Dear Honorable President Elias,

RE: DGO 3.10 – Serious Incident Review Board

On March 5, 2024, the voters approved Proposition E ("Prop E"), an initiative ordinance requiring the Commission and the Police Department to engage in a community engagement process before the Commission may agendize "any proposal to establish, modify, or abolish policies or procedures related to Department operations." (Admin. Code § 961.1(a).) The community engagement process is intended to help the Commission and Department receive public feedback on whether proposed changes to policies and procedures governing Department operations will impact the Department's ability to efficiently and effectively serve the community. The purpose of this process is to "describe the existing policies and procedures," "solicit feedback on their implementation and impacts," and "identify possible changes" rather than to consider or advocate for specific draft proposals. Prop E allows the Chief of Police to waive the community engagement process provided that certain conditions are met.

I, William Scott, Chief of Police, have considered the following factors as required by Prop E:

- The proposed changes are unlikely to have a substantial impact on the Department's ability to serve the community.
- The amount of public feedback already received on the subject matter.
- The need for immediate action.
- Other factors - the proposed changes expand the scope of the Board's authority beyond firearms to include "covered incidents." The proposed changes also expand Board recommendations. These changes expand reviewed cases as well as further specify how the Department can refine policy and procedure which will improve service to the community and increase public safety. The proposed changes fall within Department administration and do not substantially impact the Department's ability to serve the community.

After considering all the factors, **I hereby waive the community engagement process for Department General Order 3.10 Serious Incident Review Board.**

Sincerely,

WILLIAM SCOTT
Chief of Police
