sanctions for each violation of the Ordinance, CMD Rules and Regulations, or contract provisions pertaining to LBE participation, which may include:
    - a. Issuing an Order of Debarment prohibiting the Consultant and affiliates from participating in City Contracting for a period not to exceed five years and terminating any existing contracts or subcontracts with the debarred Consultant, in accordance with the Administrative Debarment provisions and procedures set forth in Administrative Code Chapter 28.
    - b. Determining that the Consultant has failed to comply with the provisions of Chapter 14B, sanctions are as follows:
      - i. suspend a Contract;
      - ii. withhold funds;
      - iii. assess penalties;
      - iv. debarment;
      - v. revoke CMD certification; or
      - vi. pursuant to 14B.7(H)(2) of the Ordinance, assess liquidated damages in an amount up to 25% of the total amount of the Contract or subcontract, as applicable, or \$1,000, whichever is greatest as determined by CMD.
  3. The Director's determination of non-compliance is subject to appeal to the City Administrator pursuant to CMD Rules and Regulations.
  4. An appeal by a Consultant to the City Administrator shall not stay the Director's findings.
  5. The CMD Director may require such reports, information and documentation from Consultants, subconsultants, Contract Awarding Authorities, and heads of departments, divisions, and offices of the City and County as are reasonably necessary to determine compliance with the requirements of Chapter 14B.
- B. Procedure for the collection of penalties is as follows:**
1. The CMD Director shall send a written notice to the Controller, the Mayor and to all Contract Awarding Authorities or City and County department officials overseeing any Contract with the Consultant that a determination of non-compliance has been made and that all payments due the Consultant shall be withheld.
  2. The CMD Director shall transmit a report to the Controller and other applicable City departments to ensure that the liquidated damages are paid to the City.
